RESOLUTION OF THE NIAGARA COUNTY INDUSTRIAL DEVELOPMENT AGENCY (i) ACCEPTING THE APPLICATION OF BUFFALO FUEL CORP. WITH RESPECT TO A CERTAIN PROJECT (AS MORE FULLY DEFINED BELOW) TO BE UNDERTAKEN BY THE AGENCY FOR THE BENEFIT OF BUFFALO FUEL CORP. FOR ITSELF OR ON BEHALF OF AN ENTITY FORMED OR TO BE FORMED; (ii) AUTHORIZING A PUBLIC HEARING WITH RESPECT TO THE PROJECT; (iii) AUTHORIZING THE EXECUTIVE DIRECTOR OF THE AGENCY TO TAKE CERTAIN ACTIONS UNDER ARTICLE 8 OF THE ENVIRONMENTAL CONSERVATION LAW IN CONNECTION WITH THE PROJECT; (iv) PROVIDE SALES TAX EXEMPTION FOR PURCHASES AND RENTALS RELATED TO THE CONSTRUCTION AND EQUIPPING OF THE PROJECT; AND (v) DESCRIBING THE FORMS OF FINANCIAL ASSISTANCE BEING CONTEMPLATED BY THE AGENCY.

WHEREAS, by Title 1 of Article 18-A of the General Municipal Law of the State of New York, as amended, and Chapter 569 of the Laws of 1972 of the State of New York (the "Act"), **NIAGARA COUNTY INDUSTRIAL DEVELOPMENT AGENCY** (the "Agency") was created with the authority and power to own, lease and sell property and to issue its bonds as authorized by the Act; and

WHEREAS, **BUFFALO FUEL CORP.**, and/or an individual(s) or affiliate, subsidiary, or entity or entities formed or to be formed on its behalf (the "Company"), has submitted an application to the Agency, a copy of which is on file at the office of the Agency, requesting that the Agency consider undertaking a project (the "Project") consisting of: (A) the acquisition (or retention) by the Agency of fee title to or other interest in a parcel of land located at 4870 Packard Road, Niagara Falls, New York, (the "Land"), (B) the construction of an approximate 32,000 square foot ClearSpan building to be used as a treatment, storage, disposal and recycling facility, (the "Improvements"); (C) the acquisition and installation in and around the improvements of certain items of machinery, equipment and other tangible personal property (the "Equipment" and, collectively with the Land, and the Improvements, the "Facility").

WHEREAS, pursuant to Article 18-A of the General Municipal Law the Agency desires to adopt a resolution describing the Project and the financial assistance that the Agency is contemplating with respect to the Project; and

WHEREAS, it is contemplated that the Agency will hold a public hearing and (i) negotiate an agent agreement (the "Agent Agreement") whereby the Agency will designate the Company as its agent for the purpose of acquiring, constructing and equipping the Project, (ii) negotiate a lease agreement (the "Lease Agreement"), leaseback agreement (the "Leaseback Agreement"), payment-in-lieu-of-tax agreement (the "PILOT Agreement") and payment-in-lieu of tax mortgage (the "PILOT Mortgage") with the Company, (iii) take or retain fee title to, a leasehold or other interest in the Land, Improvements, Equipment and personal property

constituting the Facility (once the Lease Agreement, Leaseback Agreement, PILOT Agreement and PILOT Mortgage have been negotiated), and (iv) provide financial assistance to the Company in the form of sales and use tax exemptions and a mortgage recording tax exemption for financing related to the Project, consistent with the policies of the Agency, a partial real property tax abatement and a mortgage recording tax exemption with respect to a certain payment-in-lieu-of-tax mortgage; and

WHEREAS, the Agency scheduled a public hearing and provided notice of the public hearing pursuant to Section 850-a of the Act; and

WHEREAS, the Agency must determine whether the undertaking of the Project and the providing of the contemplated financial assistance with respect to the same will be in conformance with Article 8 of the Environmental Conservation Law and the regulations adopted pursuant thereto by the Department of Environmental Conservation of the State of New York (said law and regulations hereinafter collectively referred to as "SEQR").

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE AGENCY AS FOLLOWS:

Section 1. The Company has presented an application in a form acceptable to the Agency. Based upon the representations made by the Company to the Agency in the Company's application, the Agency hereby finds and determines that:

(A) By virtue of the Act, the Agency has been vested with all powers necessary and convenient to carry out and effectuate the purposes and provisions of the Act and to exercise all powers granted to it under the Act; and

(B) The Agency has the authority to take the actions contemplated herein under the Act; and

(C) The action to be taken by the Agency will induce the Company to develop the Project, thereby increasing employment opportunities in Niagara County and otherwise furthering the purposes of the Agency as set forth in the Act; and

(D) The Project will not result in the removal of a civic, commercial, industrial, or manufacturing plant of the Company or any other proposed occupant of the Project from one area of the State of New York (the "State") to another area of the State or result in the abandonment of one or more plants or facilities of the Company or any other proposed occupant of the Project located within the State; and the Agency hereby finds that, based on the Company's application, to the extent occupants are relocating from one plant or facility to another, the Project is reasonably necessary to discourage the Project occupants from removing such other plant or facility to a location outside the State and/or is reasonably necessary to preserve the competitive position of the Project occupants in their respective industries.

Section 2. For purposes of investigating the advisability of undertaking a coordinated review under SEQR with respect to the Project and determining whether the Project may have a "significant effect on the environment" (as such term is defined under SEQR), the Executive Director of the Agency is hereby authorized and directed to take the following actions:

(A) To obtain an Environmental Assessment Form (the "EAF") with respect to the Project from the Company; and

(B) To review the EAF with counsel to the Agency and prepare proceedings to allow the Agency to comply with SEQR; and

(C) To contact all other "involved agencies" with respect to the Project for the purposes of ascertaining whether they are interested in undertaking a coordinated review with respect to the Project; and

(D) Upon completion of the foregoing, to report to the Agency at its next meeting on the status of the environmental review process with respect to the Project.

Section 3. Based upon the representations and warranties made by the Company in its application for financial assistance, the Agency will consider approving the Company, as its agent, to make purchases of goods and services relating to the Project and that would otherwise be subject to New York State and local sales and use tax in an amount up to \$1,258,500.00, which result in New York State and local sales and use tax exemption benefits ("sales and use tax exemption benefits") not to exceed \$100,680.00. The Agency agrees to consider any requests by the Company for increase to the amount of sales and use tax exemption benefits authorized by the Agency upon being provided with appropriate documentation detailing the additional purchases of property or services.

Pursuant to Section 875(3) of the New York General Municipal Law, the Agency may recover or recapture from the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, any sales and use tax exemption benefits taken or purported to be taken by the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, if it is determined that: (i) the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, is not entitled to the sales and use tax exemption benefits; (ii) the sales and use tax exemption benefits are in excess of the amounts authorized to be taken by the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project; (iii) the sales and use tax exemption benefits are for property or services not authorized by the Agency as part of the Project; or (iv) the sales and use tax exemption benefits are taken in cases where the Company, its agents,

consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, fails to comply with a material term or condition to use property or services in the manner approved by the Agency in connection with the Project. As a condition precedent of receiving sales and use tax exemption benefits, the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, must (i) cooperate with the Agency in its efforts to recover or recapture any sales and use tax exemption benefits, and (ii) promptly pay over any such amounts to the Agency that the Agency demands.

