**Resolution No. 8.2.1**

RESOLUTION OF THE NIAGARA COUNTY INDUSTRIAL DEVELOPMENT AGENCY (i) ACCEPTING THE APPLICATION OF RUBBERFORM RECYCLED PRODUCTS, LLC WITH RESPECT TO A CERTAIN PROJECT (AS MORE FULLY DEFINED BELOW) TO BE UNDERTAKEN BY THE AGENCY FOR THE BENEFIT OF RUBBERFORM RECYCLED PRODUCTS, LLC OR AN ENTITY FORMED OR TO BE FORMED; (ii) AUTHORIZING A PUBLIC HEARING WITH RESPECT TO THE PROJECT; (iii) AUTHORIZING THE EXECUTIVE DIRECTOR OF THE AGENCY TO TAKE CERTAIN ACTIONS UNDER ARTICLE 8 OF THE ENVIRONMENTAL CONSERVATION LAW IN CONNECTION WITH THE PROJECT; (iv) DESCRIBING THE FORMS OF FINANCIAL ASSISTANCE BEING CONTEMPLATED BY THE AGENCY.

WHEREAS, by Title 1 of Article 18-A of the General Municipal Law of the State of New York, as amended, and Chapter 569 of the Laws of 1972 of the State of New York (the "Act"), **NIAGARA COUNTY INDUSTRIAL DEVELOPMENT AGENCY** (the "Agency") was created with the authority and power to own, lease and sell property and to issue its bonds as authorized by the Act; and

WHEREAS, **RUBBERFORM RECYCLED PRODUCTS, LLC** and/or an individual(s) or affiliate, subsidiary, or entity or entities formed or to be formed on its behalf (the "Company"), has submitted an application to the Agency, a copy of which is on file at the office of the Agency, requesting that the Agency consider undertaking a project (the "Project") consisting of: (A) the acquisition or retention by the Agency of a leasehold interest in, a parcel of land located at 75 Michigan Street in the City of Lockport, Niagara County, New York (the "Land"); (B) together with the approximately 54,000 sq. foot building located on the Land (the "Existing Improvements"); (C) the renovation of the Existing Improvements to include upgrades to include, upgrading the entire warehouse and offices while building out additional offices, and install roof-top solar or wind technology. ("Improvements"); and (D) the acquisition and installation in and around the Improvements of certain items of machinery, equipment and other tangible personal property (the "Equipment" and collectively with the Land and the Improvements, the "Facility").

WHEREAS, pursuant to Article 18-A of the General Municipal Law the Agency desires to adopt a resolution describing the Project and the financial assistance that the Agency is contemplating with respect to the Project; and

WHEREAS, it is contemplated that the Agency will hold public hearings and (i) negotiate an agent agreement (the "Agent Agreement") whereby the Agency will designate the Company as its agent for the purpose of acquiring, constructing and equipping the Project, (ii) negotiate a lease agreement (the "Lease Agreement"), leaseback agreement (the "Leaseback

Agreement"), payment-in-lieu-of-tax agreement (the "PILOT Agreement") and payment-in-lieu of tax mortgage (the "PILOT Mortgage") with the Company, (iii) take or retain fee title to, leasehold or other interest in the Land, Existing Improvements, Equipment and personal property constituting the Facility (once the Lease Agreement, Leaseback Agreement, PILOT Agreement and PILOT Mortgage have been negotiated), and (iv) provide financial assistance to the Company in the form of sales and use tax exemptions related to the Project, consistent with the policies of the Agency, a partial real property tax abatement and a mortgage recording tax exemption with respect to a certain payment-in-lieu-of-tax mortgage; and

WHEREAS, the Agency has scheduled public hearings and provided notice of the public hearings pursuant to Section 850-a of the Act; and

WHEREAS, the Agency must determine whether the undertaking of the Project and the providing of the contemplated financial assistance with respect to the same will be in conformance with Article 8 of the Environmental Conservation Law and the regulations adopted pursuant thereto by the Department of Environmental Conservation of the State of New York (said law and regulations hereinafter collectively referred to as "SEQR").

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE AGENCY AS FOLLOWS:

Section 1. The Company has presented an application in a form acceptable to the Agency. Based upon the representations made by the Company to the Agency in the Company's application, the Agency hereby finds and determines that:

(A) By virtue of the Act, the Agency has been vested with all powers necessary and convenient to carry out and effectuate the purposes and provisions of the Act and to exercise all powers granted to it under the Act; and

(B) The Agency has the authority to take the actions contemplated herein under the Act; and

(C) The action to be taken by the Agency will induce the Company to develop the Project, thereby increasing employment opportunities in Niagara County and otherwise furthering the purposes of the Agency as set forth in the Act; and

(D) The Project will not result in the removal of a civic, commercial, industrial, or manufacturing plant of the Company or any other proposed occupant of the Project from one area of the State of New York (the "State") to another area of the State or result in the abandonment of one or more plants or facilities of the Company or any other proposed occupant of the Project located within the State; and the Agency hereby finds that, based on the Company's application, to the extent occupants are relocating from one plant or facility to another, the Project is reasonably necessary to discourage the Project occupants from removing such other plant or facility to a location outside the State and/or is reasonably necessary to preserve the competitive position of the Project occupants in their respective industries.

Section 2. For purposes of investigating the advisability of undertaking a coordinated review under SEQR with respect to the Project and determining whether the Project may have a "significant effect on the environment" (as such term is defined under SEQR), the Executive Director of the Agency is hereby authorized and directed to take the following actions:

(A) To obtain an Environmental Assessment Form (the "EAF") with respect to the Project from the Company; and

(B) To review the EAF with counsel to the Agency and prepare proceedings to allow the Agency to comply with SEQR; and

(C) To contact all other "involved agencies" with respect to the Project for the purposes of ascertaining whether they are interested in undertaking a coordinated review with respect to the Project; and

(D) Upon completion of the foregoing, to report to the Agency at its next meeting on the status of the environmental review process with respect to the Project.

Section 3. Based upon the representations and warranties made by the Company in its application for financial assistance, the Agency will consider approving the Company, as its agent, to make purchases of goods and services relating to the Project and that would otherwise be subject to New York State and local sales and use tax in an amount up to \$1,300,000.00, which result in New York State and local sales and use tax exemption benefits ("sales and use tax exemption benefits") not to exceed \$104,000.00. The Agency agrees to consider any requests by the Company for increase to the amount of sales and use tax exemption benefits authorized by the Agency upon being provided with appropriate documentation detailing the additional purchases of property or services.

Pursuant to Section 875(3) of the New York General Municipal Law, the Agency may recover or recapture from the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, any sales and use tax exemption benefits taken or purported to be taken by the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, if it is determined that: (i) the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, is not entitled to the sales and use tax exemption benefits; (ii) the sales and use tax exemption benefits are in excess of the amounts authorized to be taken by the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project; (iii) the sales and use tax exemption benefits are for property or services not authorized by the Agency as part of the Project; or (iv) the sales and use tax exemption benefits are taken in cases where the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of

the Project, fails to comply with a material term or condition to use property or services in the manner approved by the Agency in connection with the Project. As a condition precedent of receiving sales and use tax exemption benefits, the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, must (i) cooperate with the Agency in its efforts to recover or recapture any sales and use tax exemption benefits, and (ii) promptly pay over any such amounts to the Agency that the Agency demands.

Section 4. The Chairperson, Vice Chairperson and/or the Executive Director of the Agency are hereby authorized, on behalf of the Agency, to hold public hearings in compliance with the Act and negotiate (but not execute or deliver) the terms of (A) an Agent Agreement, whereby the Agency appoints the Company as its agent to undertake the Project and to immediately provide sales tax exemption benefits for purchases and rentals related to the renovation, construction and equipping of the project, (B) a Lease Agreement, whereby the Company leases the Facility to the Agency, (C) a related Leaseback Agreement, conveying the Facility back to the Company, (D) a PILOT Agreement, whereby the Company agrees to make certain payments-in-lieu-of real property taxes, (E) a PILOT Mortgage, securing the payment of the amounts due under the PILOT Agreement and (F) related documents; *provided*, (i) the rental payments under the Leaseback Agreement include payments of all costs incurred by the Agency arising out of or related to the Project and indemnification of the Agency by the Company for actions taken by the Company and/or claims arising out of or related to the Project; and (ii) the terms of the PILOT Agreement are consistent with the Agency's Uniform Tax Exemption Policy or the procedures for deviation have been complied with.

Section 5. The Agency is hereby authorized to conduct public hearings in compliance with the Act.

Section 6. The officers, employees and agents of the Agency are hereby authorized and directed for and in the name and on behalf of the Agency to do all acts and things required and to execute and deliver all such certificates, instruments and documents, to pay all such fees, charges and expenses and to do all such further acts and things as may be necessary or, in the opinion of the officer, employee or agent acting, desirable and proper to effect the purposes of the foregoing resolutions and to cause compliance by the Agency with all of the terms, covenants and provisions of the documents executed for and on behalf of the Agency.

Section 7. These Resolutions shall take effect immediately upon adoption.

The question of the adoption of the foregoing Resolution was duly put to a vote on roll call, which resulted as follows:

Resolution No. 7.2.1

RESOLUTION OF THE NIAGARA COUNTY INDUSTRIAL DEVELOPMENT AGENCY (i) UNDERTAKE A CERTAIN PROJECT FOR THE BENEFIT OF RUBBERFORM RECYCLED PRODUCTS, LLC AND/OR AN INDIVIDUAL(S) OR AFFILIATE, SUBSIDIARY, OR ENTITY FORMED OR TO BE FORMED ON ITS BEHALF (AS MORE FULLY DEFINED BELOW); (ii) DETERMINE THAT THE PROJECT WILL NOT HAVE A SIGNIFICANT EFFECT ON THE ENVIRONMENT; (iii) NEGOTIATE AND EXECUTE A LEASE AGREEMENT, LEASEBACK AGREEMENT, PAYMENT-IN-LIEU-OF-TAX AGREEMENT, PILOT MORTGAGE AND RELATED DOCUMENTS; AND (iv) PROVIDE FINANCIAL ASSISTANCE TO THE COMPANY IN THE FORM OF (A) A SALES TAX EXEMPTION FOR PURCHASES AND RENTALS RELATED TO THE ACQUISITION, CONSTRUCTION AND EQUIPPING OF THE PROJECT, (B) A MORTGAGE RECORDING TAX EXEMPTION FOR THE FINANCING RELATED TO THE PROJECT; AND (C) A MORTGAGE RECORDING TAX EXEMPTION FOR THE MORTGAGE RELATED TO THE PILOT AGREEMENT.

WHEREAS, by Title 1 of Article 18-A of the General Municipal Law of the State of New York, as amended, and Chapter 569 of the Laws of 1972 of the State of New York (the "Act"), **NIAGARA COUNTY INDUSTRIAL DEVELOPMENT AGENCY** (the "Agency") was created with the authority and power to own, lease and sell property and to issue its bonds as authorized by the Act; and

WHEREAS, Rubberform Recycled Products, LLC, and/or an individual(s) or affiliate, subsidiary, or entity or entities formed or to be formed on its behalf (the "Company"), has submitted an application to the Agency, a copy of which is on file at the office of the Agency, requesting that the Agency consider undertaking a project (the "Project") consisting of: (A) the acquisition or retention by the Agency of a leasehold interest in, a parcel of land located at 75 Michigan Street in the City of Lockport, Niagara County, New York (the "Land"); (B) together with the approximately 54,000 sq. foot building located on the Land (the "Existing Improvements"); (C) the renovation of the Existing Improvements to include upgrades to include, upgrading the entire warehouse and offices while building out additional offices, and install roof-top solar or wind technology. ("Improvements"); and (D) the acquisition and installation in and around the Improvements of certain items of machinery, equipment and other tangible personal property (the "Equipment" and collectively with the Land and the Improvements, the "Facility").

WHEREAS, pursuant to Article 18-A of the General Municipal Law the Agency desires to adopt a resolution describing the Project and the financial assistance that the Agency is contemplating with respect to the Project; and

WHEREAS, on April 14, 2021, the Agency adopted a resolution (the "Preliminary Resolution") accepting the Application and directing that a public hearing be held; and

WHEREAS, it was contemplated that the Agency would hold a public hearing and (i) negotiate an agent agreement (the "Agent Agreement") whereby the Agency will designate the Company as its agent for the purpose of acquiring, constructing and equipping the Project, (ii) negotiate a lease agreement (the "Lease Agreement"), leaseback agreement (the "Leaseback Agreement"), payment-in-lieu-of-tax agreement (the "PILOT Agreement") and payment-in-lieu of tax mortgage (the "PILOT Mortgage") with the Company, (iii) take or retain fee title to, leasehold or other interest in the Land, Improvements, Equipment and personal property constituting the Facility (once the Lease Agreement, Leaseback Agreement, PILOT Agreement and PILOT Mortgage have been negotiated), and (iv) provide financial assistance to the Company in the form of sales and use tax exemptions and a mortgage recording tax exemption for financing related to the Project, consistent with the policies of the Agency, a partial real property tax abatement and a mortgage recording tax exemption with respect to a certain payment-in-lieu-of-tax mortgage; and

WHEREAS, on the 4<sup>th</sup> day of May, 2021, at 2:00 p.m., at the Legislative Chambers, Niagara County Courthouse, 175 Hawley Street, Lockport, New York, 14094, the Agency held a public hearing with respect to the Project and the proposed financial assistance being contemplated by the Agency (the "Public Hearing") whereat interested parties were provided a reasonable opportunity, both orally and in writing, to present their views. A copy of the Minutes of the Public Hearing along with the Notice of Public Hearing published and forwarded to the affected taxing jurisdictions prior to said Public Hearing are attached hereto as Exhibit A;

WHEREAS, the Company has submitted to the Agency a Short Environmental Assessment Form (the "EAF") in compliance with Article 8 of the Environmental Conservation Law and Regulations adopted pursuant thereto by the Department of Environmental Conservation of the State (collectively, "SEQR") with respect to the Project, a copy of which is attached hereto as Exhibit B.