Section 4. The Chairman, Vice Chairman and/or the Executive Director of the Agency are hereby authorized, on behalf of the Agency, to hold a public hearing in compliance with the Act and negotiate (but not execute or deliver) the terms of (A) an Agent Agreement, whereby the Agency appoints the Company as its agent to undertake the Project and to immediately provide sales tax exemption benefits for purchases and rentals related to the renovation, construction and equipping of the project, (B) a Lease Agreement, whereby the Company leases the Facility to the Agency, (C) a related Leaseback Agreement, conveying the Facility back to the Company, (D) a PILOT Agreement, whereby the Company agrees to make certain payments-in-lieu-of real property taxes, (E) a PILOT Mortgage, securing the payment of the amounts due under the PILOT Agreement and (F) related documents; *provided*, (i) the rental payments under the Leaseback Agreement include payments of all costs incurred by the Agency arising out of or related to the Project and indemnification of the Agency by the Company for actions taken by the Company and/or claims arising out of or related to the Project; and (ii) the terms of the PILOT Agreement are consistent with the Agency's Uniform Tax Exemption Policy or the procedures for deviation have been complied with.

Section 5. The Agency is hereby authorized to conduct a public hearing in compliance with the Act.

Section 6. The officers, employees and agents of the Agency are hereby authorized and directed for and in the name and on behalf of the Agency to do all acts and things required and to execute and deliver all such certificates, instruments and documents, to pay all such fees, charges and expenses and to do all such further acts and things as may be necessary or, in the opinion of the officer, employee or agent acting, desirable and proper to effect the purposes of the foregoing resolutions and to cause compliance by the Agency with all of the terms, covenants and provisions of the documents executed for and on behalf of the Agency.

Section 7. These Resolutions shall take effect immediately upon adoption.

The question of the adoption of the foregoing Resolution was duly put to a vote on roll call, which resulted as follows:

RESOLUTION OF THE NIAGARA COUNTY INDUSTRIAL DEVELOPMENT AGENCY (i) UNDERTAKE A CERTAIN PROJECT FOR THE BENEFIT OF BUFFALO FUEL CORP. AND/OR AN INDIVIDUAL(S) OR AFFILIATE, SUBSIDIARY, OR ENTITY FORMED OR TO BE FORMED ON ITS BEHALF (AS MORE FULLY DEFINED BELOW); (ii) DETERMINE THAT THE PROJECT WILL NOT HAVE A SIGNIFICANT EFFECT ON THE ENVIRONMENT; (iii) NEGOTIATE AND EXECUTE A LEASE AGREEMENT, LEASEBACK AGREEMENT, PAYMENT-IN-LIEU-OF-TAX AGREEMENT, PILOT MORTGAGE AND RELATED DOCUMENTS; AND (iv) PROVIDE FINANCIAL ASSISTANCE TO THE COMPANY IN THE FORM OF (A) A SALES TAX EXEMPTION FOR PURCHASES AND RENTALS RELATED TO THE ACQUISITION, CONSTRUCTION AND EQUIPPING OF THE PROJECT, (B) A MORTGAGE RECORDING TAX EXEMPTION FOR THE FINANCING RELATED TO THE PROJECT; AND (C) A MORTGAGE RECORDING TAX EXEMPTION FOR THE MORTGAGE RELATED TO THE PILOT AGREEMENT.

WHEREAS, by Title 1 of Article 18-A of the General Municipal Law of the State of New York, as amended, and Chapter 569 of the Laws of 1972 of the State of New York (the "Act"), **NIAGARA COUNTY INDUSTRIAL DEVELOPMENT AGENCY** (the "Agency") was created with the authority and power to own, lease and sell property and to issue its bonds as authorized by the Act; and

WHEREAS, **BUFFALO FUEL CORP.** and/or an individual(s) or affiliate, subsidiary, or entity or entities formed or to be formed on its behalf (the "Company"), has submitted an application to the Agency, a copy of which is on file at the office of the Agency, requesting that the Agency consider undertaking a project (the "Project") consisting of: (A) the acquisition (or retention) by the Agency of fee title to or other interest in a parcel of land located at 4870 Packard Road, Niagara Falls, New York, (the "Land"), (B) the construction of an approximate 32,000 square foot ClearSpan building to be used as a treatment, storage, disposal and recycling facility, (the "Improvements"); (C) the acquisition and installation in and around the improvements of certain items of machinery, equipment and other tangible personal property (the "Equipment" and, collectively with the Land, and the Improvements, the "Facility").

WHEREAS, pursuant to Article 18-A of the General Municipal Law the Agency desires to adopt a resolution describing the Project and the financial assistance that the Agency is contemplating with respect to the Project; and

WHEREAS, on March 11, 2020, the Agency adopted a resolution (the "Preliminary Resolution") accepting the Application and directing that a public hearing be held; and

WHEREAS, it was contemplated that the Agency would hold a public hearing and (i) negotiate an agent agreement (the "Agent Agreement") whereby the Agency will designate the

Company as its agent for the purpose of acquiring, constructing and equipping the Project, (ii) negotiate a lease agreement (the "Lease Agreement"), leaseback agreement (the "Leaseback Agreement"), payment-in-lieu-of-tax agreement (the "PILOT Agreement") and payment-in-lieu of tax mortgage (the "PILOT Mortgage") with the Company, (iii) take or retain fee title to, leasehold or other interest in the Land, Improvements, Equipment and personal property constituting the Facility (once the Lease Agreement, Leaseback Agreement, PILOT Agreement and PILOT Mortgage have been negotiated), and (iv) provide financial assistance to the Company in the form of sales and use tax exemptions and a mortgage recording tax exemption for financing related to the Project, consistent with the policies of the Agency, a partial real property tax abatement and a mortgage recording tax exemption with respect to a certain payment-in-lieu-of-tax mortgage; and

WHEREAS, on the 25 day of June, 2020, at 2 p.m., the Agency held a public hearing with respect to the Project and the proposed financial assistance being contemplated by the Agency (the "Public Hearing") whereat interested parties were provided a reasonable opportunity, both orally and in writing, to present their views. A copy of the Minutes of the Public Hearing along with the Notice of Public Hearing published and forwarded to the affected taxing jurisdictions prior to said Public Hearing are attached hereto as Exhibit A;

WHEREAS, the Company has submitted to the Agency a Short Environmental Assessment Form (the "EAF") in compliance with Article 8 of the Environmental Conservation Law and Regulations adopted pursuant thereto by the Department of Environmental Conservation of the State (collectively, "SEQR") with respect to the Project, a copy of which is attached hereto as Exhibit B.

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE AGENCY AS FOLLOWS:

Section 1. The Company has presented an application in a form acceptable to the Agency. Based upon the representations made by the Company to the Agency in the Company's application, the Agency hereby finds and determines that:

(A) By virtue of the Act, the Agency has been vested with all powers necessary and convenient to carry out and effectuate the purposes and provisions of the Act and to exercise all powers granted to it under the Act; and

(B) The Agency has the authority to take the actions contemplated herein under the Act; and

(C) The action to be taken by the Agency will induce the Company to develop the Project, thereby increasing employment opportunities and retaining existing jobs in Niagara County and otherwise furthering the purposes of the Agency as set forth in the Act; and

(D) The Project will not result in the removal of a civic, commercial, industrial, or manufacturing plant of the Company or any other proposed occupant of the Project from one area of the State of New York (the "State") to another area of the State or result in the

abandonment of one or more plants or facilities of the Company or any other proposed occupant of the Project located within the State; and the Agency hereby finds that, based on the Company's application, to the extent occupants are relocating from one plant or facility to another, the Project is reasonably necessary to discourage the Project occupants from removing such other plant or facility to a location outside the State and/or is reasonably necessary to preserve the competitive position of the Project occupants in their respective industries.

(E) The Project involves an "unlisted action" (as said quoted term is defined under SEQR). The review is "uncoordinated" (as said quoted term is defined under SEQR). Based upon the review by the Agency of the Short Environmental Assessment Form (the "EAF") and related documents delivered by the Company to the Agency and other representations made by the Company to the Agency in connection with the Project, the Agency hereby finds that (i) the Project will result in no major impacts and, therefore, is one which may not cause significant damage to the environment; (ii) the Project will not have a "significant effect on the environment" (as said quoted term is defined under SEQR) ; and (iii) no "environmental impact statement" (as said quoted term is defined under SEQR) need be prepared for this action. This determination constitutes a "negative declaration" (as said quoted term is defined under SEQR) for purposed of SEQR. The Agency's findings are incorporated in Part II of the EAF.

Section 2. Subject to the Company executing an Agent Agreement by and between the Agency and the Company and the delivery to the Agency of a binder, certificate or other evidence of liability insurance policy for the Project satisfactory to the Agency, the Agency hereby authorizes the Company to proceed with the acquisition, construction and equipping of the Project and hereby appoints the Company as the true and lawful agent of the Agency; (i) to acquire, construct and equip the Project; (ii) to make, execute, acknowledge and deliver any contracts, orders, receipts, writings and instructions, as the stated agent for the Agency with the authority to delegate such agency, in whole or in part, to agents, subagents, contractors, and subcontractors of such agents and subagents and to such other parties as the company chooses; and (iii) in general, to do all things which may be requisite or proper for completing the Project, all with the same powers and the same validity that the Agency could do if acting in its own behalf; provided, however, the Agent Agreement shall expire on the date as indicated in the Agent Agreement (*unless extended for good cause by the Chief Executive Officer of the Agency*).

Section 3. Pursuant to Section 875(3) of the New York General Municipal Law, the Agency may recover or recapture from the company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, any sales and use tax exemption benefits taken or purported to be taken by the company, its against, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, if it is determined that: (i) the Company, its agents, constants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, is not entitled to the sales and use tax exemption benefits; (ii) the sales and use tax exemption benefits are in excess of the amounts authorized to be taken by the purchases for the benefit of the Project; (iii) the sales and use tax exemption benefits are for property or services not authorized by the Agency as part of the Project; or (iv) the consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, fails to comply with a material term or condition to use property or services in the manner approved by the Agency in connection with the Project. As a condition

precedent of receiving sales and use tax exemption benefits, the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, must (i) cooperate with the Agency in its efforts to recover or recapture any sales and use tax exemption benefits, and (ii) promptly pay over any such amounts to the Agency that the Agency demands.

Section 4. The Agency hereby confers on the Company in connection with the Project certain benefits, exemptions and other financial assistance consisting of: (a) an exemption benefit from all New York State and local sales and use tax exemption benefits for purchases and rentals related to the Project with respect to the qualifying personal property included in or incorporated into the Facility or used in the acquisition, construction or equipping of the Facility, (b) an exemption benefit from mortgage recording tax, and (c) a partial abatement from real property taxes benefit conferred through a certain Payment in Lieu of Tax Agreement. The Agency will provide the Company with Project incentives totaling \$527,141.00, comprised of real property tax exemption benefits, in the estimated amount of \$409,661.00, sales and use tax exemption benefits of approximately \$100,680.00, and mortgage recording exemption benefits of \$16,800.00. To effectuate this Resolution, the Chairman, Vice Chairman and/or the Executive Director of the Agency are hereby authorized, on behalf of the Agency, to negotiate and execute (A) the Lease Agreement whereby the Company leases the Project to the Agency, (B) the related Leaseback Agreement conveying the Project back to the Company, and (C) the PILOT Agreement with real property tax exemption benefits; provided (i) the rental payments under the Leaseback Agreement include payments of all costs incurred by the Agency arising out of or related to the Project and indemnification of the Agency by the Company for actions taken by the Company and/or claims arising out of or related to the Project; and (ii) the terms of the PILOT Agreement are consistent with the Agency's Uniform Tax Exemption Policy or the procedures for deviation have been complied with.

Section 5. The officers, employees and agents of the Agency are hereby authorized and directed for and in the name and on behalf of the Agency to do all acts and things required and to execute and deliver all such certificates, instruments and documents, to pay all such fees, charges and expenses and to do all such further acts and things as may be necessary or, in the opinion of the officer, employee or agent acting, desirable and proper to effect the purposes of the foregoing resolutions and to cause compliance by the Agency with all of the terms, covenants and provisions of the documents executed for and on behalf of the Agency.

Section 6. These Resolutions shall take effect immediately upon adoption.

The question of the adoption of the foregoing Resolution was duly put to a vote on roll call, which resulted as follows:

### WITNESSETH:

WHEREAS, the Agency was created by Chapter 569 of the Laws of 1972 of the State of New York pursuant to Title 1 of Article 18-A of the General Municipal Law of the State of New York (collectively, the "Act") as a body corporate and politic and as a public benefit corporation of the State of New York; and

WHEREAS, the Company has submitted an application (the "Application") to the Agency requesting the Agency's assistance with respect to a certain project (the "Project") consisting of: (A) the acquisition (or retention) by the Agency of fee title to or other interest in a parcel of land located at 4870 Packard Road, Niagara Falls, New York, (the "Land"), together with the existing buildings located on the Land, (the "Existing Improvements"); (B) the construction of an approximate 32,000 square foot Clear Span building to be used as a treatment, storage, disposal and recycling facility, (the "Improvements"); (C) the acquisition and installation in and around the improvements of certain items of machinery, equipment and other tangible personal property (the "Equipment" and, collectively with the Land, and the Improvements, the "Facility").

WHEREAS, by Resolution adopted on July 1, 2020 (the "Resolution"), the Agency authorized the Company to act as its agent for the purposes of undertaking the Project subject to the Company entering into this Agent Agreement; and

WHEREAS, by its Resolution, the Agency has conferred on the Company in connection with the Project certain benefits, exemptions and other financial assistance consisting of: (a) an exemption benefit from all New York State and local sales and use tax exemption benefits for purchases and rentals related to the Project with respect to the qualifying personal property included in or incorporated into the Facility or used in the acquisition, construction or equipping of the Facility, (b) an exemption benefit from mortgage recording tax, and (c) a partial abatement from real property taxes benefit conferred through a certain Payment in Lieu of Tax Agreement, dated as of July 1, 2020 (the "PILOT Agreement") requiring the Company to make payments in lieu of taxes ("PILOT Payments") for the benefit of each municipality and school district having taxing jurisdiction over the Project, (collectively, the sales and use tax exemption benefit, the mortgage recording tax benefit, and the partial abatement from real property taxes benefit, are hereinafter collectively referred to as the "Financial Assistance"); and

WHEREAS, pursuant to and in accordance with Sections 859-a and 874 of the Act, the Agency requires, as a condition and as an inducement for it to provide any Financial Assistance, that the Company enter into this Agent Agreement for the purposes of, among other things, to govern administration of and provide assurances with respect to the provision and recapture of said Financial Assistance upon the terms herein set forth; and

WHEREAS, this Agreement sets forth the terms and conditions under which Financial Assistance shall be provided to the Company; and

WHEREAS, no agent status in favor of the Company or any subagent thereof, nor any amount of Financial Assistance shall be provided to the Company by the Agency prior to the effective date of this Agent Agreement.

NOW THEREFORE, in consideration of the covenants herein contained and other good and valuable consideration the receipt and sufficiency of which are hereby acknowledged, it is mutually agreed as follows:

1. Purpose of Project and Scope of Agency. The purpose of the Agency's provision of Financial Assistance with respect to the Project is to promote, develop, encourage and assist in the acquiring, constructing, reconstructing, improving, maintaining, equipping and furnishing of the Project facility to advance job opportunities, health, general prosperity and economic welfare of the people of the County of Niagara, and to specifically promote the investment commitment, employment commitment, and other commitments of the Company contained herein and within the Company's Application.