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE AGENCY AS FOLLOWS:

Section 1. The Company has presented an application in a form acceptable to the Agency. Based upon the representations made by the Company to the Agency in the Company's application, the Agency hereby finds and determines that:

(A) By virtue of the Act, the Agency has been vested with all powers necessary and convenient to carry out and effectuate the purposes and provisions of the Act and to exercise all powers granted to it under the Act; and

(B) The Agency has the authority to take the actions contemplated herein under the Act; and

(C) The action to be taken by the Agency will serve the public purposes of the Act

and that the Project will preserve permanent, private sector jobs, or increase the overall number of permanent, private sector jobs in the State.

(D) The Project will not result in the removal of a civic, commercial, industrial, or manufacturing plant of the Company or any other proposed occupant of the Project from one area of the State of New York (the "State") to another area of the State or result in the abandonment of one or more plants or facilities of the Company or any other proposed occupant of the Project located within the State; and the Agency hereby finds that, based on the Company's application, to the extent occupants are relocating from one plant or facility to another, the Project is reasonably necessary to discourage the Project occupants from removing such other plant or facility to a location outside the State and/or is reasonably necessary to preserve the competitive position of the Project occupants in their respective industries.

(E) The Project involves an "unlisted action" (as said quoted term is defined under SEQR). The review is "uncoordinated" (as said quoted term is defined under SEQR). Based upon the review by the Agency of the Short Environmental Assessment Form (the "EAF") and related documents delivered by the Company to the Agency and other representations made by the Company to the Agency in connection with the Project, the Agency hereby finds that (i) the Project will result in no major impacts and, therefore, is one which may not cause significant damage to the environment; (ii) the Project will not have a "significant effect on the environment" (as said quoted term is defined under SEQR) ; and (iii) no "environmental impact statement" (as said quoted term is defined under SEQR) need be prepared for this action. This determination constitutes a "negative declaration" (as said quoted term is defined under SEQR) for purposed of SEQR. The Agency's findings are incorporated in Part II of the EAF.

Section 2. Subject to the Company executing an Agent Agreement by and between the Agency and the Company and the delivery to the Agency of a binder, certificate or other evidence of liability insurance policy for the Project satisfactory to the Agency, the Agency hereby authorizes the Company to proceed with the acquisition, construction and equipping of the Project and hereby appoints the Company as the true and lawful agent of the Agency; (i) to acquire, construct and equip the Project; (ii) to make, execute, acknowledge and deliver any contracts, orders, receipts, writings and instructions, as the stated agent for the Agency with the authority to delegate such agency, in whole or in part, to agents, subagents, contractors, and subcontractors of such agents and subagents and to such other parties as the company chooses; and (iii) in general, to do all things which may be requisite or proper for completing the Project, all with the same powers and the same validity that the Agency could do if acting in its own behalf; provided, however, the Agent Agreement shall expire on the date as indicated in the Agent Agreement (*unless extended for good cause by the Executive Director of the Agency*).

Section 3. Pursuant to Section 875(3) of the New York General Municipal Law, the Agency may recover or recapture from the company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, any sales and use tax exemption benefits taken or purported to be taken by the company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, if it is determined that: (i) the Company, its agents, constants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, is not entitled to the sales and use tax

exemption benefits; (ii) the sales and use tax exemption benefits are in excess of the amounts authorized to be taken by the purchases for the benefit of the Project; (iii) the sales and use tax exemption benefits are for property or services not authorized by the Agency as part of the Project; or (iv) the consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, fails to comply with a material term or condition to use property or services in the manner approved by the Agency in connection with the Project. As a condition precedent of receiving sales and use tax exemption benefits, the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, must (i) cooperate with the Agency in its efforts to recover or recapture any sales and use tax exemption benefits, and (ii) promptly pay over any such amounts to the Agency that the Agency demands.

Section 4. The Agency hereby confers on the Company in connection with the Project certain benefits, exemptions and other financial assistance consisting of: (a) an exemption benefit from all New York State and local sales and use tax exemption benefits for purchases and rentals related to the Project with respect to the qualifying personal property included in or incorporated into the Facility or used in the acquisition, construction or equipping of the Facility, (b) an exemption benefit from mortgage recording tax, and (c) a partial abatement from real property taxes benefit conferred through a certain Payment in Lieu of Tax Agreement. The Agency will provide the Company with Project incentives totaling \$784,911.00, comprised of real property tax exemption benefits, in the estimated amount of \$659,461.00 and sales and use tax exemption benefits of approximately \$104,000.00 and Mortgage Tax Exemption of approximately \$21,450.00. To effectuate this Resolution, the Chairman, Vice Chairman and/or the Executive Director of the Agency are hereby authorized, on behalf of the Agency, to negotiate and execute (A) the Lease Agreement whereby the Company leases the Project to the Agency, (B) the related Leaseback Agreement conveying the Project back to the Company, and (C) the PILOT Agreement with real property tax exemption benefits; provided (i) the rental payments under the Leaseback Agreement include payments of all costs incurred by the Agency arising out of or related to the Project and indemnification of the Agency by the Company for actions taken by the Company and/or claims arising out of or related to the Project; and (ii) the terms of the PILOT Agreement are consistent with the Agency's Uniform Tax Exemption Policy or the procedures for deviation have been complied with.

Section 5. The officers, employees and agents of the Agency are hereby authorized and directed for and in the name and on behalf of the Agency to do all acts and things required and to execute and deliver all such certificates, instruments and documents, to pay all such fees, charges and expenses and to do all such further acts and things as may be necessary or, in the opinion of the officer, employee or agent acting, desirable and proper to effect the purposes of the foregoing resolutions and to cause compliance by the Agency with all of the terms, covenants and provisions of the documents executed for and on behalf of the Agency.

Section 6. These Resolutions shall take effect immediately upon adoption.

The question of the adoption of the foregoing Resolution was duly put to a vote on roll call, which resulted as follows:

## **PILOT MORTGAGE**

**THIS PILOT MORTGAGE**, made as of the 1<sup>st</sup> day of March, 2022 (the "PILOT Mortgage"), is from the **NIAGARA COUNTY INDUSTRIAL DEVELOPMENT AGENCY**, a public benefit corporation of the State of New York with offices at 6311 Inducon Corporate Drive, Suite One, Sanborn, New York 14132 (the "Agency"), and **TWOGOOD HOLDINGS LLC**, a New York limited liability company, with offices at 75 Michigan Street, Lockport, New York 14094 (the "Company" and, together with the Agency, sometimes hereinafter collectively referred to as the "Mortgagor"), and **NIAGARA COUNTY INDUSTRIAL DEVELOPMENT AGENCY**, as Mortgagee (the "Mortgagee"), in and for the benefit of **NIAGARA COUNTY, NEW YORK, CITY OF LOCKPORT, NEW YORK** and **LOCKPORT CITY SCHOOL DISTRICT**, each of which shall ultimately receive the PILOT Payments (collectively referred to as the "Taxing Jurisdictions").

WITNESSETH, that to secure the obligation of the Company to make all payments and perform all other obligations of the Company for the benefit of the Mortgagee and the Taxing Jurisdictions under that certain payment-in-lieu-of-tax agreement (the "PILOT Agreement") dated as of the date hereof between the Agency and the Company (as such payments are described in the PILOT Agreement, a form of which is attached hereto as **Exhibit B**), the Mortgagor hereby mortgages to the Mortgagee the real property described in **Exhibit A** attached hereto (the "Mortgaged Property"), including any insurance or condemnation proceeds related thereto in an amount equal to the aggregate of all Total unpaid and defaulted PILOT Payments (as defined in the PILOT Agreement);

TOGETHER with all, right, title and interest of the Mortgagor in and to the land lying in the streets and road in front of and adjoining said Mortgaged Property in an amount equal to the aggregate of all unpaid and defaulted Total PILOT; and

TOGETHER with all fixtures, furnishings, fittings, appliances, machinery, chattels and articles of personal property now or hereafter attached to or used solely in connection with the Mortgaged Property, together with any and all replacements thereof and additions thereto in an amount equal to the aggregate of all unpaid and defaulted Total PILOT;

BEING THE SAME PREMISES and interest therein leased by the Company to the Agency pursuant to the terms of a certain Lease Agreement, dated as of the date hereof by and between the Company and the Agency (the "Lease Agreement"), and which premises and interests therein are being leased by the Agency back to the Company pursuant to the terms of a certain Leaseback Agreement, dated as of the date hereof, by and between the Company and the Agency (the "Leaseback Agreement"); which memorandum of the Lease Agreement and a memorandum of the Leaseback Agreement are intended to be recorded in the office of the Niagara County Clerk prior to or contemporaneously with the recording of this PILOT Mortgage; and

This PILOT Mortgage, when recorded, shall constitute a lien against the Mortgaged Property in an amount equal to any and all unpaid and defaulted Total PILOT Payments.

NOW THEREFORE, Mortgagor covenants and agrees with Mortgagee as follows:

1. That the Company will timely perform all of its obligations under the PILOT Agreement and will timely pay all amounts due thereunder. In addition, the Company will maintain or cause to be maintained in good condition and repair the buildings and improvements constructed, renovated and equipped or to be constructed, renovated and equipped on the Mortgaged Property, and shall not commit or permit waste or permit any nuisance to exist thereon.

2. That if any action or proceeding be commenced (except an action to foreclose this PILOT Mortgage or to collect the debt secured thereby), to which action or proceeding the Mortgagee is made a party, or in which it becomes necessary to defend or uphold the lien of this PILOT Mortgage, all reasonable out-of-pocket sums paid by the Mortgagee for the expense of any litigation to prosecute or defend the rights and lien created by this PILOT Mortgage (including reasonable counsel fees and all reasonable costs and disbursements incurred in connection with such litigation) shall be paid by the Company, together with interest thereon at the applicable rate prescribed by Title I of Article 18-A of the New York State General Municipal Law, and any such sum and the interest thereon shall be a lien on said Mortgaged Property, prior to any right, title to, interest in or claim upon said Mortgaged Property attaching or accruing subsequent to the lien of this PILOT Mortgage, and shall be deemed to be secured by this PILOT Mortgage. In any action or proceeding to foreclose this PILOT Mortgage, the provisions of law respecting the recovery of costs, disbursements and allowance shall prevail unaffected by this covenant.

3. The Mortgagee's enforcement of its rights under this PILOT Mortgage shall be expressly subject (in the case of a failure of the Company to make any payments required to be paid pursuant to the PILOT Agreement) to the limitation that no such rights may be exercised until the Company shall be in default beyond applicable notice and cure periods in the making of any payment for the benefit of the Mortgagee in accordance with the terms of the PILOT Agreement. Notwithstanding anything to the contrary contained herein, Mortgagee agrees that it shall commence its enforcement rights under this PILOT Mortgage within twelve (12) months from the date the Company shall be in default in the making of any payment for the benefit of the Mortgagee in accordance with the terms of the PILOT Agreement.

4. The Company shall name the Agency and the Mortgagee as an additional insured, as its interests may appear, on any policy of hazard insurance required to be carried in connection with the Mortgaged Property, until the amounts secured by this PILOT Mortgage are paid in full.

5. The obligations and agreements of the Agency contained herein and in any other instrument or document executed in connection herewith, and any other instrument or document supplemental hereto, shall be deemed the obligations and agreements of the Agency, and not of any member, officer, agent (other than the Company) or employee of the Agency in his/her individual capacity, and the members, officers, agents (other than the Company) and employees of the Agency shall not be liable personally hereon or be subject to any personal liability or accountability based upon or in respect hereto or of any transaction contemplated hereby. The obligations and agreements

of the Agency contained herein shall not constitute or give rise to any obligations of the State of New York or Niagara County, New York, and further, such obligations and agreements shall not constitute or give rise to a general obligation of the Agency, but rather shall constitute limited obligations of the Agency payable solely from the revenues of the Agency derived and to be derived from the lease of the Facility (as defined in the PILOT Agreement).

Notwithstanding any provision of this PILOT Mortgage to the contrary, the Agency shall not be obligated to take any action pursuant to any provision hereof unless (A) the Agency shall have been requested to do so in writing by the Company or the Taxing Jurisdictions, and (B) compliance with such request is not reasonably expected to result in the incurrence by the Agency (or any member, officer or employee of the Agency) of any liabilities, fees, expenses or other costs, unless the Agency shall have received from the Company or the Taxing Jurisdictions, as the case may be, security or indemnity satisfactory to the Agency for protection against all such liabilities, however remote, and for the reimbursement of all such fees, expenses and other costs. This PILOT Mortgage shall in no way impair or adversely affect the Agency's Unassigned Rights (as defined in the Leaseback Agreement).

6. The term "Event of Default" as used herein shall have the meaning as set forth in the PILOT Agreement.

7. (a) Subject to the provisions of the PILOT Agreement and the provisions of Section 3 hereof, upon the occurrence and during the continuation of an Event of Default hereunder, beyond any applicable notice and cure period, the Mortgagee may, in addition to any other rights or remedies available to it hereunder, at law or in equity, take such action, as may be permitted by applicable law, as is necessary to protect and enforce its rights against the Mortgagor in and to the Mortgaged Property including, but not limited to, the following actions:

(i) enter into or upon the Mortgaged Property, either personally or by its agents, nominees or attorneys, and dispossess the Mortgagor and its agents, employees and servants therefrom and thereupon the Mortgagee may (A) use, operate, manage, control, insure, maintain, repair, restore and otherwise deal with all and every part of the Mortgaged Property and conduct the business thereat, (B) complete any construction on the Mortgaged Property in such manner and form as the Mortgagee deems advisable, (C) make alterations, additions, renewals, replacements and improvements to or on the Mortgaged Property, and (D) exercise all rights and powers of the Mortgagor with respect to the Mortgaged Property, whether in the name of the Mortgagor or otherwise;

(ii) institute proceedings for the foreclosure of this PILOT Mortgage;

(iii) to the extent permitted by applicable law, sell or otherwise dispose of the Mortgaged Property or any part thereof and all estate, claim, demand, right, title and interest of the Mortgagor therein and rights of redemption thereof, pursuant to power of sale or otherwise, at one or more sales, in whole or in parcels, at such time and place, upon such

terms and after such notice thereof as may be required or permitted by law, and in the event of a sale, by foreclosure or otherwise, of less than all of the Mortgaged Property, this PILOT Mortgage shall continue to the full extent permitted by applicable law as a lien on the remaining portion of the Mortgaged Property; or

(iv) pursue such other remedies as the Mortgagee may have hereunder, under applicable law or in equity.

(b) The avails of any sale or other disposition made under or by virtue of this Section 7, together with any other sums which then may be held by the Mortgagee under this PILOT Mortgage, whether under the provisions of this Section 7 or otherwise, shall be applied as follows:

First: To payment of the reasonable costs and expenses, including, but not limited to, necessary repairs, improvements, or environmental remediations, of any such sale or other disposition including reasonable out-of-pocket costs of the Mortgagee, its agents and counsel, and of any judicial proceedings wherein the same may be made, and all expenses, liabilities and advances reasonably made or incurred by the Mortgagee under this PILOT Mortgage on all advances made by the Mortgagee, and all taxes required to be paid in connection with such sale or other disposition of the Mortgaged Property, except any taxes or other charges subject to which the Mortgaged Property shall have been sold;

Second: To the payment of the Company's liabilities and obligations pursuant to the PILOT Agreement;

Third: The surplus, if any to the Mortgagor, or to whomsoever may be lawfully entitled to receive the same if not the Mortgagor upon ten (10) days' prior notice to the Mortgagor.

(c) The Mortgagee may adjourn from time to time any sale by it under or by virtue of this PILOT Mortgage by announcement at the time and place appointed for such sale or for adjourned sale or sales and, except as otherwise provided by any applicable provision of law, the Mortgagee, without further notice or publication, may make such sale at the time and place to which the same shall be so adjourned.

(d) To the extent permitted by applicable law, no recovery of any judgment by the Mortgagee and no levy of an execution under any judgment upon the Mortgaged Property or upon any other property of Mortgagor shall affect in any manner or to any extent the lien of this PILOT Mortgage upon the Mortgaged Property or any part thereof or any liens, rights, powers or remedies of Mortgagee hereunder, but such liens, rights, powers and remedies of Mortgagee shall continue unimpaired.

(e) Upon the occurrence and during the continuation of an Event of Default beyond any applicable notice and cure periods, the Mortgagor, (if it is an occupant of the Mortgaged Property or any part thereof), shall upon Mortgagee's demand immediately surrender possession of the Mortgaged Property (or the portion thereof so occupied) to Mortgagee.

8. To the extent permitted by applicable law, no remedy herein conferred upon or reserved to Mortgagee is intended to be exclusive of any other remedy or remedies, and each and every such remedy shall be cumulative, and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute. No delay or omission of Mortgagee in exercising any right or power accruing upon an Event of Default shall impair any such right or power, or shall be construed to be a waiver of such Event of Default, or any acquiescence therein; and every power and remedy given by this PILOT Mortgage to Mortgagee may be exercised from time to time as often as may be deemed expedient by Mortgagee, provided, however, Mortgagee agrees that it shall commence its enforcement rights under this PILOT Mortgage within twelve (12) months following an Event of Default. Without limiting the generality of the foregoing, any payment made by Mortgagee for insurance premiums, taxes, assessments, water rates, sewer rentals, levies, fees or any other charges affecting the Mortgaged Property shall not constitute a waiver of Mortgagor's obligations in making such payments and shall not obligate Mortgagee to make any further payments. Nothing in this PILOT Mortgage or in the PILOT Agreement shall affect the obligation of the Company to perform under the PILOT Agreement in the manner and at the time and place therein expressed.

9. In the event any covenant or agreement contained in this PILOT Mortgage should be breached by either party and thereafter waived by the other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder. No waiver shall be binding unless it is in writing and signed by the party making such waiver. No course of dealing between the Agency and the Company or any delay or omission on the part of Mortgagee in exercising any rights hereunder or under any other document shall operate as a waiver.

10. Notwithstanding anything contained herein to the contrary, the Mortgagee hereby agrees that there shall be no recourse against the Company for any liability to the Mortgagee arising in connection with any breach or default under this PILOT Mortgage, or the PILOT Agreement, by the Company except to the extent the same is enforced against the rights, title and interest of the Company in the Mortgaged Property, and the Mortgagee shall look solely to the rights, title and interest of the Company relating to the Mortgaged Property in enforcing its rights against the Company under and in connection with this PILOT Mortgage or the PILOT Agreement; provided that (a) the foregoing provisions of this Section shall not constitute a waiver, release or discharge of any of the obligations arising under, or of any of the terms, covenants, conditions, or provisions of, this PILOT Mortgage or the PILOT Agreement, but the same shall continue until fully paid, discharged, observed, or performed, and (b) the foregoing provisions of this Section shall not limit or restrict the right of the Mortgagee to name the Company or any other Person as a defendant in any action or suit for a judicial foreclosure or for the exercise of any remedy under or with respect to this

PILOT Mortgage or the PILOT Agreement, or for injunction or specific performance. In addition, nothing contained in this Section shall limit in any way the ability of the Mortgagee to enforce its rights or the rights of the Company against any Person other than the Company under this PILOT Mortgage or the PILOT Agreement.

11. The Company, as agent of the Agency, shall bear any and all costs and expenses pertaining to this PILOT Mortgage and the perfection thereof, including but not limited to any applicable recording fees and mortgage taxes, the New York State mortgage tax (1/2 of 1%) and additional mortgage tax (1/4 of 1%), to the extent applicable. To the extent Agency is not exempt from the payment of any of the foregoing costs and expenses, the Company shall pay same.

12. All notices, certificates and other communication hereunder shall be in writing and shall be sufficiently given and shall be deemed given when (A) sent to the applicable address stated below by registered or certified mail, return receipt requested, or by telecopy or other electronic means of communication, followed by prompt written confirmation thereof, or by such other means as shall provide the sender with documentary evidence of such delivery, or (B) delivery is refused by the addressee, as evidenced by the affidavit of the person who attempted to effect such delivery. The parties by notice given in accordance with this Section 12 to each of the others, may designate any further or different addresses to which subsequent notices, certificates or other communications to them shall be sent.

13. Terms with capitalized first initials used in this PILOT Mortgage shall have the meanings ascribed to such terms in the PILOT Agreement unless the context otherwise requires. The word "Mortgagor" shall be construed as if it read "Mortgagors" whenever the sense of this PILOT Mortgage so requires. The word "Mortgagee" shall be construed as if it read "Mortgagees and the Taxing Jurisdictions" whenever the sense of this PILOT Mortgage so requires.

14. If an Event of Default shall have occurred and be continuing, beyond any applicable notice and cure periods, Mortgagee (subject to the provisions of Section 3 hereof), as a matter of right and without regard to the adequacy of the Mortgaged Property as collateral security, but after

notice to Mortgagor, shall have the right to appoint a receiver or receivers, and Mortgagor hereby irrevocably consents to such appointment.

15. Mortgagor agrees that it will not, at any time, insist upon or plead in any way the advantage of any appraisal, valuation, stay, marshaling of assets, extensions, redemption or moratorium law now or hereafter in force and effect so as to prevent, hinder or delay the enforcement of the provisions of this PILOT Mortgage or any rights or remedies, including foreclosure proceedings, Mortgagee may have hereunder or by law or equity.

16. The Company represents and warrants that the Agency has a good and insurable leasehold interest in the Mortgaged Property pursuant to the Lease Agreement and that the Company has a good and insurable leasehold interest in the Mortgaged Property pursuant to the Leaseback Agreement.

17. In the case of a foreclosure sale, the Mortgaged Property may be sold in one parcel.

18. This PILOT Mortgage may not be effectively waived, discharged, amended, changed, modified, altered or terminated, unless such amendment, change, modification, alteration or termination is in a writing intended for such purpose and executed and delivered by Mortgagee and Mortgagor.

19. If any article, section, subdivision, paragraph, sentence, clause, phrase, provision or portion of this PILOT Mortgage shall for any reason be finally held or adjudged to be invalid or illegal or unenforceable by any court of competent jurisdiction, such article, section, subdivision, paragraph, sentence, clause, phrase, provision or portion so adjudged invalid, illegal, or unenforceable shall be deemed separate, distinct and independent, and the remainder of this PILOT Mortgage shall be and remain in full force and effect and shall not be invalidated or rendered illegal or enforceable or otherwise affected by any such holding or adjudication.

20. This PILOT Mortgage shall be governed by and construed in accordance with the laws of the State of New York, exclusive of New York's conflict of laws, rules and public policies. This PILOT Mortgage constitutes the final expression of the agreement between Mortgagor and Mortgagee with respect to its subject matter, and all prior and contemporaneous discussions, negotiations, drafts and agreements are hereby merged into and superseded by this PILOT Mortgage. Notwithstanding the foregoing, it is expressly agreed that the PILOT Agreement and each of the Company's obligations thereunder shall survive the execution, delivery and recording of this PILOT Mortgage.

21. If any action or proceeding be commenced by or on behalf of Mortgagee to foreclose this PILOT Mortgage, the Company agrees to pay to Mortgagee its reasonable out-of-pocket attorneys' fees and other expenses incurred in connection with such action or proceeding, and such amounts shall be a lien on the Mortgaged Property prior to any right or title to, or interest in, or claim upon the Mortgaged Property attaching or accruing subsequent to the lien of this PILOT Mortgage.

22. The rights of Mortgagee under this PILOT Mortgage are independent of and cumulative to its rights, with respect to the collection of special assessments and special ad valorem levies, if any, lawfully assessed against the Mortgaged Property or any part thereof.

23. This PILOT Mortgage constitutes a security agreement under the New York Uniform Commercial Code with respect to any portion of the Mortgage Property which is personal property and Mortgagee shall have all of the rights and remedies of a secured party thereby in addition to the rights and remedies granted by other applicable law or by this PILOT Mortgage. Mortgagor agrees to execute a UCC-1 Financing Statement to implement this provision.

24. So long as any portion of the obligations of the Company under the PILOT Agreement shall remain outstanding, the title to the Mortgaged Property and the lien of this PILOT Mortgage shall not merge, but shall always be kept separate and distinct.

25. The covenants contained in this PILOT Mortgage shall run with the land and bind Mortgagor, its heirs, personal representatives, successors and assigns and all subsequent owners, encumbrances, tenants and subtenants of the premises, and shall inure to the benefit of Mortgagee, its personal representatives, successors and assigns and all subsequent holders of this PILOT Mortgage.

26. Upon the termination of the PILOT Agreement and the payment in full of all sums payable thereunder, Mortgagee by acceptance of this PILOT Mortgage agrees to execute and deliver any and all instruments necessary and/or appropriate to discharge the lien of record of this PILOT Mortgage.

27. If this PILOT Mortgage contains any unlawful provision not an essential part of this PILOT Mortgage and which shall not appear to have been a controlling or material inducement to the making thereof, the same shall be deemed of no effect and shall, upon notice by either party, be deemed stricken from this PILOT Mortgage without affecting the binding force of the remainder.

28. Section headings are inserted only as a matter of convenience and for reference and in no way define, limit or describe the scope or intent of this PILOT Mortgage and in no way affect this PILOT Mortgage.

29. This PILOT Mortgage may be executed in one or more counterparts, each of which shall be an original and all of which together shall constitute but one and the same instrument.

## PAYMENT-IN-LIEU-OF-TAX AGREEMENT

THIS PAYMENT-IN-LIEU-OF-TAX AGREEMENT (the "PILOT Agreement"), dated as of the 1<sup>st</sup> day of March, 2022, is by and between the **NIAGARA COUNTY INDUSTRIAL DEVELOPMENT AGENCY**, a public benefit corporation duly existing under the laws of the State of New York with its offices at 6311 Inducon Corporate Drive, Suite 1, Sanborn, New York 14132 (the "Agency") and **TWOGOOD HOLDINGS LLC**, a New York limited liability company formed and existing under the laws of the State of New York, with offices located at 75 Michigan Street, Lockport, New York 14094 (the "Company").

### WITNESSETH:

WHEREAS, the Agency was created by Chapter 569 of the Laws of 1972 of the State of New York pursuant to Title I of Article 18-A of the General Municipal Law of the State of New York (collectively, the "Act") as a body corporate and politic and as a public benefit corporation of the State of New York; and

WHEREAS, the Company has requested the Agency's assistance with a certain project (the "Project") consisting of: (A) the acquisition or retention by the Agency of a leasehold interest in, a parcel of land located at 75 Michigan Street in the City of Lockport, Niagara County, New York (the "Land"); (B) together with the approximately 54,000 sq. foot building located on the Land (the "Existing Improvements"); (C) the renovation of the Existing Improvements to include upgrades to include, upgrading the entire warehouse and offices while building out additional offices, and install roof-top solar or wind technology. ("Improvements"); and (D) the acquisition and installation in and around the Improvements of certain items of machinery, equipment and other tangible personal property (the "Equipment" and collectively with the Land and the Improvements, the "Facility").