Pursuant to the Resolution, the Agency has appointed the Company as agent to undertake the Project, as defined herein and within the Resolution. The Company hereby agrees to limit its activities as agent for the Agency under the authority of the Resolution to acts reasonably related to the acquisition and installation of certain machinery, equipment and building materials, all for incorporation and installation thereof in and around the Facility. Pursuant to the Resolution and this Agent Agreement, the Company has the power to delegate such agency, in whole or in part, to agents, subagents, contractors, subcontractors, contractors and subcontractors of such agents and subagents and to such other parties as the Company chooses including but not limited to the individuals and entities described on Schedule A attached hereto (collectively, the "Subagent"). The Company shall have the right to amend Schedule A from time to time and shall be responsible for maintaining an accurate list of all parties acting as agent for the Agency. The Company's right to appoint subagents is expressly conditioned upon updating of Schedule A, hereto, along with the timely filing of Form ST-60 (non-primary) for each subagent, with such updated Schedule A and a copy of and proof of filing of such ST-60 (non-primary) being immediately filed with the Agency. The right of the Company and all duly appointed subagents to act as agent of the Agency shall expire on December 31, 2021, unless extended as contemplated by the Resolution. The aggregate amount of work performed by the Company and all subagents as agent for the Agency shall not exceed the amounts identified in Section 2(h)(i) of this Agreement.

All contracts entered into by the Company and all subagents thereof as agent for the Agency shall include the language contained within **Schedule B**, hereto. **Failure by the Company and/or any subagent thereof to include such language shall disqualify the agent status and sales tax exemptions derived by virtue of this Agent Agreement. The Company, for itself and on behalf of all duly appointed subagents, hereby agrees that all contracts entered into by the Company and any subagents thereof shall be available to the Agency for inspection and confirmation of the foregoing mandatory language.**

2. Representations and Covenants of the Company. The Company makes the following representations and covenants in order to induce the Agency to proceed with the Project/Facility:

(a) The Company is a corporation duly organized, validly existing and in good standing under the laws of the State of New York, has the authority to enter into this Agent Agreement, and has duly authorized the execution and delivery of this Agent Agreement.

(b) Neither the execution and delivery of this Agent Agreement, the consummation of the transactions contemplated hereby nor the fulfillment of or compliance with the provisions of this Agent Agreement will conflict with or result in a breach of any of the terms, conditions or provisions of any restriction or any agreement or instrument to which the Company is a party or by which it is bound, or will constitute a default under any of the foregoing, or result in the creation or imposition of any lien of any nature upon any of the property of the Company under the terms of any such instrument or agreement.

(c) The Facility and the operation thereof will conform with all applicable zoning, planning, and building laws and regulations of governmental authorities having jurisdiction over the Facility, and the Company shall defend, indemnify and hold the Agency harmless from any liability or expenses resulting from any failure by the Company to comply with the provisions of this subsection (c).

(d) There is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, public board or body pending or, to the knowledge of the Company, threatened against or affecting the Company, to which the Company is a party, and in which an adverse result would in any way diminish or adversely impact on the Company's ability to fulfill its obligations under this Agent Agreement.

(e) The Company covenants that the Facility will comply in all respects with all environmental laws and regulations, and, except in compliance with environmental laws and regulations, (i) that no pollutants, contaminants, solid wastes, or toxic or hazardous substances will be stored, treated, generated, disposed of, or allowed to exist on the Facility except in compliance with all material applicable laws, (ii) that the Company will take all reasonable and prudent steps to prevent an unlawful release of hazardous substances onto the Facility or onto any other property, (iii) that no asbestos will be incorporated into or disposed of on the Facility, with removal of any asbestos from the Facility in compliance with applicable laws being permitted; (iv) that no underground storage tanks will be located on the Facility, and (v) that no

investigation, order, agreement, notice, demand or settlement with respect to any of the above is threatened, anticipated, or in existence. The Company upon receiving any information or notice contrary to the representations contained in this Section shall immediately notify the Agency in writing with full details regarding the same. The Company hereby releases the Agency from liability with respect to, and agrees to defend, indemnify, and hold harmless the Agency, its executive director, directors, members, officers, employees, agents (except the Company), representatives, successors, and assigns from and against any and all claims, demands, damages, costs, orders, liabilities, penalties, and expenses (including reasonable attorneys' fees) related in any way to any violation of the covenants or failure to be accurate of the representations contained in this Section. In the event the Agency in its reasonable discretion deems it necessary to perform due diligence with respect to any of the above, or to have an environmental audit performed with respect to the Facility, the Company agrees to pay the expenses of same to the Agency upon demand.

(f) Any personal property acquired by the Company in the name of the Agency shall be located in the City of Niagara Falls, New York, except for temporary periods during ordinary use.

(g) In accordance with Section 875(3) of the New York General Municipal Law, the policies of the Agency, and the Resolution, the Company covenants and agrees that it may be subject to a Recapture Event Determination (as hereinafter defined) resulting in the potential recapture and/or termination of any and all Financial Assistance, as described below, if the Company receives, or any duly appointed subagents receives any Financial Assistance from the Agency, and it is determined by the Agency that:

(1) the Company or its Subagents, if any, authorized to make purchases for the benefit of the Project is not entitled to the sales and use tax exemption benefits; or

(2) the sales and use tax exemption benefits are in excess of the amounts authorized by the Agency to be taken by the Company or its Subagents, if any; or

(3) the sales and use tax exemption benefits are for property or services not authorized by the Agency as part of the Project; or

(4) the Company has made a material, false or misleading statement, or omitted any information which, if included, would have rendered any information in the application or supporting documentation false or misleading in any material respect, on its application for Financial Assistance; or

(5) the Company fails to meet and maintain the thresholds and requirements representing certain material terms and conditions, all as further defined below, being the purposes to be achieved by the Agency with respect to its determination to provide Financial Assistance to the Project and required by the Agency to be complied with and adhered to, as evidenced by submission, as so required by the Agency, of written confirmation certifying and confirming on an annual basis beginning in the first year in which Financial Assistance is so claimed, through the conclusion of the later of either: (i)

two (2) years following the construction completion date or (ii) the termination of this Agent Agreement or the PILOT Agreement) (said date hereinafter referred to as the "Project Completion Date" and the time period so referenced being hereinafter defined as the "Material Terms and Conditions Monitoring Period") confirming those items and conditions in respect to job creation and retention and capital investment.

In order to certify and verify the foregoing, the Company shall provide annually, to the Agency, a certified statement and documentation: i) enumerating the full time equivalent jobs retained and the full time equivalent jobs created as a result of the financial assistance, by category, including full time equivalent independent contractors or employees of independent contractors that work at the project location, (ii) indicating that the salary and fringe benefit averages or ranges for categories of jobs retained and jobs created that was provided in the application for Financial Assistance is still accurate and if it is not still accurate, providing a revised list of salary and fringe benefit averages or ranges for categories of jobs retained and jobs created, and (iii) such other information, as so requested from time to time, to enable the Agency to assess the progress of the Project toward achieving the investment, job retention, job creation, or other objectives of the Project indicated in the Application for Financial Assistance.

The Company shall annually complete and submit to the Agency the Annual Employment and Financial Assistance Certification Report in the form attached hereto as **Exhibit F**. In addition, Company shall complete and submit to the Agency upon the completion of construction the Final Project Cost and Financing Report in the form attached hereto as **Exhibit G**. **Failure by the Company to complete and submit said forms to the Agency by February 15 of each applicable year during the Material Terms and Conditions Monitoring Period shall constitute an Event of Default hereunder, whereby the Agency, in its sole and absolute discretion, may terminate this Agreement and/or the PILOT Agreement and undertake a Recapture Event Determination.**

The findings made by the Agency with respect to Section 2(g)(1), (2), (3) and/or (4) and/or failure to provide the written confirmation as required by Section 2(g)(5) with respect to the thresholds and requirements as identified in Section 2(g)(5), above, and/or failure to meet the thresholds and requirements as identified in Section 2(g)(5) above, may potentially be determined by the Agency, in accordance with the Agency's "Recapture Policy", to constitute a failure to comply with Section 875(3) of the New York General Municipal Law, and/or a failure to comply with a material term or condition to use property or services or Agency Financial Assistance in the manner approved by the Agency in connection with the Project, and/or a failure to comply with the Agency's policies and Resolution (collectively, findings and determinations made as described herein with respect to Section 2(g)(1), (2), (3) and/or (4) and/or the failure under Section 2(g)(5) to submit the required certification and/or the failure to meet the required thresholds and requirements as specified in Section 2(g)(5) are hereby defined as a "Recapture Event Determination"). If the Agency makes a Recapture Event Determination, the Company agrees and covenants that it will (i) cooperate with the Agency in its efforts to recover or recapture any or all Financial Assistance obtained by the Company and (ii) promptly pay over any or all such amounts to the Agency that the Agency demands in connection therewith. Upon receipt of such amounts, the Agency shall then redistribute such amounts to the appropriate affected tax jurisdiction(s). The Company further understands and agrees that in the event that

the Company fails to pay over such amounts to the Agency, the New York State Tax Commissioner and/or local taxing authorities may assess and determine the Financial Assistance due from the Company, together with any relevant penalties and interest due on such amounts.

(h) In accordance with the Resolution and the Cost-Benefit Analysis (the "CBA") prepared by the Agency for the Project, the Company further: (i) covenants that the purchase of goods and services relating to the Project and subject to New York State and local sales and use taxes are estimated in an amount up to \$1,258,500, and, therefore, the value of the sales and use tax exemption benefits authorized and approved by the Agency, subject to Section 2(g) of this Agent Agreement, cannot exceed \$100,680.00, and (ii) confirms that real property tax abatement benefits to be provided to the Company shall conform to those disclosed within the CBA for the Project and as contained within the PILOT Agreement, a copy of such CBA and PILOT Agreement are attached hereto as Exhibit D.

(i) The Company further covenants and agrees to complete "IDA Appointment of Project Operator or Agent For Sales Tax Purposes" (NYS Form ST-60), in the form attached hereto as Exhibit A, for each Subagent, if any, and such other parties as the Company chooses who provide materials, equipment, supplies or services and forward said form to the State Department of Taxation and Finance within thirty (30) days of appointment.

(j) The Company acknowledges and agrees that all purchases made in furtherance of the Project shall be made using "IDA Agent or Project Operator Exempt Purchase Certificate" (NYS Form ST-123, and NYS Form ST-120.1 copies of which are attached hereto as Exhibits B-1 and B-2 respectively, and it shall be the responsibility of the Company (and not the Agency) to complete NYS Form ST-123 and NYS Form ST-120.1. The Company acknowledges and agrees that it shall identify the Project on each bill and invoice for such purchases and further indicate on such bills or invoices that the Company is making purchases of tangible personal property or services for use in the Project as agent of the Agency. For purposes of indicating who the purchaser is, the Company acknowledges and agrees that the bill or invoice should state, "I, BUFFALO FUEL CORP., certify that I am a duly appointed agent of the NIAGARA COUNTY INDUSTRIAL DEVELOPMENT AGENCY and that I am purchasing the tangible personal property or services for use in the Buffalo Fuel Corp. Project located at 4870 Packard Road, in the City of Niagara Falls, New York 14304, IDA Project Number 2903-20-03". For convenience purposes, in the instance where the vendor does not print on each invoice the acknowledgment as described in the prior sentence, an "Invoice Rider" (a copy of which is attached hereto as Exhibit B-3) can be utilized for record keeping purposes.

(k) The Company further covenants and agrees to file an annual statement with the State Department of Taxation and Finance on "Annual Report of Sales and Use Tax Exemptions" (NYS Form ST-340, a copy of which is attached hereto as Exhibit C) regarding the value of sales and use tax exemptions the Company and its Subagents, if any, have claimed pursuant to the agency conferred on the Company with respect to the Project in accordance with General Municipal Law Section 874(8). The Company further covenants and agrees that it will, within thirty (30) days of each filing, provide a copy of same to the Agency; provided, however, in no event later than February 15<sup>th</sup> of each year. The Company understands and agrees that the failure

to file such annual statement will result in the removal of the Company's authority to act as agent for the Agency.

(l) The Company acknowledges and agrees that, except to the extent of bond proceeds (to the extent bonds are issued by the Agency with respect to the Project), the Agency shall not be liable, either directly or indirectly or contingently, upon any such contract, agreement, invoice, bill or purchase order in any manner and to any extent whatsoever (including payment or performance obligations), and the Company shall be the sole party liable thereunder.

(m) The Company covenants and agrees that at all times during the Material Terms and Conditions Monitoring Period, it will (i) maintain its existence and not dissolve, (ii) continue to be a limited liability company subject to service of process in the State and either organized under the laws of the State, or organized under the laws of any other state of the United States and duly qualified to do business in the State, (iii) not liquidate, wind-up or dissolve or otherwise sell, assign, or dispose of all or substantially all of its property, business or assets. This Agreement may not be assigned in whole or part without the prior written consent of the Agency

(n) The Company confirms and acknowledges under the penalty of perjury that as of the date hereof, the Company, as owner, occupant, or operator of the Project receiving Financial Assistance from the Agency in connection with the Project, is in substantial compliance with all applicable local, state and federal tax, worker protection and environmental laws, rules and regulations. The Company agrees that it will, throughout the term of this Agent Agreement, promptly comply in all material respects with all statutes, codes, laws, acts, ordinances, orders, judgments, decrees, injunctions, rules, regulations, permits, licenses, authorizations, directions and requirements of all federal, state, county, municipal and other governments, departments, commissions, boards, companies or associations insuring the premises, courts, authorities, officials and officers, foreseen or unforeseen, ordinary or extraordinary, which now or at any time hereafter may be applicable to the Facility or any part thereof, or to any use, manner of use or condition of the Facility or any part thereof. Notwithstanding the foregoing, the Company may in good faith contest the validity of the applicability of any requirement of the nature referred to this Section 2(n). In such event, the Company, with the prior written consent of the Agency (which shall not be unreasonably conditioned, delayed or withheld) may fail to comply with the requirement or requirements so contested during the period of such contest and any appeal therefrom unless the Agency shall notify the Company that it must comply with such requirement or requirements.

3. Hold Harmless Provision. The Company hereby releases the Agency from, agrees that the Agency shall not be liable for, and agrees to indemnify, defend and hold the Agency and its executive director, directors, members, officers, employees, agents (except the Company), representatives, successors and assigns harmless from and against, any and all (i) liability for loss or damage to property or injury to or death of any and all persons that may be occasioned by any cause whatsoever pertaining to the Facility or arising by reason of or in connection with the occupation or the use thereof or the presence on, in or about the Facility or breach by the Company of this Agent Agreement or (ii) liability arising from or expense incurred by the Agency's financing, acquiring, constructing, rehabilitating, renovating, equipping, owning

and leasing of the Equipment or of the Facility, including without limiting the generality of the foregoing, all causes of action and reasonable attorneys' fees and any other expenses incurred in defending any suits or actions which may arise as a result of any of the foregoing. The foregoing indemnities shall apply notwithstanding the fault or negligence on the part of the Agency, or any of its respective executive director, directors, members, officers, agents or employees and irrespective of the breach of a statutory obligation or the application of any rule of comparative or apportioned liability, except that such indemnities will not be applicable with respect to willful misconduct or gross negligence on the part of the Agency or any other person or entity to be indemnified.