WHEREAS, in order to induce the Company to acquire, construct and equip the Facility, the Agency is willing to take a leasehold interest in the land, improvements and personal property constituting the Facility and lease said land, improvements and personal property back to the Company pursuant to the terms and conditions of a certain Leaseback Agreement, dated on or about the date hereof (the "Leaseback Agreement"); and

WHEREAS, pursuant to Section 874(1) of the Act, the Agency is exempt from the payment of taxes imposed upon real property and improvements owned by it or under its jurisdiction, control or supervision, other than special ad valorem levies, special assessments and service charges against real property which are or may be imposed for special improvements or special district improvements; and

WHEREAS, the Agency and the Company deem it necessary and proper to enter into an agreement making provisions for payments-in-lieu-of-taxes by the Company to the Agency for the benefit of Niagara County (the "County"), the City of Lockport (the "City"), the Lockport City School District (the "School District" and, collectively with the County and City, the "Affected Tax Jurisdictions").

NOW, THEREFORE, in consideration of the covenants herein contained, and other good and valuable consideration the receipt and sufficiency of which are hereby acknowledged, it is mutually agreed as follows:

Section I - Payment in lieu of Ad Valorem Taxes:

Section 1.1 A. Subject to the completion and filing by the taxable status date (**March 1, 2023**) (the "Taxable Status Date") of New York State Form RP-412-a Application For Real Property Tax Exemption (the "Exemption Application") under Section 412-a of the New York State Real Property Tax Law and Section 874 of the Act and the approval of the Exemption Application by the appropriate assessors or Board of Assessment Review, the Facility shall be exempt from Real Estate Taxes for the periods set forth in Section 1.3 hereof. For purposes of the foregoing "Real Estate Taxes" means all general levy real estate taxes levied against the Facility by the Town, County and School. The Company shall provide to the Agency with the information necessary for the completion and filing of the Exemption Application and shall provide such additional information and take such actions as are required by the appropriate assessors or Board of Assessment Review to process and approve the Exemption Application. Notwithstanding anything contained herein or in the Leaseback Agreement to the contrary, in the event the exemption from Real Estate Taxes is denied for any reason, the Company shall pay (and hereby agrees to pay) all Real Estate Taxes levied upon the Facility as they become due. After giving written notice to the Agency, the Company may in good faith contest the denial of the Exemption Application, provided that (i) the overall operating efficiency of the Facility is not impaired and the Facility continues to qualify as a "project" under the Act; (ii) neither the Facility nor any part of or interest in it would be in any danger of being sold, forfeited or lost; or (iii) neither the Company nor the Agency, as a result of such contest, shall be in any danger of any civil or criminal liability. The Company hereby waives any claim or cause of action against the Agency, and releases the Agency from any liability to the Company, arising from the denial of an exemption from Real Estate Taxes except to the extent that such denial results solely from the failure of the Agency to file the Exemption Application with the appropriate assessors or Board of Assessment Review by the Taxable Status Date.

B. Payee. As long as the Agency has fee title to or leasehold or other interest in the Facility, the Company agrees to pay annually to the Affected Tax Jurisdictions as a payment-in-lieu-of-taxes, on or before October 1 of each calendar year for School taxes and on or before January 1 of each calendar year for County and City taxes (collectively, the "Payment Date"), commencing on October 1, 2023 and January 1, 2024, respectively, an amount equal to the PILOT Payment, as described on Schedule A attached hereto.

The parties agree and acknowledge that payments made hereunder are to obtain revenues for public purposes, and to provide a revenue source that the Affected Tax Jurisdictions would otherwise lose because the subject parcels are not on the tax rolls.

1.2 Allocation. To the extent the Agency receives any PILOT Payment, the Agency shall remit to the Affected Tax Jurisdictions amounts received hereunder within thirty (30) days of receipt of said payment and shall allocate said payments among the Affected Tax Jurisdictions in the same proportion as ad valorem taxes would have been allocated but for the Agency's involvement, unless the Affected Tax Jurisdictions have consented in writing to a specific allocation.

1.3 Tax Rates. For purposes of determining the allocation of the Total PILOT Payment among the Affected Tax Jurisdictions, the Agency shall use the last tax rate utilized for levy of taxes by each such jurisdiction. For County, Town and special district purposes, the tax rates used to determine the allocation of the Total PILOT Payment shall be the tax rates relating to the calendar year which includes the PILOT payment due date. For school district purposes, the tax rates used to determine the PILOT payment shall be the rate relating to the school year which includes the PILOT payment due date.

1.4 Valuation of Future Additions to the Facility: If there shall be a future addition to the Facility constructed or added in any manner after the date of this PILOT Agreement, other than the Project, the Company shall notify the Agency of such future addition ("Future Addition"). The notice to the Agency shall contain a copy of the application for a building permit, plans and specifications, and any other relevant information that the Agency may thereafter request. Upon the earlier of substantial completion, or the issuance of a certificate of occupancy for any such Future Addition to the Facility, the Company shall become liable for payment of an increase in the Total PILOT Payment. The Agency shall notify the Company of any proposed increase in the Total PILOT Payment related to such Future Addition. If the Company shall disagree with the determination of assessed value for any Future Additions made by the Agency, then and in that event that valuation shall be fixed by a court of competent jurisdiction. Notwithstanding any disagreement between the Company and the Agency, the Company shall pay the increased PILOT payment until a different Total PILOT Payment shall be established. If a lesser Total Annual Payment is determined in any proceeding or by subsequent agreement of the parties, the Total PILOT Payment shall be re-computed and any excess payment shall be refunded to the Company or, in the Agency's sole discretion, such excess payment shall be applied as a credit against the next succeeding PILOT payment(s).

1.5 Period of Benefits. The tax benefits provided for herein should be deemed to include (i) the 2023/2024 School tax year through the 2037/2038 School tax year, and (ii) the 2024 County and City tax year through the 2038 County and City tax year. This PILOT Agreement shall expire on **December 31, 2038**; provided, however, the Company shall pay the 2038/2039 School tax bills and the 2039 County and City tax bills on the dates and in the amounts as if the Agency were not in title on the tax status date with respect to said tax years. In no event shall the Company be entitled to receive tax benefits relative to the Facility for more than the periods provided for herein, unless the period is extended by amendment to this PILOT Agreement executed by both parties after any applicable public hearings. The Company agrees

that it will not seek any tax exemption for the Facility which could provide benefits for more than the periods provided for herein and specifically agrees that the exemptions provided for herein, to the extent actually received (based on the number of lease years elapsed), supersede and are in substitution of the exemptions provided by Section 485-b of the New York Real Property Tax Law ("RPTL"). It is hereby agreed and understood that the Affected Tax Jurisdictions can rely upon and enforce the above waiver to the same extent as if they were signatories hereto.

## Section II - Special Assessments and Service Charges.

2.1 Special district charges, special assessments, and special ad valorem levies (specifically including but not limited to fire district charges), and pure water charges and sewer charges are to be paid in full in accordance with normal billing practices.

## Section III - Transfer of Facility.

3.1 In the event that the Facility is transferred from the Agency to the Company (the lease/leaseback agreements are terminated), and the Company is ineligible for a continued tax exemption under some other tax incentive program, or the exemption results in a payment to the Affected Tax Jurisdictions in excess of the payment described in Section I herein, or this PILOT Agreement terminates and the property is not timely transferred back to the Company, the Company agrees to pay no later than the next tax lien date (plus any applicable grace period), to each of the Affected Tax Jurisdictions, an amount equal to the taxes and assessments which would have been levied on the Facility if the Facility had been classified as fully taxable as of the date of transfer or loss of eligibility of all or a portion of the exemption described herein or date of termination.

## Section IV - Assessment Challenges.

4.1 The Company shall have all of the rights and remedies of a taxpayer as if and to the same extent as if the Company were the owner of the Facility, with respect to any proposed assessment or change in assessment with respect to the Facility by any of the Affected Tax Jurisdictions and likewise shall be entitled to protest before and be heard by the appropriate assessors or Board of Assessment Review, and shall be entitled to take any and all appropriate appeals or initiate any proceedings to review the validity or amount of any assessment or the validity or amount of any tax equivalent provided for herein.

4.2 The Company shall have all of the rights and remedies of a taxpayer with respect to any tax, service charge, special benefit, ad valorem levy, assessment, or special assessment or service charge in lieu of which the Company is obligated to make a payment pursuant to this PILOT Agreement, as if and to the same extent as if the Company were the owner of the Facility.

4.3 The Company shall (i) cause the appropriate real estate tax assessment office and tax levy officers to assess the Facility and apply tax rates to the respective assessments as if the Facility were owned by the Company, (ii) file any accounts or tax returns required by the appropriate real estate tax assessment office and tax levy officers.

## Section V - Changes in Law.

5.1 To the extent the Facility is declared to be subject to taxation or assessment by an amendment to the Act, other legislative change, or by final judgment of a Court of competent jurisdiction, the obligations of the Company hereunder shall, to such extent, be null and void.

## Section VI - Events of Default and Remedies.

6.1 The following shall constitute "Events of Default" hereunder. The failure by the Company to: (i) make the payments described in Section I within thirty (30) days of the Payment Date (the "Delinquency Date"); provided the Company has received notice of the amounts due and the due date for the same; (ii) make any other payments described herein on or before the last day of any applicable cure period within which said payment can be made without penalty; or (iii) the occurrence and continuance of any events of default under the Leaseback Agreement after any applicable cure periods. Upon the occurrence of any Event of Default hereunder, in addition to any other right or remedy the Agency and/or the Affected Tax Jurisdictions may have at law or in equity, the Agency and/or Affected Tax Jurisdictions may, immediately and without further notice to the Company (but with notice to the Agency with respect to actions maintained by the Affected Tax Jurisdictions) pursue any action in the courts to enforce payment or to otherwise recover directly from the Company any amounts so in default. The Agency and the Company hereby acknowledge the right of the Affected Tax Jurisdictions to recover directly from the Company any amounts so in default pursuant to Section 874(6) of the General Municipal Law and the Company shall immediately notify the Agency of any action brought, or other measure taken, by any Affected Tax Jurisdiction to recover any such amount.

6.2 If payments pursuant to Section I herein are not made by the Delinquency Dates, or if any other payment required to be made hereunder is not made by the last day of any applicable cure period within which said payment can be made without penalty, the Company shall pay penalties and interest as follows. With respect to payments to be made pursuant to Section I herein, if said payment is not received by the Delinquency Date defined in Section 6.1 herein, Company shall pay, in addition to said payment, (i) a late payment penalty equal to five percent (5%) of the amount due and (ii) for each month, or any part thereof, that any such payment is delinquent beyond the first month, interest on the total amount due plus the late payment penalty, in an amount equal to one percent (1%) per month. With respect to all other payments due hereunder, if said payment is not paid within any applicable cure period, Company shall pay, in addition to said payment, the greater of the applicable penalties and interest or penalties and interest which would have been incurred had payments made hereunder been tax payments to the Affected Tax Jurisdictions.

6.3 Upon the occurrence of an Event of Default hereunder, the liability of the Company hereunder shall be all amounts due pursuant to Section I hereof through, but not including, the date on which the Facility is no longer exempt from Real Estate Taxes together with all other amounts due pursuant to Section 6.2 hereof and clause (a) of Section 7 of the PILOT Mortgage (as hereinafter defined).

6.4 Subject to the rights of the mortgagees set forth in Section VIII below, whenever any Event of Default under Section 6.1 hereof shall have occurred and be continuing with respect to this PILOT Agreement, the remedies of the Agency shall be limited to the rights hereunder, under the Leaseback Agreement and under the PILOT Mortgage, subject to the rights of any lenders to cure any such Event of Default as set forth in Section VIII hereof.

#### Section VII - Assignment.

7. No portion of any interest in this PILOT Agreement may be assigned by the Company, nor shall any person other than the Company be entitled to succeed to or otherwise obtain any benefits of the Company hereunder without the prior written consent of the Agency, which shall not be unreasonably withheld or delayed.

#### Section VIII – Rights of Mortgagees.

8.1 For the purposes of this PILOT Agreement, the term “mortgages” shall include any mortgage, leasehold mortgage, purchase money mortgage or other security instrument or instruments encumbering the Facility, such as, without limitation, mortgages, deeds of trust, financing statements, assignments of leases, rents and/or profits, security agreements and other documentation which a mortgage may require, and the terms “holder of a mortgage” and “mortgage” shall mean the secured party under any of the foregoing instruments. ANY MORTGAGE SHALL BE A LIMITED, NON-RECOURSE OBLIGATION OF THE AGENCY AND SHALL IN NO EVENT REQUIRE THE PAYMENT BY THE AGENCY TO ANY PARTY OF ANY AMOUNT INCLUDING, BUT NOT LIMITED TO, PRINCIPAL, INTEREST OR ANY OTHER AMOUNT SECURED BY ANY SUCH MORTGAGE.

8.2 So long as the mortgage shall remain unsatisfied of record or until written notice of satisfaction is given by the Mortgagee to the Agency, the following provisions shall, subject to and unless otherwise prohibited by all applicable law including, but not limited to, the Act, apply (in respect of such mortgage and of any other mortgages which also comply with the above):

(a) There shall be no renewal, cancellation, surrender, acceptance of surrender, amendment or modification of this PILOT Agreement, or the PILOT Mortgage by joint action of the Agency and the Company along, without, in each case, the prior consent in writing of the Mortgagee, nor shall any merger result from the acquisition by, or devolution upon, any one entity of any fee and/or leasehold estates in the Facility.

(b) The Agency shall, at no cost to the Agency and at the sole cost of the Company, upon receipt of any notice or other communication, whether of default or any other matter, simultaneously serve a copy of such notice upon the Mortgagee, and no such notice of other communication to the Company shall be deemed received unless a copy is so served upon the Mortgagee in the manner provided in this PILOT Agreement for the giving of notice.

(c) Notwithstanding anything to the contrary herein, if the Agency serves a notice of default upon the Company, it shall, at no cost to the Agency and at the sole cost of the Company, also serve a copy of such notice upon the Mortgagee at the address set forth in Section 9.2 hereof.