4. Insurance Required. At all times throughout the term of the Leaseback Agreement, including without limitation during any period of construction of the Facility, the Company shall maintain or cause to be maintained insurance against such risks and for such amounts as are customarily insured against by businesses of like size and type paying, as the same become due and payable, all premiums in respect thereto, including, but not necessarily limited to:

## Instructions

### When to file

An IDA must file this form within 30 days of the date they appoint any project operator or other person as agent of the IDA, for purposes of extending any sales and use tax exemptions.

### Requirements to file

The IDA must file a separate form for each person it appoints as agent, whether directly or indirectly, and regardless of whether the person is the primary project operator or agent. If the IDA authorizes a project operator or agent to appoint other persons as agent of the IDA, the operator or agent making such an appointment must advise the IDA that it has done so, so that the IDA can file a form within 30 days of the date of the new agent's appointment. The IDA should not file this form for a person hired to work on an IDA project if that person is not appointed as agent of the IDA. The IDA should not file this form if they do not extend any sales or use tax exemption benefits for the project.

If an IDA modifies a project, such as by extending it beyond its original completion date, or by increasing or decreasing the amount of sales and use tax exemption benefits authorized for the project, they must, within 30 days of the change, file a new form with the new information.

### If the information on this form changes

If an IDA amends, revokes, or cancels the appointment of an agent, or if an agent's appointment becomes invalid for any reason, the IDA, within 30 days, must send a letter to the address below for filing this form, indicating that the appointment has been amended, revoked, or cancelled, or is no longer valid, and the effective date of the change. They must attach to the letter a copy of the form it originally filed. The IDA should not send a letter for a form that is not valid merely because the *Completion date of project* has passed.

**Misuse of this certificate**

Misuse of this exemption certificate may subject you to serious civil and criminal sanctions in addition to the payment of any tax and interest due. These include:

- a penalty equal to 100% of the tax due;
- a \$50 penalty for each fraudulent exemption certificate issued;
- criminal felony prosecution, punishable by a substantial fine and a possible jail sentence; and
- revocation of your *Certificate of Authority*, if you are required to be registered as a vendor. See TSB-M-09(17)S, *Amendments that Encourage Compliance with the Tax Law*

and Enhance the Tax Department's Enforcement Ability, for more information.

**To the seller**

When making purchases that qualify for exemption from sales and use tax, the contractor must provide you with this exemption certificate with all entries completed to establish the right to the exemption.

As a New York State registered vendor, you may accept an exemption certificate in lieu of collecting tax and be protected from liability for the tax if the certificate is valid. The certificate will be considered valid if it is:

- accepted in good faith;
- in your possession within 90 days of the transaction; and
- properly completed (all required entries were made).

An exemption certificate is accepted in good faith when you have no knowledge that the exemption certificate is false or is fraudulently given, and you exercise reasonable ordinary due care. If you do not receive a properly completed certificate within 90 days after the delivery of the property or service, you will share with the purchaser the burden of proving the sale was exempt.

Failure to collect sales or use tax, as a result of accepting an improperly completed exemption certificate or receiving the certificate more than 90 days after the sale, will make you personally liable for the tax plus any penalty and interest charges due.

You must maintain a method of associating an invoice (or other source document) for an exempt sale with the exemption certificate you have on file from the purchaser. You must also keep this certificate at least three years after the due date of your sales tax return to which it relates, or the date the return was filed, if later.

**Caution:** You will be subject to additional penalties if you sell tangible personal property or services subject to tax, or purchase or sell tangible personal property for resale, without possessing a valid *Certificate of Authority*. In addition to the criminal penalties imposed under the New York State Tax Law, you will be subject to a penalty of up to \$500 for the first day on which such a sale or purchase is made; plus up to \$200 for each subsequent day on which such a sale or purchase is made, up to the maximum allowed.

## Instructions

### To the purchaser

You may use Form ST-123 if you:

- have been appointed as an agent or project operator by an industrial development agency (IDA) and
- the purchases qualify for exemption from sales and use tax as described in the IDA contract.

You may use Form ST-123 as a single-purchase certificate or as a blanket certificate covering the first and subsequent purchases qualifying for the project listed.

**Agent or project operator sales tax ID number** — If you are registered with the Tax Department for sales tax purposes, you must enter your sales tax identification number on this certificate. If you are not required to be registered, enter *N/A*.

*Industrial development agencies and authorities (IDAs)* are public benefit corporations under General Municipal Law Article 18-A and the Public Authorities Law, for the purpose of promoting, developing, encouraging, and assisting in the acquisition, construction, reconstruction, improvement, maintenance, equipping, and furnishing of industrial, manufacturing, warehousing, commercial, research, and recreational facilities in New York State.

IDAs are exempt from the payment of sales and use tax on their purchases, in accordance with Tax Law section 1116(a)(1). However, IDAs do not normally make direct purchases for projects. Commonly, IDAs instead appoint a business enterprise or developer, contractor, or subcontractor as its agent or project operator. Such purchases made by the agent or project operator, acting within the authority granted by the IDA, are deemed to be made by the IDA and therefore exempt from tax.

*Example 1: IDA agreement with its agent or project operator states that contractor X may make all purchases of materials and equipment necessary for completion of the project, as agent for the IDA. Contractor X rents a backhoe and a bulldozer for site preparation, purchases concrete and lumber to construct a building, and purchases machinery to be installed in the building. All these purchases by contractor X as agent of the IDA are exempt from tax.*

*Example 2: IDA agreement with its agent or project operator states that contractor X may make all purchases of materials and equipment to be incorporated into the project, as agent for the IDA. Contractor X makes the same purchases as in Example 1. Since the concrete, lumber, and machinery will actually be incorporated into the project, contractor X may purchase these items exempt from tax. However, rental of the backhoe and bulldozer is not exempt since these transactions are normally taxable and the IDA agreement does not authorize contractor X to make such rentals as agent of the IDA.*

A contractor or subcontractor not appointed as agent or project operator of an IDA must present suppliers with Form ST-120.1, *Contractor Exempt Purchase Certificate*, when making purchases that are ordinarily exempt from tax in accordance with Tax Law sections 1115(a)(15) and 1115(a)(16). For more information, see Form ST-120.1.

### Exempt purchases

To qualify, the purchases must be made within the authority granted by the IDA and used to complete the project (not to operate the completed project).

- Mark box A to indicate you are purchasing tangible personal property and services (other than utility services and motor vehicles or tangible personal property installed in a qualifying motor vehicle) exempt from tax.
- Mark box B to indicate you are purchasing certain consumer utility services used in completing the project exempt from tax. This includes gas, electricity, refrigeration, and steam; and gas, electric, refrigeration, and steam services.
- Mark box C to indicate you are purchasing a motor vehicle or tangible personal property related to a qualifying motor vehicle exempt from tax.

### Misuse of this certificate

Misuse of this exemption certificate may subject you to serious civil and criminal sanctions in addition to the payment of any tax and interest due. These include:

- A penalty equal to 100% of the tax due;
- A \$50 penalty for each fraudulent exemption certificate issued;
- Criminal felony prosecution, punishable by a substantial fine and a possible jail sentence; and
- Revocation of your *Certificate of Authority*, if you are required to be registered as a vendor. See TSB-M-09(17)S, *Amendments that Encourage Compliance with the Tax Law and Enhance the Tax Department's Enforcement Ability*, for more information.

### To the seller

When making purchases as agent or project operator of an IDA, the purchaser must provide you with this exemption certificate with all entries completed to establish the right to the exemption. You must identify the project on each bill and invoice for such purchases and indicate on the bill or invoice that the IDA or agent or project operator of the IDA was the purchaser.

As a New York State registered vendor, you may accept an exemption certificate in lieu of collecting tax and be protected from liability for the tax if the certificate is valid. The certificate will be considered valid if it is:

- accepted in good faith;
- in your possession within 90 days of the transaction; and
- properly completed (all required entries were made).

An exemption certificate is accepted in good faith when you have no knowledge that the exemption certificate is false or is fraudulently given, and you exercise reasonable ordinary due care. If you do not receive a properly completed certificate within 90 days after the delivery of the property or service, you will share with the purchaser the burden of proving the sale was exempt.

You must also maintain a method of associating an invoice (or other source document) for an exempt sale with the exemption certificate you have on file from the purchaser. You must keep this certificate at least three years after the due date of your sales tax return to which it relates, or the date the return was filed, if later.

## General information

### Who must file

The General Municipal Law (GML) and the Public Authorities Law require the agent/project operator (also known as the *project occupant*) of an Industrial Development Agency or Authority (IDA) to file an annual report with the Tax Department. The agent/project operator required to file this report is the person directly appointed by the IDA to act for and to represent the IDA for the project. The agent/project operator is ordinarily the one for whom the IDA project was created.

There is usually only one agent/project operator directly appointed by the IDA for an IDA project. However, if the IDA directly appoints multiple agents/project operators, each agent/project operator must file this form (unless they are related corporations).

Only the agent/project operators directly appointed by the IDA must file Form ST-340. Contractors, subcontractors, consultants, or agents appointed by the agent/project operators should **not** themselves file Form ST-340. However, the agent/project operators must include on Form ST-340 information obtained from such contractors, subcontractors, consultants, and agents, as described below.

### What you must report

The report must show the **total value** of all state and local sales and use taxes exempted during the calendar year, as a result of the project's designation as an IDA project. This includes:

- the value of the exemptions the agent/project operator (you) obtained; and
- the value of the exemptions obtained by your contractors, subcontractors, consultants, and others, whether or not appointed as agents of the IDA.

Include only the **total combined** exemptions obtained by the above people. A breakdown of the total is not required. However, since the report must include the value of the exemptions they obtained, you must keep records of the amounts others report to you.

You must make it clear to the contractors, subcontractors, consultants, and others that they must keep accurate tax information and have it available, so that you can comply with the annual reporting requirements.

Do not include on this report the amount of any sales and use tax exemptions from other provisions of the Tax Law (for example, manufacturer's production equipment exemption, research and development exemption, or contractor's exemption for tangible personal property incorporated into a project of an exempt organization).

### When the report is due

You must file Form ST-340 on a calendar-year basis. It is due by the last day of February of the following year. The reporting requirement applies to IDA projects started on or after July 21, 1993.

### Project information

At the top of the form, identify the reporting period by entering the year in the space provided. If an address is required, always include the ZIP code.

**Name of IDA agent/project operator:** Enter your name, address, employer identification number (EIN), and telephone number.

**Name of IDA and IDA project number:** Enter the name and address of the IDA. If more than one IDA is involved in a particular project, you must file a separate report for the tax exemptions attributable to each IDA. Also enter the ID project number.

**Name of project:** Enter the name of the project and the address of the project site. If you are involved in more than one project, you

must file a separate report for each project, even if authorized by the same IDA.

**Date project began:** Enter the date the project started (this means the earliest of the date of any bond or inducement resolution, the execution of any lease, or any bond issuance). Include month, day, and year.

**Completion date of project:** Enter the date installation, lease, or rental of property (for example, machinery or computers) on the project ended, or the date the project is expected to be completed. Mark an X in the appropriate box to indicate if the date entered is actual or expected.

**Total sales and use tax exemptions:** Enter the total amount of New York State and local sales and use taxes exempted during the reporting period as a result of the project's receipt of IDA financial assistance (if none, enter 0). This includes exemptions obtained at the time of purchase, as well as through a refund or credit of tax paid. Include the sales and use taxes exempted on purchases of property or services incorporated into or used on the exempt project. This includes the taxes exempted on purchases made by or on behalf of the agent/project operator, the general contractor for the project, and any subcontractors, consultants, or others. Do not enter total purchases.

## Representative information

If applicable, enter the name, address, title (for example, attorney or accountant), and telephone number of the individual you authorize to submit this report. This section is not required.

## Certification

Enter the name and title of the person signing on your behalf (for example, the IDA agent/project operator's officer, employee, or other authorized representative). Your officer, employee, or authorized representative must sign and date the report.

## PAYMENT-IN-LIEU-OF-TAX AGREEMENT

THIS PAYMENT-IN-LIEU-OF-TAX AGREEMENT (the "PILOT Agreement"), dated as of the 1<sup>st</sup> day of August, 2020, is by and between the **NIAGARA COUNTY INDUSTRIAL DEVELOPMENT AGENCY**, a public benefit corporation duly existing under the laws of the State of New York with its offices at 6311 Inducon Corporate Drive, Suite 1, Sanborn, New York 14132 (the "Agency") and **BUFFALO FUEL CORP.** a corporation formed and existing under the laws of the State of New York, with offices located at 4870 Packard Road, Niagara Falls, New York 14304 (the "Company").

### WITNESSETH:

WHEREAS, the Agency was created by Chapter 569 of the Laws of 1972 of the State of New York pursuant to Title I of Article 18-A of the General Municipal Law of the State of New York (collectively, the "Act") as a body corporate and politic and as a public benefit corporation of the State of New York; and

WHEREAS, the Company has requested the Agency's assistance with a certain project (the "Project") consisting of: (A) the acquisition (or retention) by the Agency of fee title to or other interest in a parcel of land located at 4870 Packard Road in the City of Niagara Falls, Niagara County, New York (the "Land"), together with the existing buildings located on the Land, (the "Existing Improvements"); (B) the construction of an approximate 32,000 square foot Clear Span building to be used as a treatment, storage, disposal and recycling facility, (the "Improvements"); (C) the acquisition and installation in and around the improvements of certain items of machinery, equipment and other tangible personal property (the "Equipment" and, collectively with the Land, and the Improvements, the "Facility"); and

WHEREAS, order to induce the Company to acquire, construct and equip the Facility, the Agency is willing to take a leasehold interest in the land, improvements and personal property constituting the Facility and lease said land, improvements and personal property back to the Company pursuant to the terms and conditions of a certain Leaseback Agreement, dated on or about the date hereof (the "Leaseback Agreement"); and

WHEREAS, pursuant to Section 874(1) of the Act, the Agency is exempt from the payment of taxes imposed upon real property and improvements owned by it or under its jurisdiction, control or supervision, other than special ad valorem levies, special assessments and service charges against real property which are or may be imposed for special improvements or special district improvements; and

WHEREAS, the Agency and the Company deem it necessary and proper to enter into an agreement making provisions for payments-in-lieu-of-taxes by the Company to the Agency for the benefit of Niagara County (the "County"), the City of Niagara Falls (the "City"), the Niagara Falls School District (the "School District" and, collectively with the County and City, the "Affected Tax Jurisdictions").