(d) In the event of any default by the Company under this PILOT Agreement, the Mortgagee shall have fifteen (15) days for a monetary default and thirty (30) days in the case of any other default, after notice to the Mortgagee of such default (which notice shall be given in the manner set forth in Section 9.2 below), to cure or to cause to be cured the default complained of and the Agency shall accept such performance by or at the instigation of the Mortgagee as if same had been done by the Company. Each notice of default given by the Agency will state the amounts of any payments herein provided that are then claimed to be in default.

(e) If, before the expiration of the Mortgagee's cure period as provided in paragraph (3) above, the Mortgagee shall have notified the Agency in writing of its agreement to pay or cause to be paid, within fifteen (15) days after the expiration of mortgagor's cure period, all payments in this PILOT Agreement provided for and then in default, and/or in the case of non-monetary defaults, shall have agreed within forty-five (45) days to commence or cause to be commenced the cure of such non-monetary defaults, if any are then in default (other than defaults which by their nature cannot be cured), and shall prosecute or cause the prosecution of same to completion with reasonable diligence (collectively, the "extended cure period"), then the Agency shall not exercise any of its rights and remedies hereunder or under the PILOT Mortgage until expiration of the extended cure period.

(f) The Company (and not the Agency) shall give the Mortgagee notice of any arbitration or other proceeding or dispute by or between the parties hereto, and shall have the right to intervene therein and be made a party to any such arbitration or other proceeding.

(g) Except where the Mortgagee has succeeded to the interest of the Company in the Facility or assumed the right to cure as provided in this Section VIII, no liability for any payments to be made pursuant to this PILOT Agreement or the performance of any of the Company's covenants and agreements under this PILOT Agreement shall attach to or be imposed upon the Mortgagee, and if the Mortgagee or its nominee or designee succeeds to the interest of the Company in the Facility, all of the obligations and liabilities of the Mortgagee or its nominee or designee shall be limited to such entity's interest in the Facility and as otherwise imposed by this PILOT Agreement and shall cease and terminate upon assignment of this PILOT Agreement (any such further assignment to be approved by the Agency).

(h) Notwithstanding any provision of this PILOT Agreement, the Lease Agreement, the Leaseback Agreement or the PILOT Mortgage to the contrary, foreclosure of a mortgage or any sale of the Company's interest in this PILOT Agreement and/or the Facility in connection with a foreclosure, whether by judicial proceedings, or any conveyance of the Company's interest in this PILOT Agreement and/or the Facility to the Mortgagee or its nominee or designee by virtue of or in lieu of foreclosure or other appropriate proceedings, or any conveyance of the Company's interest in this PILOT Agreement and/or the Facility by the Mortgagee or its

nominee or designee, shall not require the consent or approval of the Agency and shall not be a default or Event of Default hereunder.

WHEREAS, by its Resolution, the Agency has conferred on the Company in connection with the Project certain benefits, exemptions and other financial assistance consisting of: (a) an exemption benefit from all New York State and local sales and use tax exemption benefits for purchases and rentals related to the Project with respect to the qualifying personal property included in or incorporated into the Facility or used in the acquisition, construction or equipping of the Facility, (b) an exemption benefit from mortgage recording tax, and (c) a partial abatement from real property taxes benefit conferred through a certain Payment in Lieu of Tax Agreement, dated as of March 1, 2022 (the "PILOT Agreement") requiring the Company to make payments in lieu of taxes ("PILOT Payments") for the benefit of each municipality and school district having taxing jurisdiction over the Project, (collectively, the sales and use tax exemption benefit, the mortgage recording tax benefit, and the partial abatement from real property taxes benefit, are hereinafter collectively referred to as the "Financial Assistance"); and

WHEREAS, pursuant to and in accordance with Sections 859-a and 874 of the Act, the Agency requires, as a condition and as an inducement for it to provide any Financial Assistance, that the Company enter into this Agent Agreement for the purposes of, among other things, to govern administration of and provide assurances with respect to the provision and recapture of said Financial Assistance upon the terms herein set forth; and

WHEREAS, this Agreement sets forth the terms and conditions under which Financial Assistance shall be provided to the Company; and

WHEREAS, no agent status in favor of the Company or any subagent thereof, nor any amount of Financial Assistance shall be provided to the Company by the Agency prior to the effective date of this Agent Agreement.

NOW THEREFORE, in consideration of the covenants herein contained and other good and valuable consideration the receipt and sufficiency of which are hereby acknowledged, it is mutually agreed as follows:

1. Purpose of Project and Scope of Agency. The purpose of the Agency's provision of Financial Assistance with respect to the Project is to promote, develop, encourage and assist in the acquiring, constructing, reconstructing, improving, maintaining, equipping and furnishing of the Project facility to advance job opportunities, health, general prosperity and economic welfare of the people of the County of Niagara, and to specifically promote the investment commitment, employment commitment, and other commitments of the Company contained herein and within the Company's Application.

Pursuant to the Resolution, the Agency has appointed the Company as agent to undertake the Project, as defined herein and within the Resolution. The Company hereby agrees to limit its activities as agent for the Agency under the authority of the Resolution to acts reasonably related to the acquisition and installation of certain machinery, equipment and building materials, all for incorporation and installation thereof in and around the Facility. Pursuant to the Resolution and this Agent Agreement, the Company has the power to delegate such agency, in whole or in part, to agents, subagents, contractors, subcontractors, contractors and subcontractors of such agents and subagents and to such other parties as the Company chooses including but not limited to the individuals and entities described on Schedule A attached hereto (collectively, the "Subagent"). The Company shall have the right to amend Schedule A from time to time and shall be responsible for maintaining an accurate list of all parties acting as agent for the Agency. The Company's right to appoint subagents is expressly conditioned upon updating of Schedule A, hereto, along with the timely filing of Form ST-60 (non-primary) for each subagent, with such updated Schedule A and a copy of and proof of filing of such ST-60 (non-primary) being immediately filed with the Agency. The right of the Company and all duly appointed subagents to act as agent of the Agency shall expire on December 31, 2023, unless extended as contemplated by the Resolution. The aggregate amount of work performed by the Company and all subagents as agent for the Agency shall not exceed the amounts identified in Section 2(h)(i) of this Agreement.

All contracts entered into by the Company and all subagents thereof as agent for the Agency shall include the language contained within Schedule B, hereto. Failure by the Company and/or any subagent thereof to include such language shall disqualify the agent status and sales tax exemptions derived by virtue of this Agent Agreement. The Company, for itself and on behalf of all duly appointed subagents, hereby agrees that all contracts entered into by the Company and any subagents thereof shall be available to the Agency for inspection and confirmation of the foregoing mandatory language.

2. Representations and Covenants of the Company. The Company makes the following representations and covenants in order to induce the Agency to proceed with the Project/Facility:

(a) The Company is a corporation duly organized, validly existing and in good standing under the laws of the State of New York, has the authority to enter into this Agent Agreement, and has duly authorized the execution and delivery of this Agent Agreement.

(b) Neither the execution and delivery of this Agent Agreement, the consummation of the transactions contemplated hereby nor the fulfillment of or compliance with the provisions of this Agent Agreement will conflict with or result in a breach of any of the terms, conditions or provisions of any restriction or any agreement or instrument to which the Company is a party or by which it is bound, or will constitute a default under any of the foregoing, or result in the creation or imposition of any lien of any nature upon any of the property of the Company under the terms of any such instrument or agreement.

(c) The Facility and the operation thereof will conform with all applicable zoning, planning, and building laws and regulations of governmental authorities having jurisdiction over the Facility, and the Company shall defend, indemnify and hold the Agency harmless from any liability or expenses resulting from any failure by the Company to comply with the provisions of this subsection (c).

(d) There is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, public board or body pending or, to the knowledge of the Company as of the date hereof, threatened against or affecting the Company, to which the Company is a party, and in which an adverse result would in any way adversely impact the Company's ability to fulfill its obligations under this Agent Agreement.

(e) The Company covenants that the Facility will comply in all respects with all environmental laws and regulations, and, except in compliance with environmental laws and regulations, (i) that no pollutants, contaminants, solid wastes, or toxic or hazardous substances will be stored, treated, generated, disposed of, or allowed to exist on the Facility except in compliance with all material applicable laws, (ii) that the Company will take all reasonable and prudent steps to prevent an unlawful release of hazardous substances onto the Facility or onto any other property, (iii) that no asbestos will be incorporated into or disposed of on the Facility, with removal of any asbestos from the Facility in compliance with applicable laws being permitted; (iv) that no underground storage tanks will be located on the Facility, and (v) that no

investigation, order, agreement, notice, demand or settlement with respect to any of the above is threatened, anticipated, or in existence. The Company upon receiving any information or notice contrary to the representations contained in this Section shall promptly notify the Agency in writing with full details regarding the same. The Company hereby releases the Agency from liability with respect to, and agrees to defend, indemnify, and hold harmless the Agency, its executive director, directors, members, officers, employees, agents (except the Company), representatives, successors, and assigns from and against any and all claims, demands, damages, costs, orders, liabilities, penalties, and expenses (including reasonable attorneys' fees) related in any way to any violation of the covenants or failure to be accurate of the representations contained in this Section. In the event the Agency in its reasonable discretion deems it necessary to perform due diligence with respect to any of the above, or to have an environmental audit performed with respect to the Facility, the Company agrees to pay the expenses of same to the Agency upon demand.

(f) Any personal property acquired by the Company in the name of the Agency shall be located in the City of Lockport, New York, except for temporary periods during ordinary use.

(g) In accordance with Section 875(3) of the New York General Municipal Law, the policies of the Agency, and the Resolution, the Company covenants and agrees that it may be subject to a Recapture Event Determination (as hereinafter defined) resulting in the potential recapture and/or termination of any and all Financial Assistance, as described below, if the Company receives, or any duly appointed subagents receives any Financial Assistance from the Agency, and it is determined by the Agency that:

(1) the Company or its Subagents, if any, authorized to make purchases for the benefit of the Project is not entitled to the sales and use tax exemption benefits; or

(2) the sales and use tax exemption benefits are in excess of the amounts authorized by the Agency to be taken by the Company or its Subagents, if any; or

(3) the sales and use tax exemption benefits are for property or services not authorized by the Agency as part of the Project; or

(4) the Company has made a materially, false or misleading statement, or omitted any information which, if included, would have rendered any information in the application or supporting documentation false or misleading in any material respect, on its application for Financial Assistance; or

(5) the Company fails to meet and maintain the thresholds and requirements representing certain material terms and conditions, all as further defined below, being the purposes to be achieved by the Agency with respect to its determination to provide Financial Assistance to the Project and required by the Agency to be complied with and adhered to, as evidenced by submission, as so required by the Agency, of written confirmation certifying and confirming on an annual basis beginning in the first year in which Financial Assistance is so claimed, through the conclusion of the later of either: (i) two (2) years following the construction completion date or (ii) the termination of this

Agent Agreement or the PILOT Agreement) (said date hereinafter referred to as the "Project Completion Date" and the time period so referenced being hereinafter defined as the "Material Terms and Conditions Monitoring Period") confirming those items and conditions in respect to job creation and retention and capital investment.

In order to certify and verify the foregoing, the Company shall provide annually, to the Agency, a certified statement and documentation: i) enumerating the full time equivalent jobs retained and the full time equivalent jobs created as a result of the financial assistance, by category, including full time equivalent independent contractors or employees of independent contractors that work at the project location, (ii) indicating that the salary and fringe benefit averages or ranges for categories of jobs retained and jobs created that was provided in the application for Financial Assistance is still accurate and if it is not still accurate, providing a revised list of salary and fringe benefit averages or ranges for categories of jobs retained and jobs created, and (iii) such other information, as so requested from time to time, to enable the Agency to assess the progress of the Project toward achieving the investment, job retention, job creation, or other objectives of the Project indicated in the Application for Financial Assistance.

The Company shall annually complete and submit to the Agency the Annual Employment and Financial Assistance Certification Report in the form attached hereto as **Exhibit F**. In addition, Company shall complete and submit to the Agency upon the completion of construction the Final Project Cost and Financing Report in the form attached hereto as **Exhibit G**. **Failure by the Company to complete and submit said forms to the Agency by February 15 of each applicable year during the Material Terms and Conditions Monitoring Period shall constitute an Event of Default hereunder, whereby the Agency, in its sole and absolute discretion, may terminate this Agreement and/or the PILOT Agreement and undertake a Recapture Event Determination.**

The findings made by the Agency with respect to Section 2(g)(1), (2), (3) and/or (4) and/or failure to provide the written confirmation as required by Section 2(g)(5) with respect to the thresholds and requirements as identified in Section 2(g)(5), above, and/or failure to meet the thresholds and requirements as identified in Section 2(g)(5) above, may potentially be determined by the Agency, in accordance with the Agency's "Recapture Policy", to constitute a failure to comply with Section 875(3) of the New York General Municipal Law, and/or a failure to comply with a material term or condition to use property or services or Agency Financial Assistance in the manner approved by the Agency in connection with the Project, and/or a failure to comply with the Agency's policies and Resolution (collectively, findings and determinations made as described herein with respect to Section 2(g)(1), (2), (3) and/or (4) and/or the failure under Section 2(g)(5) to submit the required certification and/or the failure to meet the required thresholds and requirements as specified in Section 2(g)(5) are hereby defined as a "Recapture Event Determination"). If the Agency makes a Recapture Event Determination, the Company agrees and covenants that it will (i) cooperate with the Agency in its efforts to recover or recapture any or all Financial Assistance obtained by the Company and (ii) promptly pay over any or all such amounts to the Agency that the Agency demands in connection therewith. Upon receipt of such amounts, the Agency shall then redistribute such amounts to the appropriate affected tax jurisdiction(s). The Company further understands and agrees that in the event that the Company fails to pay over such amounts to the Agency, the New York State Tax

Commissioner and/or local taxing authorities may assess and determine the Financial Assistance due from the Company, together with any relevant penalties and interest due on such amounts.

(h) In accordance with the Resolution and the Cost-Benefit Analysis (the "CBA") prepared by the Agency at its public hearing for the Project, (the "Public Hearing") the Company further: (i) covenants that the purchase of goods and services relating to the Project and subject to New York State and local sales and use taxes are estimated in an amount up to \$2,050,000.00, and, therefore, the value of the sales and use tax exemption benefits authorized and approved by the Agency, subject to Section 2(g) of this Agent Agreement, cannot exceed \$104,000.00, and (ii) confirms that real property tax abatement benefits to be provided to the Company shall conform to those disclosed within the CBA at the Public Hearing for the Project and as contained within the PILOT Agreement, a copy of such CBA and PILOT Agreement are attached hereto as **Exhibit D**.

(i) The Company further covenants and agrees to complete "IDA Appointment of Project Operator or Agent for Sales Tax Purposes" (NYS Form ST-60), in the form attached hereto as **Exhibit A**, for each Subagent, if any, and such other parties as the Company chooses who provide materials, equipment, supplies or services and forward said form to the State Department of Taxation and Finance within thirty (30) days of appointment.

(j) The Company acknowledges and agrees that all purchases made in furtherance of the Project shall be made using "IDA Agent or Project Operator Exempt Purchase Certificate" (NYS Form ST-123, and/or "Contractor Exempt Purchaser Certificate" (NYS Form ST-120.1), copies of which are attached hereto as **Exhibits B-1 and B-2** respectively, and it shall be the responsibility of the Company (and not the Agency) to complete NYS Form ST-123. The Company acknowledges and agrees that it shall identify the Project on each bill and invoice for such purchases and further indicate on such bills or invoices that the Company is making purchases of tangible personal property or services for use in the Project as agent of the Agency. For purposes of indicating who the purchaser is, the Company acknowledges and agrees that the bill or invoice should state, "I, TWOGOOD HOLDINGS LLC, certify that I am a duly appointed agent of the NIAGARA COUNTY INDUSTRIAL DEVELOPMENT AGENCY and that I am purchasing the tangible personal property or services for use in the Twogood Holdings LLC Project located at 75 Michigan Street, in the City of Lockport, New York 14094, IDA Project Number 2903-21-06". For convenience purposes, in the instance where the vendor does not print on each invoice the acknowledgment as described in the prior sentence, an "Invoice Rider" (a copy of which is attached hereto as **Exhibit B-3**) can be utilized for record keeping purposes.

(k) The Company further covenants and agrees to file an annual statement with the State Department of Taxation and Finance on "Annual Report of Sales and Use Tax Exemptions" (NYS Form ST-340, a copy of which is attached hereto as **Exhibit C**) regarding the value of sales and use tax exemptions the Company and its Subagents, if any, have claimed pursuant to the agency conferred on the Company with respect to the Project in accordance with General Municipal Law Section 874(8). The Company further covenants and agrees that it will, within thirty (30) days of each filing, provide a copy of same to the Agency; provided, however, in no event later than February 15<sup>th</sup> of each year. The Company understands and agrees that the failure

to file such annual statement will result in the removal of the Company's authority to act as agent for the Agency.

(l) The Company acknowledges and agrees that, except to the extent of bond proceeds (to the extent bonds are issued by the Agency with respect to the Project), the Agency shall not be liable, either directly or indirectly or contingently, upon any such contract, agreement, invoice, bill or purchase order in any manner and to any extent whatsoever (including payment or performance obligations), and the Company shall be the sole party liable thereunder.

(m) The Company covenants and agrees that at all times during the Material Terms and Conditions Monitoring Period, it will (i) maintain its existence and not dissolve, (ii) continue to be a limited liability company subject to service of process in the State and either organized under the laws of the State, or organized under the laws of any other state of the United States and duly qualified to do business in the State, (iii) not liquidate, wind-up or dissolve or otherwise sell, assign, or dispose of all or substantially all of its property, business or assets. This Agreement may not be assigned in whole or part without the prior written consent of the Agency

(n) The Company confirms and acknowledges under the penalty of perjury that as of the date hereof, the Company, as owner, occupant, or operator of the Project receiving Financial Assistance from the Agency in connection with the Project, is in substantial compliance with all applicable local, state and federal tax, worker protection and environmental laws, rules and regulations. The Company agrees that it will, throughout the term of this Agent Agreement, promptly comply in all material respects with all statutes, codes, laws, acts, ordinances, orders, judgments, decrees, injunctions, rules, regulations, permits, licenses, authorizations, directions and requirements of all federal, state, county, municipal and other governments, departments, commissions, boards, companies or associations insuring the premises, courts, authorities, officials and officers, foreseen or unforeseen, ordinary or extraordinary, which now or at any time hereafter may be applicable to the Facility or any part thereof, or to any use, manner of use or condition of the Facility or any part thereof. Notwithstanding the foregoing, the Company may in good faith contest the validity of the applicability of any requirement of the nature referred to this Section 2(n). In such event, the Company, with the prior written consent of the Agency (which shall not be unreasonably conditioned, delayed or withheld) may fail to comply with the requirement or requirements so contested during the period of such contest and any appeal therefrom unless the Agency shall notify the Company that it must comply with such requirement or requirements.

(o) The Company hereby acknowledges and agrees that the foregoing Agency Financial Assistance constitutes "public funds" unless otherwise excluded under Section 224-a(3) of the New York Labor Law, and by executing this Agreement, (i) confirms that it has received notice from the Agency pursuant to Section 224-a(8)(d) of the New York Labor Law and (ii) acknowledges its obligations pursuant to Section 224-a(8)(a) of the New York Labor Law. Other than the Agency Financial Assistance estimates provided herein and disclosed to the Company, the Agency makes no representations or covenants with respect to the total sources of "public funds" received by the Company in connection with the Project. If and to the extent that the Company determines that it is necessary and desirable to reduce the overall amount of

“public funds” to be received by the Company in connection with the Project, the Agency agrees to work cooperatively with the Company to adjust the total amount of Agency Financial Assistance to be provided to the Company, which will include, but may not be limited to amending this Agreement and/or the PILOT Agreement (and if the term of the PILOT Agreement is modified, the corresponding terms of the Lease Agreement and Leaseback Agreement shall be modified accordingly).

3. Hold Harmless Provision. The Company hereby releases the Agency from, agrees that the Agency shall not be liable for, and agrees to indemnify, defend and hold the Agency and its executive director, directors, members, officers, employees, agents (except the Company), representatives, successors and assigns harmless from and against, any and all (i) liability for loss or damage to property or injury to or death of any and all persons that may be occasioned by any cause whatsoever pertaining to the Facility or arising by reason of or in connection with the occupation or the use thereof or the presence on, in or about the Facility or breach by the Company of this Agent Agreement or (ii) liability arising from or expense incurred by the Agency’s financing, acquiring, constructing, rehabilitating, renovating, equipping, owning and leasing of the Equipment or of the Facility, including without limiting the generality of the foregoing, all causes of action and reasonable attorneys’ fees and any other expenses incurred in defending any suits or actions which may arise as a result of any of the foregoing. The foregoing indemnities shall apply notwithstanding the fault or negligence on the part of the Agency, or any of its respective executive director, directors, members, officers, agents or employees and irrespective of the breach of a statutory obligation or the application of any rule of comparative or apportioned liability, except that such indemnities will not be applicable with respect to willful misconduct or gross negligence on the part of the Agency or any other person or entity to be indemnified.

4. Insurance Required. At all times throughout the term of the Leaseback Agreement, including without limitation during any period of construction of the Facility, the Company shall maintain or cause to be maintained insurance against such risks and for such amounts as are customarily insured against by businesses of like size and type paying, as the same become due and payable, all premiums in respect thereto, including, but not necessarily limited to:

(a) Insurance against loss or damage by fire, lightning and other casualties, with a uniform standard extended coverage endorsement, such insurance to be in an amount not less than the full replacement value of the Facility, exclusive of excavations and foundations, as determined by a recognized appraiser or insurer selected by the Company; or as an alternative to the foregoing the Company may insure the Facility under a blanket insurance policy or policies covering not only the Facility but other properties as well, provided a periodic appraisal is performed and provided to the Agency.

(b) Worker’s compensation insurance, disability benefits insurance, and each other form of insurance which the Agency or the Company is required by law to provide, covering loss resulting from injury, sickness, disability or death of employees of the Company who are located at or assigned to the Facility.

Insurance against loss or losses from liabilities imposed by law or assumed in any written contract (including the contractual liability assumed by the Company under Section 5.2 hereof) and arising from personal injury and death or damage to the property of others caused by any accident or occurrence, with limits of not less than \$1,000,000 per accident or occurrence on account of personal injury, including death resulting therefrom, and \$1,000,000 per accident or occurrence on account of damage to the property of others, excluding liability imposed upon the Company by any applicable workmen's compensation law; and a blanket excess liability policy in the amount not less than \$3,000,000, protecting the Company against any loss or liability or damage for personal injury or property damage.

Additional Provisions Respecting Insurance.

(c) All insurance required by Section 3.4(a) hereof shall name the Agency as a named insured and all other insurance required by Section 3.4 above shall name the Agency as an additional insured. All insurance shall be procured and maintained in financially sound and generally recognized responsible insurance companies selected by the Company and authorized to write such insurance in the State. Such insurance may be written with deductible amounts comparable to those on similar policies carried by other companies engaged in businesses similar in size, character and other respects to those in which the Company is engaged. All policies evidencing such insurance shall provide for (i) payment of the losses of the Company and the Agency as their respective interest may appear, and (ii) at least thirty (30) days' written notice of the cancellation thereof to the Company and the Agency to the extent permitted by the applicable policy with the Company to provide proof of continuing insurance as required hereby on request by the Agency.

(d) All such certificates of insurance of the insurers that such insurance is in force and effect, shall be deposited with the Agency on or before the commencement of the term of this Leaseback Agreement. Prior to expiration of the policy evidenced by said certificates, the Company shall furnish the Agency evidence that the policy has been renewed or replaced or is no longer required by this Leaseback Agreement.

(e) Within one hundred twenty (120) days after the end of each of its fiscal years, the Company shall file with the Agency a certificate of the Company to the effect that the insurance it maintains with respect to the Project complies with the provisions of this Article III and that duplicate copies of all policies or certificates thereof have been filed with the Agency and are in full force and effect.

5. Additional Provisions Respecting Insurance. (a) Such insurance may be written with deductible amounts comparable to those on similar policies carried by other companies engaged in businesses similar in size, character and other respects to those in which the Company is engaged. All policies evidencing such insurance shall provide for payment of the losses of the Company and the Agency as their respective interests may appear. The Company shall cause all contractors and agents of the Company undertaking the Project to carry and provide evidence of insurance as required within Section 4(a) and 4(b) of this Agreement, with the Agency named as an additional insured.

(b) All such certificates of insurance of the insurers indicating that such insurance is in force and effect, and all policies (if applicable), shall be deposited with the Agency on the date hereof. At least thirty (30) days prior to expiration of the policy evidenced by said certificates, the Company shall furnish the Agency evidence that the policy has been renewed or replaced or is no longer required by this Agent Agreement.

6. This Agent Agreement may be executed in any number of counterparts each of which shall be deemed an original but which together shall constitute a single instrument.

## Instructions

### When to file

An IDA must file this form within 30 days of the date they appoint any project operator or other person as agent of the IDA, for purposes of extending any sales and use tax exemptions.

### Requirements to file

The IDA must file a separate form for each person it appoints as agent, whether directly or indirectly, and regardless of whether the person is the primary project operator or agent. If the IDA authorizes a project operator or agent to appoint other persons as agent of the IDA, the operator or agent making such an appointment must advise the IDA that it has done so, so that the IDA can file a form within 30 days of the date of the new agent's appointment. The IDA should not file this form for a person hired to work on an IDA project if that person is not appointed as agent of the IDA. The IDA should not file this form if they do not extend any sales or use tax exemption benefits for the project.

If an IDA modifies a project, such as by extending it beyond its original completion date, or by increasing or decreasing the amount of sales and use tax exemption benefits authorized for the project, they must, within 30 days of the change, file a new form with the new information.

### If the information on this form changes

If an IDA amends, revokes, or cancels the appointment of an agent, or if an agent's appointment becomes invalid for any reason, the IDA, within 30 days, must send a letter to the address below for filing this form, indicating that the appointment has been amended, revoked, or cancelled, or is no longer valid, and the effective date of the change. They must attach to the letter a copy of the form it originally filed. The IDA should not send a letter for a form that is not valid merely because the *Completion date of project* has passed.

### Misuse of this certificate

Misuse of this exemption certificate may subject you to serious civil and criminal sanctions in addition to the payment of any tax and interest due. These include:

- a penalty equal to 100% of the tax due;
- a \$50 penalty for each fraudulent exemption certificate issued;
- criminal felony prosecution, punishable by a substantial fine and a possible jail sentence; and
- revocation of your *Certificate of Authority*, if you are required to be registered as a vendor. See TSB-M-09(17)S, *Amendments that Encourage Compliance with the Tax Law*

and Enhance the Tax Department's Enforcement Ability, for more information.

### To the seller

When making purchases that qualify for exemption from sales and use tax, the contractor must provide you with this exemption certificate with all entries completed to establish the right to the exemption.

As a New York State registered vendor, you may accept an exemption certificate in lieu of collecting tax and be protected from liability for the tax if the certificate is valid. The certificate will be considered valid if it is:

- accepted in good faith;
- in your possession within 90 days of the transaction; and
- properly completed (all required entries were made).

An exemption certificate is accepted in good faith when you have no knowledge that the exemption certificate is false or is fraudulently given, and you exercise reasonable ordinary due care. If you do not receive a properly completed certificate within 90 days after the delivery of the property or service, you will share with the purchaser the burden of proving the sale was exempt.

Failure to collect sales or use tax, as a result of accepting an improperly completed exemption certificate or receiving the certificate more than 90 days after the sale, will make you personally liable for the tax plus any penalty and interest charges due.