NOW, THEREFORE, in consideration of the covenants herein contained, and other good and valuable consideration the receipt and sufficiency of which are hereby acknowledged, it is mutually agreed as follows:

Section I - Payment in lieu of Ad Valorem Taxes:

Section 1.1 A. Subject to the completion and filing by the taxable status date (**March 1, 2021**) (the "Taxable Status Date") of New York State Form RP-412-a Application For Real Property Tax Exemption (the "Exemption Application") under Section 412-a of the New York State Real Property Tax Law and Section 874 of the Act and the approval of the Exemption Application by the appropriate assessors or Board of Assessment Review, the Facility shall be exempt from Real Estate Taxes for the periods set forth in Section 1.3 hereof. For purposes of the foregoing "Real Estate Taxes" means all general levy real estate taxes levied against the Facility by the Town, County and School. The Company shall provide to the Agency with the information necessary for the completion and filing of the Exemption Application and shall provide such additional information and take such actions as are required by the appropriate assessors or Board of Assessment Review to process and approve the Exemption Application. Notwithstanding anything contained herein or in the Leaseback Agreement to the contrary, in the event the exemption from Real Estate Taxes is denied for any reason, the Company shall pay (and hereby agrees to pay) all Real Estate Taxes levied upon the Facility as they become due. After giving written notice to the Agency, the Company may in good faith contest the denial of the Exemption Application, provided that (i) the overall operating efficiency of the Facility is not impaired and the Facility continues to qualify as a "project" under the Act; (ii) neither the Facility nor any part of or interest in it would be in any danger of being sold, forfeited or lost; or (iii) neither the Company nor the Agency, as a result of such contest, shall be in any danger of any civil or criminal liability. The Company hereby waives any claim or cause of action against the Agency, and releases the Agency from any liability to the Company, arising from the denial of an exemption from Real Estate Taxes except to the extent that such denial results solely from the failure of the Agency to file the Exemption Application with the appropriate assessors or Board of Assessment Review by the Taxable Status Date.

B. Payee. As long as the Agency has fee title to or leasehold or other interest in the Facility, the Company agrees to pay annually to the Affected Tax Jurisdictions as a payment-in-lieu-of-taxes, on or before October 1 of each calendar year for School taxes and on or before January 1 of each calendar year for County and City taxes (collectively, the "Payment Date"), commencing on October 1, 2021 and January 1, 2022, respectively, an amount equal to the PILOT Payment, as described on Schedule A attached hereto.

The parties agree and acknowledge that payments made hereunder are to obtain revenues for public purposes, and to provide a revenue source that the Affected Tax Jurisdictions would otherwise lose because the subject parcels are not on the tax rolls.

1.2 Allocation. To the extent the Agency receives any PILOT Payment, the Agency shall remit to the Affected Tax Jurisdictions amounts received hereunder within thirty (30) days of receipt of said payment and shall allocate said payments among the Affected Tax Jurisdictions in the same proportion as ad valorem taxes would have been allocated but for the Agency's involvement, unless the Affected Tax Jurisdictions have consented in writing to a specific allocation.

1.3 Tax Rates. For purposes of determining the allocation of the Total PILOT Payment among the Affected Tax Jurisdictions, the Agency shall use the last tax rate utilized for levy of taxes by each such jurisdiction. For County, Town and special district purposes, the tax rates used to determine the allocation of the Total PILOT Payment shall be the tax rates relating to the calendar year which includes the PILOT payment due date. For school district purposes, the tax rates used to determine the PILOT payment shall be the rate relating to the school year which includes the PILOT payment due date.

1.4 Valuation of Future Additions to the Facility: If there shall be a future addition to the Facility constructed or added in any manner after the date of this PILOT Agreement, other than the Project, the Company shall notify the Agency of such future addition ("Future Addition"). The notice to the Agency shall contain a copy of the application for a building permit, plans and specifications, and any other relevant information that the Agency may thereafter request. Upon the earlier of substantial completion, or the issuance of a certificate of occupancy for any such Future Addition to the Facility, the Company shall become liable for payment of an increase in the Total PILOT Payment. The Agency shall notify the Company of any proposed increase in the Total PILOT Payment related to such Future Addition. If the Company shall disagree with the determination of assessed value for any Future Additions made by the Agency, then and in that event that valuation shall be fixed by a court of competent jurisdiction. Notwithstanding any disagreement between the Company and the Agency, the Company shall pay the increased PILOT payment until a different Total PILOT Payment shall be established. If a lesser Total Annual Payment is determined in any proceeding or by subsequent agreement of the parties, the Total PILOT Payment shall be re-computed and any excess payment shall be refunded to the Company or, in the Agency's sole discretion, such excess payment shall be applied as a credit against the next succeeding PILOT payment(s).

1.5 Period of Benefits. The tax benefits provided for herein should be deemed to include (i) the 2021/2022 School tax year through the 2035/2036 School tax year, and (ii) the 2022 County and City tax year through the 2036 County and City tax year. This PILOT Agreement shall expire on **December 31, 2036**; provided, however, the Company shall pay the 2036/2037 School tax bills and the 2037 County and City tax bills on the dates and in the amounts as if the Agency were not in title on the tax status date with respect to said tax years. In no event shall the Company be entitled to receive tax benefits relative to the Facility for more than the periods provided for herein, unless the period is extended by amendment to this PILOT Agreement executed by both parties after any applicable public hearings. The Company agrees

that it will not seek any tax exemption for the Facility which could provide benefits for more than the periods provided for herein and specifically agrees that the exemptions provided for herein, to the extent actually received (based on the number of lease years elapsed), supersede and are in substitution of the exemptions provided by Section 485-b of the New York Real Property Tax Law ("RPTL"). It is hereby agreed and understood that the Affected Tax Jurisdictions can rely upon and enforce the above waiver to the same extent as if they were signatories hereto.

## Section II - Special Assessments and Service Charges.

2.1 Special district charges, special assessments, and special ad valorem levies (specifically including but not limited to fire district charges), and pure water charges and sewer charges are to be paid in full in accordance with normal billing practices.

## Section III - Transfer of Facility.

3.1 In the event that the Facility is transferred from the Agency to the Company (the lease/leaseback agreements are terminated), and the Company is ineligible for a continued tax exemption under some other tax incentive program, or the exemption results in a payment to the Affected Tax Jurisdictions in excess of the payment described in Section I herein, or this PILOT Agreement terminates and the property is not timely transferred back to the Company, the Company agrees to pay no later than the next tax lien date (plus any applicable grace period), to each of the Affected Tax Jurisdictions, an amount equal to the taxes and assessments which would have been levied on the Facility if the Facility had been classified as fully taxable as of the date of transfer or loss of eligibility of all or a portion of the exemption described herein or date of termination.

## Section IV - Assessment Challenges.

4.1 The Company shall have all of the rights and remedies of a taxpayer as if and to the same extent as if the Company were the owner of the Facility, with respect to any proposed assessment or change in assessment with respect to the Facility by any of the Affected Tax Jurisdictions and likewise shall be entitled to protest before and be heard by the appropriate assessors or Board of Assessment Review, and shall be entitled to take any and all appropriate appeals or initiate any proceedings to review the validity or amount of any assessment or the validity or amount of any tax equivalent provided for herein.

4.2 The Company shall have all of the rights and remedies of a taxpayer with respect to any tax, service charge, special benefit, ad valorem levy, assessment, or special assessment or service charge in lieu of which the Company is obligated to make a payment pursuant to this PILOT Agreement, as if and to the same extent as if the Company were the owner of the Facility.

4.3 The Company shall (i) cause the appropriate real estate tax assessment office and tax levy officers to assess the Facility and apply tax rates to the respective assessments as if the Facility were owned by the Company, (ii) file any accounts or tax returns required by the appropriate real estate tax assessment office and tax levy officers.

## Section V - Changes in Law.

5.1 To the extent the Facility is declared to be subject to taxation or assessment by an amendment to the Act, other legislative change, or by final judgment of a Court of competent jurisdiction, the obligations of the Company hereunder shall, to such extent, be null and void.

## Section VI - Events of Default and Remedies.

6.1 The following shall constitute "Events of Default" hereunder. With respect to all other payments due hereunder, if said payment is not paid within any applicable cure period, Company shall pay, in addition to said payment, the greater of the applicable penalties and interest or penalties and interest which would have been incurred had payments made hereunder been tax payments to the Affected Tax Jurisdictions.