You must maintain a method of associating an invoice (or other source document) for an exempt sale with the exemption certificate you have on file from the purchaser. You must also keep this certificate at least three years after the due date of your sales tax return to which it relates, or the date the return was filed, if later.

**Caution:** You will be subject to additional penalties if you sell tangible personal property or services subject to tax, or purchase or sell tangible personal property for resale, without possessing a valid *Certificate of Authority*. In addition to the criminal penalties imposed under the New York State Tax Law, you will be subject to a penalty of up to \$500 for the first day on which such a sale or purchase is made; plus up to \$200 for each subsequent day on which such a sale or purchase is made, up to the maximum allowed.

## Instructions

### To the purchaser

You may use Form ST-123 if you:

- have been appointed as an agent or project operator by an industrial development agency (IDA) and
- the purchases qualify for exemption from sales and use tax as described in the IDA contract.

You may use Form ST-123 as a single-purchase certificate or as a blanket certificate covering the first and subsequent purchases qualifying for the project listed.

**Agent or project operator sales tax ID number** — If you are registered with the Tax Department for sales tax purposes, you must enter your sales tax identification number on this certificate. If you are not required to be registered, enter *N/A*.

*Industrial development agencies and authorities (IDAs)* are public benefit corporations under General Municipal Law Article 18-A and the Public Authorities Law, for the purpose of promoting, developing, encouraging, and assisting in the acquisition, construction, reconstruction, improvement, maintenance, equipping, and furnishing of industrial, manufacturing, warehousing, commercial, research, and recreational facilities in New York State.

IDAs are exempt from the payment of sales and use tax on their purchases, in accordance with Tax Law section 1116(a)(1). However, IDAs do not normally make direct purchases for projects. Commonly, IDAs instead appoint a business enterprise or developer, contractor, or subcontractor as its agent or project operator. Such purchases made by the agent or project operator, acting within the authority granted by the IDA, are deemed to be made by the IDA and therefore exempt from tax.

*Example 1: IDA agreement with its agent or project operator states that contractor X may make all purchases of materials and equipment necessary for completion of the project, as agent for the IDA. Contractor X rents a backhoe and a bulldozer for site preparation, purchases concrete and lumber to construct a building, and purchases machinery to be installed in the building. All these purchases by contractor X as agent of the IDA are exempt from tax.*

*Example 2: IDA agreement with its agent or project operator states that contractor X may make all purchases of materials and equipment to be incorporated into the project, as agent for the IDA. Contractor X makes the same purchases as in Example 1. Since the concrete, lumber, and machinery will actually be incorporated into the project, contractor X may purchase these items exempt from tax. However, rental of the backhoe and bulldozer is not exempt since these transactions are normally taxable and the IDA agreement does not authorize contractor X to make such rentals as agent of the IDA.*

A contractor or subcontractor not appointed as agent or project operator of an IDA must present suppliers with Form ST-120.1, *Contractor Exempt Purchase Certificate*, when making purchases that are ordinarily exempt from tax in accordance with Tax Law sections 1115(a)(15) and 1115(a)(16). For more information, see Form ST-120.1.

### Exempt purchases

To qualify, the purchases must be made within the authority granted by the IDA and used to complete the project (not to operate the completed project).

- Mark box A to indicate you are purchasing tangible personal property and services (other than utility services and motor vehicles or tangible personal property installed in a qualifying motor vehicle) exempt from tax.
- Mark box B to indicate you are purchasing certain consumer utility services used in completing the project exempt from tax. This includes gas, electricity, refrigeration, and steam; and gas, electric, refrigeration, and steam services.
- Mark box C to indicate you are purchasing a motor vehicle or tangible personal property related to a qualifying motor vehicle exempt from tax.

### Misuse of this certificate

Misuse of this exemption certificate may subject you to serious civil and criminal sanctions in addition to the payment of any tax and interest due. These include:

- A penalty equal to 100% of the tax due;
- A \$50 penalty for each fraudulent exemption certificate issued;
- Criminal felony prosecution, punishable by a substantial fine and a possible jail sentence; and
- Revocation of your *Certificate of Authority*, if you are required to be registered as a vendor. See TSB-M-09(17)S, *Amendments that Encourage Compliance with the Tax Law and Enhance the Tax Department's Enforcement Ability*, for more information.

### To the seller

When making purchases as agent or project operator of an IDA, the purchaser must provide you with this exemption certificate with all entries completed to establish the right to the exemption. You must identify the project on each bill and invoice for such purchases and indicate on the bill or invoice that the IDA or agent or project operator of the IDA was the purchaser.

As a New York State registered vendor, you may accept an exemption certificate in lieu of collecting tax and be protected from liability for the tax if the certificate is valid. The certificate will be considered valid if it is:

- accepted in good faith;
- in your possession within 90 days of the transaction; and
- properly completed (all required entries were made).

An exemption certificate is accepted in good faith when you have no knowledge that the exemption certificate is false or is fraudulently given, and you exercise reasonable ordinary due care. If you do not receive a properly completed certificate within 90 days after the delivery of the property or service, you will share with the purchaser the burden of proving the sale was exempt.

You must also maintain a method of associating an invoice (or other source document) for an exempt sale with the exemption certificate you have on file from the purchaser. You must keep this certificate at least three years after the due date of your sales tax return to which it relates, or the date the return was filed, if later.

## Instructions

### General information

#### Who must file

The General Municipal Law (GML) and the Public Authorities Law require the agent/project operator (also known as the *project occupant*) of an Industrial Development Agency or Authority (IDA) to file an annual report with the Tax Department. The agent/project operator required to file this report is the person directly appointed by the IDA to act for and to represent the IDA for the project. The agent/project operator is ordinarily the one for whom the IDA project was created.

There is usually only one agent/project operator directly appointed by the IDA for an IDA project. However, if the IDA directly appoints multiple agents/project operators, each agent/project operator must file this form (unless they are related corporations).

Only the agent/project operators directly appointed by the IDA must file Form ST-340. Contractors, subcontractors, consultants, or agents appointed by the agent/project operators should not themselves file Form ST-340. However, the agent/project operators must include on Form ST-340 information obtained from such contractors, subcontractors, consultants, and agents, as described below.

#### What you must report

The report must show the total value of all state and local sales and use taxes exempted during the calendar year, as a result of the project's designation as an IDA project. This includes:

- the value of the exemptions the agent/project operator (you) obtained; and
- the value of the exemptions obtained by your contractors, subcontractors, consultants, and others, whether or not appointed as agents of the IDA.

Include only the total combined exemptions obtained by the above people. A breakdown of the total is not required. However, since the report must include the value of the exemptions they obtained, you must keep records of the amounts others report to you.

You must make it clear to the contractors, subcontractors, consultants, and others that they must keep accurate tax information and have it available, so that you can comply with the annual reporting requirements.

Do not include on this report the amount of any sales and use tax exemptions from other provisions of the Tax Law (for example, manufacturer's production equipment exemption, research and development exemption, or contractor's exemption for tangible personal property incorporated into a project of an exempt organization).

#### When the report is due

You must file Form ST-340 on a calendar-year basis. It is due by the last day of February of the following year. The reporting requirement applies to IDA projects started on or after July 21, 1993.

#### Project information

At the top of the form, identify the reporting period by entering the year in the space provided. If an address is required, always include the ZIP code.

**Name of IDA agent/project operator:** Enter your name, address, employer identification number (EIN), and telephone number.

**Name of IDA and IDA project number:** Enter the name and address of the IDA. If more than one IDA is involved in a particular project, you must file a separate report for the tax exemptions attributable to each IDA. Also enter the ID project number.

**Name of project:** Enter the name of the project and the address of the project site. If you are involved in more than one project, you

must file a separate report for each project, even if authorized by the same IDA.

**Date project began:** Enter the date the project started (this means the earliest of the date of any bond or inducement resolution, the execution of any lease, or any bond issuance). Include month, day, and year.

**Completion date of project:** Enter the date installation, lease, or rental of property (for example, machinery or computers) on the project ended, or the date the project is expected to be completed. Mark an X in the appropriate box to indicate if the date entered is actual or expected.

**Total sales and use tax exemptions:** Enter the total amount of New York State and local sales and use taxes exempted during the reporting period as a result of the project's receipt of IDA financial assistance (*if none, enter 0*). This includes exemptions obtained at the time of purchase, as well as through a refund or credit of tax paid. Include the sales and use taxes exempted on purchases of property or services incorporated into or used on the exempt project. This includes the taxes exempted on purchases made by or on behalf of the agent/project operator, the general contractor for the project, and any subcontractors, consultants, or others. Do not enter total purchases.

### Representative information

If applicable, enter the name, address, title (for example, attorney or accountant), and telephone number of the individual you authorize to submit this report. This section is not required.

### Certification

Enter the name and title of the person signing on your behalf (for example, the IDA agent/project operator's officer, employee, or other authorized representative). Your officer, employee, or authorized representative must sign and date the report.

## PAYMENT-IN-LIEU-OF-TAX AGREEMENT

THIS PAYMENT-IN-LIEU-OF-TAX AGREEMENT (the "PILOT Agreement"), dated as of the 1<sup>st</sup> day of March, 2022, is by and between the **NIAGARA COUNTY INDUSTRIAL DEVELOPMENT AGENCY**, a public benefit corporation duly existing under the laws of the State of New York with its offices at 6311 Inducon Corporate Drive, Suite 1, Sanborn, New York 14132 (the "Agency") and **TWOGOOD HOLDINGS LLC**, a New York limited liability company formed and existing under the laws of the State of New York, with offices located at 75 Michigan Street, Lockport, New York 14094 (the "Company").

### WITNESSETH:

WHEREAS, the Agency was created by Chapter 569 of the Laws of 1972 of the State of New York pursuant to Title I of Article 18-A of the General Municipal Law of the State of New York (collectively, the "Act") as a body corporate and politic and as a public benefit corporation of the State of New York; and

WHEREAS, the Company has requested the Agency's assistance with a certain project (the "Project") consisting of: (A) the acquisition or retention by the Agency of a leasehold interest in, a parcel of land located at 75 Michigan Street in the City of Lockport, Niagara County, New York (the "Land"); (B) together with the approximately 54,000 sq. foot building located on the Land (the "Existing Improvements"); (C) the renovation of the Existing Improvements to include upgrades to include, upgrading the entire warehouse and offices while building out additional offices, and install roof-top solar or wind technology. ("Improvements"); and (D) the acquisition and installation in and around the Improvements of certain items of machinery, equipment and other tangible personal property (the "Equipment" and collectively with the Land and the Improvements, the "Facility").

WHEREAS, in order to induce the Company to acquire, construct and equip the Facility, the Agency is willing to take a leasehold interest in the land, improvements and personal property constituting the Facility and lease said land, improvements and personal property back to the Company pursuant to the terms and conditions of a certain Leaseback Agreement, dated on or about the date hereof (the "Leaseback Agreement"); and

WHEREAS, pursuant to Section 874(1) of the Act, the Agency is exempt from the payment of taxes imposed upon real property and improvements owned by it or under its jurisdiction, control or supervision, other than special ad valorem levies, special assessments and service charges against real property which are or may be imposed for special improvements or special district improvements; and

WHEREAS, the Agency and the Company deem it necessary and proper to enter into an agreement making provisions for payments-in-lieu-of-taxes by the Company to the Agency for the benefit of Niagara County (the "County"), the City of Lockport (the "City"), the Lockport City School District (the "School District" and, collectively with the County and City, the "Affected Tax Jurisdictions").

NOW, THEREFORE, in consideration of the covenants herein contained, and other good and valuable consideration the receipt and sufficiency of which are hereby acknowledged, it is mutually agreed as follows:

Section I - Payment in lieu of Ad Valorem Taxes:

Section 1.1 A. Subject to the completion and filing by the taxable status date (**March 1, 2023**) (the "Taxable Status Date") of New York State Form RP-412-a Application For Real Property Tax Exemption (the "Exemption Application") under Section 412-a of the New York State Real Property Tax Law and Section 874 of the Act and the approval of the Exemption Application by the appropriate assessors or Board of Assessment Review, the Facility shall be exempt from Real Estate Taxes for the periods set forth in Section 1.3 hereof. For purposes of the foregoing "Real Estate Taxes" means all general levy real estate taxes levied against the Facility by the Town, County and School. The Company shall provide to the Agency with the information necessary for the completion and filing of the Exemption Application and shall provide such additional information and take such actions as are required by the appropriate assessors or Board of Assessment Review to process and approve the Exemption Application. Notwithstanding anything contained herein or in the Leaseback Agreement to the contrary, in the event the exemption from Real Estate Taxes is denied for any reason, the Company shall pay (and hereby agrees to pay) all Real Estate Taxes levied upon the Facility as they become due. After giving written notice to the Agency, the Company may in good faith contest the denial of the Exemption Application, provided that (i) the overall operating efficiency of the Facility is not impaired and the Facility continues to qualify as a "project" under the Act; (ii) neither the Facility nor any part of or interest in it would be in any danger of being sold, forfeited or lost; or (iii) neither the Company nor the Agency, as a result of such contest, shall be in any danger of any civil or criminal liability. The Company hereby waives any claim or cause of action against the Agency, and releases the Agency from any liability to the Company, arising from the denial of an exemption from Real Estate Taxes except to the extent that such denial results solely from the failure of the Agency to file the Exemption Application with the appropriate assessors or Board of Assessment Review by the Taxable Status Date.

B. Payee. As long as the Agency has fee title to or leasehold or other interest in the Facility, the Company agrees to pay annually to the Affected Tax Jurisdictions as a payment-in-lieu-of-taxes, on or before October 1 of each calendar year for School taxes and on or before January 1 of each calendar year for County and City taxes (collectively, the "Payment Date"), commencing on October 1, 2023 and January 1, 2024, respectively, an amount equal to the PILOT Payment, as described on Schedule A attached hereto.

The parties agree and acknowledge that payments made hereunder are to obtain revenues for public purposes, and to provide a revenue source that the Affected Tax Jurisdictions would otherwise lose because the subject parcels are not on the tax rolls.

1.2 Allocation. To the extent the Agency receives any PILOT Payment, the Agency shall remit to the Affected Tax Jurisdictions amounts received hereunder within thirty (30) days of receipt of said payment and shall allocate said payments among the Affected Tax Jurisdictions in the same proportion as ad valorem taxes would have been allocated but for the Agency's involvement, unless the Affected Tax Jurisdictions have consented in writing to a specific allocation.

1.3 Tax Rates. For purposes of determining the allocation of the Total PILOT Payment among the Affected Tax Jurisdictions, the Agency shall use the last tax rate utilized for levy of taxes by each such jurisdiction. For County, Town and special district purposes, the tax rates used to determine the allocation of the Total PILOT Payment shall be the tax rates relating to the calendar year which includes the PILOT payment due date. For school district purposes, the tax rates used to determine the PILOT payment shall be the rate relating to the school year which includes the PILOT payment due date.

1.4 Valuation of Future Additions to the Facility: If there shall be a future addition to the Facility constructed or added in any manner after the date of this PILOT Agreement, other than the Project, the Company shall notify the Agency of such future addition ("Future Addition"). The notice to the Agency shall contain a copy of the application for a building permit, plans and specifications, and any other relevant information that the Agency may thereafter request. Upon the earlier of substantial completion, or the issuance of a certificate of occupancy for any such Future Addition to the Facility, the Company shall become liable for payment of an increase in the Total PILOT Payment. The Agency shall notify the Company of any proposed increase in the Total PILOT Payment related to such Future Addition. If the Company shall disagree with the determination of assessed value for any Future Additions made by the Agency, then and in that event that valuation shall be fixed by a court of competent jurisdiction. Notwithstanding any disagreement between the Company and the Agency, the Company shall pay the increased PILOT payment until a different Total PILOT Payment shall be established. If a lesser Total Annual Payment is determined in any proceeding or by subsequent agreement of the parties, the Total PILOT Payment shall be re-computed and any excess payment shall be refunded to the Company or, in the Agency's sole discretion, such excess payment shall be applied as a credit against the next succeeding PILOT payment(s).

1.5 Period of Benefits. The tax benefits provided for herein should be deemed to include (i) the 2023/2024 School tax year through the 2037/2038 School tax year, and (ii) the 2024 County and City tax year through the 2038 County and City tax year. This PILOT Agreement shall expire on **December 31, 2038**; provided, however, the Company shall pay the 2038/2039 School tax bills and the 2039 County and City tax bills on the dates and in the amounts as if the Agency were not in title on the tax status date with respect to said tax years. In no event shall the Company be entitled to receive tax benefits relative to the Facility for more than the periods provided for herein, unless the period is extended by amendment to this PILOT Agreement executed by both parties after any applicable public hearings. The Company agrees

that it will not seek any tax exemption for the Facility which could provide benefits for more than the periods provided for herein and specifically agrees that the exemptions provided for herein, to the extent actually received (based on the number of lease years elapsed), supersede and are in substitution of the exemptions provided by Section 485-b of the New York Real Property Tax Law ("RPTL"). It is hereby agreed and understood that the Affected Tax Jurisdictions can rely upon and enforce the above waiver to the same extent as if they were signatories hereto.

Section II - Special Assessments and Service Charges.

2.1 Special district charges, special assessments, and special ad valorem levies (specifically including but not limited to fire district charges), and pure water charges and sewer charges are to be paid in full in accordance with normal billing practices.

Section III - Transfer of Facility.

3.1 In the event that the Facility is transferred from the Agency to the Company (the lease/leaseback agreements are terminated), and the Company is ineligible for a continued tax exemption under some other tax incentive program, or the exemption results in a payment to the Affected Tax Jurisdictions in excess of the payment described in Section I herein, or this PILOT Agreement terminates and the property is not timely transferred back to the Company, the Company agrees to pay no later than the next tax lien date (plus any applicable grace period), to each of the Affected Tax Jurisdictions, an amount equal to the taxes and assessments which would have been levied on the Facility if the Facility had been classified as fully taxable as of the date of transfer or loss of eligibility of all or a portion of the exemption described herein or date of termination.

Section IV - Assessment Challenges.

4.1 The Company shall have all of the rights and remedies of a taxpayer as if and to the same extent as if the Company were the owner of the Facility, with respect to any proposed assessment or change in assessment with respect to the Facility by any of the Affected Tax Jurisdictions and likewise shall be entitled to protest before and be heard by the appropriate assessors or Board of Assessment Review, and shall be entitled to take any and all appropriate appeals or initiate any proceedings to review the validity or amount of any assessment or the validity or amount of any tax equivalent provided for herein.

4.2 The Company shall have all of the rights and remedies of a taxpayer with respect to any tax, service charge, special benefit, ad valorem levy, assessment, or special assessment or service charge in lieu of which the Company is obligated to make a payment pursuant to this PILOT Agreement, as if and to the same extent as if the Company were the owner of the Facility.

4.3 The Company shall (i) cause the appropriate real estate tax assessment office and tax levy officers to assess the Facility and apply tax rates to the respective assessments as if the Facility were owned by the Company, (ii) file any accounts or tax returns required by the appropriate real estate tax assessment office and tax levy officers.

## Section V - Changes in Law.

5.1 To the extent the Facility is declared to be subject to taxation or assessment by an amendment to the Act, other legislative change, or by final judgment of a Court of competent jurisdiction, the obligations of the Company hereunder shall, to such extent, be null and void.

## Section VI - Events of Default and Remedies.

6.1 The following shall constitute "Events of Default" hereunder. The failure by the Company to: (i) make the payments described in Section I within thirty (30) days of the Payment Date (the "Delinquency Date"); provided the Company has received notice of the amounts due and the due date for the same; (ii) make any other payments described herein on or before the last day of any applicable cure period within which said payment can be made without penalty; or (iii) the occurrence and continuance of any events of default under the Leaseback Agreement after any applicable cure periods. Upon the occurrence of any Event of Default hereunder, in addition to any other right or remedy the Agency and/or the Affected Tax Jurisdictions may have at law or in equity, the Agency and/or Affected Tax Jurisdictions may, immediately and without further notice to the Company (but with notice to the Agency with respect to actions maintained by the Affected Tax Jurisdictions) pursue any action in the courts to enforce payment or to otherwise recover directly from the Company any amounts so in default. The Agency and the Company hereby acknowledge the right of the Affected Tax Jurisdictions to recover directly from the Company any amounts so in default pursuant to Section 874(6) of the General Municipal Law and the Company shall immediately notify the Agency of any action brought, or other measure taken, by any Affected Tax Jurisdiction to recover any such amount.

6.2 If payments pursuant to Section I herein are not made by the Delinquency Dates, or if any other payment required to be made hereunder is not made by the last day of any applicable cure period within which said payment can be made without penalty, the Company shall pay penalties and interest as follows. With respect to payments to be made pursuant to Section I herein, if said payment is not received by the Delinquency Date defined in Section 6.1 herein, Company shall pay, in addition to said payment, (i) a late payment penalty equal to five percent (5%) of the amount due and (ii) for each month, or any part thereof, that any such payment is delinquent beyond the first month, interest on the total amount due plus the late payment penalty, in an amount equal to one percent (1%) per month. With respect to all other payments due hereunder, if said payment is not paid within any applicable cure period, Company shall pay, in addition to said payment, the greater of the applicable penalties and interest or penalties and interest which would have been incurred had payments made hereunder been tax payments to the Affected Tax Jurisdictions.

6.3 Upon the occurrence of an Event of Default hereunder, the liability of the Company hereunder shall be all amounts due pursuant to Section I hereof through, but not including, the date on which the Facility is no longer exempt from Real Estate Taxes together with all other amounts due pursuant to Section 6.2 hereof and clause (a) of Section 7 of the PILOT Mortgage (as hereinafter defined).

6.4 Subject to the rights of the mortgagees set forth in Section VIII below, whenever any Event of Default under Section 6.1 hereof shall have occurred and be continuing with respect to this PILOT Agreement, the remedies of the Agency shall be limited to the rights hereunder, under the Leaseback Agreement and under the PILOT Mortgage, subject to the rights of any lenders to cure any such Event of Default as set forth in Section VIII hereof.

#### Section VII - Assignment.

7. No portion of any interest in this PILOT Agreement may be assigned by the Company, nor shall any person other than the Company be entitled to succeed to or otherwise obtain any benefits of the Company hereunder without the prior written consent of the Agency, which shall not be unreasonably withheld or delayed.

#### Section VIII – Rights of Mortgagees.

8.1 For the purposes of this PILOT Agreement, the term “mortgages” shall include any mortgage, leasehold mortgage, purchase money mortgage or other security instrument or instruments encumbering the Facility, such as, without limitation, mortgages, deeds of trust, financing statements, assignments of leases, rents and/or profits, security agreements and other documentation which a mortgage may require, and the terms “holder of a mortgage” and “mortgage” shall mean the secured party under any of the foregoing instruments. ANY MORTGAGE SHALL BE A LIMITED, NON-RECOURSE OBLIGATION OF THE AGENCY AND SHALL IN NO EVENT REQUIRE THE PAYMENT BY THE AGENCY TO ANY PARTY OF ANY AMOUNT INCLUDING, BUT NOT LIMITED TO, PRINCIPAL, INTEREST OR ANY OTHER AMOUNT SECURED BY ANY SUCH MORTGAGE.

8.2 So long as the mortgage shall remain unsatisfied of record or until written notice of satisfaction is given by the Mortgagee to the Agency, the following provisions shall, subject to and unless otherwise prohibited by all applicable law including, but not limited to, the Act, apply (in respect of such mortgage and of any other mortgages which also comply with the above):

(a) There shall be no renewal, cancellation, surrender, acceptance of surrender, amendment or modification of this PILOT Agreement, or the PILOT Mortgage by joint action of the Agency and the Company along, without, in each case, the prior consent in writing of the Mortgagee, nor shall any merger result from the acquisition by, or devolution upon, any one entity of any fee and/or leasehold estates in the Facility.

(b) The Agency shall, at no cost to the Agency and at the sole cost of the Company, upon receipt of any notice or other communication, whether of default or any other matter, simultaneously serve a copy of such notice upon the Mortgagee, and no such notice of other communication to the Company shall be deemed received unless a copy is so served upon the Mortgagee in the manner provided in this PILOT Agreement for the giving of notice.

(c) Notwithstanding anything to the contrary herein, if the Agency serves a notice of default upon the Company, it shall, at no cost to the Agency and at the sole cost of the Company, also serve a copy of such notice upon the Mortgagee at the address set forth in Section 9.2 hereof.

(d) In the event of any default by the Company under this PILOT Agreement, the Mortgagee shall have fifteen (15) days for a monetary default and thirty (30) days in the case of any other default, after notice to the Mortgagee of such default (which notice shall be given in the manner set forth in Section 9.2 below), to cure or to cause to be cured the default complained of and the Agency shall accept such performance by or at the instigation of the Mortgagee as if same had been done by the Company. Each notice of default given by the Agency will state the amounts of any payments herein provided that are then claimed to be in default.

(e) If, before the expiration of the Mortgagee's cure period as provided in paragraph (3) above, the Mortgagee shall have notified the Agency in writing of its agreement to pay or cause to be paid, within fifteen (15) days after the expiration of mortgagor's cure period, all payments in this PILOT Agreement provided for and then in default, and/or in the case of non-monetary defaults, shall have agreed within forty-five (45) days to commence or cause to be commenced the cure of such non-monetary defaults, if any are then in default (other than defaults which by their nature cannot be cured), and shall prosecute or cause the prosecution of same to completion with reasonable diligence (collectively, the "extended cure period"), then the Agency shall not exercise any of its rights and remedies hereunder or under the PILOT Mortgage until expiration of the extended cure period.

(f) The Company (and not the Agency) shall give the Mortgagee notice of any arbitration or other proceeding or dispute by or between the parties hereto, and shall have the right to intervene therein and be made a party to any such arbitration or other proceeding.

(g) Except where the Mortgagee has succeeded to the interest of the Company in the Facility or assumed the right to cure as provided in this Section VIII, no liability for any payments to be made pursuant to this PILOT Agreement or the performance of any of the Company's covenants and agreements under this PILOT Agreement shall attach to or be imposed upon the Mortgagee, and if the Mortgagee or its nominee or designee succeeds to the interest of the Company in the Facility, all of the obligations and liabilities of the Mortgagee or its nominee or designee shall be limited to such entity's interest in the Facility and as otherwise imposed by this PILOT Agreement and shall cease and terminate upon assignment of this PILOT Agreement (any such further assignment to be approved by the Agency).

(h) Notwithstanding any provision of this PILOT Agreement, the Lease Agreement, the Leaseback Agreement or the PILOT Mortgage to the contrary, foreclosure of a mortgage or any sale of the Company's interest in this PILOT Agreement and/or the Facility in connection with a foreclosure, whether by judicial proceedings, or any conveyance of the Company's interest in this PILOT Agreement and/or the Facility to the Mortgagee or its nominee or designee by virtue of or in lieu of foreclosure or other appropriate proceedings, or any conveyance of the Company's interest in this PILOT Agreement and/or the Facility by the Mortgagee or its

nominee or designee, shall not require the consent or approval of the Agency and shall not be a default or Event of Default hereunder.

Section IX -- Miscellaneous.

9.1 This PILOT Agreement may be executed in any number of counterparts each of which shall be deemed an original but which together shall constitute a single instrument.

9.2 All notices, claims and other communications hereunder shall be in writing and shall be deemed to be duly given if personally delivered or mailed first class, postage prepaid, as follows:
