NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE AGENCY AS FOLLOWS:

Section 1. The Company has presented an application in a form acceptable to the Agency. Based upon the representations made by the Company to the Agency in the Company's application, the Agency hereby finds and determines that:

(B) The Agency has the authority to take the actions contemplated herein under the Act; and

(C) The action to be taken by the Agency will induce the Company to develop the Project, thereby increasing employment opportunities in Niagara County and otherwise furthering the purposes of the Agency as set forth in the Act; and

(D) The Project will not result in the removal of a civic, commercial, industrial, or manufacturing plant of the Company or any other proposed occupant of the Project from one area of the State of New York (the "State") to another area of the State or result in the abandonment of one or more plants or facilities of the Company or any other proposed occupant of the Project located within the State; and the Agency hereby finds that, based on the Company's application, to the extent occupants are relocating from one plant or facility to another, the Project is reasonably necessary to discourage the Project occupants from removing such other plant or facility to a location outside the State and/or is reasonably necessary to preserve the competitive position of the Project occupants in their respective industries.

Section 2. Section 3. The Chairperson, Vice Chairperson and/or the Executive Director of the Agency are hereby authorized, on behalf of the Agency, to hold public hearings in compliance with the Act and negotiate (but not execute or deliver) the terms of (A) an Agent Agreement, whereby the Agency appoints the Company as its agent to undertake the Project and to immediately provide sales tax exemption benefits for purchases and rentals related to the renovation, construction and equipping of the project, (B) a Lease Agreement, whereby the Company leases the Facility to the Agency, (C) a related Leaseback Agreement, conveying the Facility back to the Company, (D) a PILOT Agreement, whereby the Company agrees to make certain payments-in-lieu-of real property taxes, (E) a PILOT Mortgage, securing the payment of the amounts due under the PILOT Agreement and (F) related documents; *provided*, (i) the rental payments under the Leaseback Agreement include payments of all costs incurred by the Agency arising out of or related to the Project and indemnification of the Agency by the Company for actions taken by the Company and/or claims arising out of or related to the Project; and (ii) the terms of the PILOT Agreement are consistent with the Agency's Uniform Tax Exemption Policy or the procedures for deviation have been complied with.

Section 4. The Agency is hereby authorized to conduct public hearings in compliance with the Act.

Section 5. The officers, employees and agents of the Agency are hereby authorized and directed for and in the name and on behalf of the Agency to do all acts and things required and to execute and deliver all such certificates, instruments and documents, to pay all such fees, charges and expenses and to do all such further acts and things as may be necessary or, in the opinion of the officer, employee or agent acting, desirable and proper to effect the purposes of the foregoing resolutions and to cause compliance by the Agency with all of the terms, covenants and provisions of the documents executed for and on behalf of the Agency.

WHEREAS, on May 14, 2025, the Agency adopted a resolution (the "Preliminary Resolution") accepting the Application and directing that a public hearing be held; and

WHEREAS, it was contemplated that the Agency would hold a public hearing and (i) negotiate an agent agreement (the "Agent Agreement") whereby the Agency will designate the Company as its agent for the purpose of acquiring, constructing and equipping the Project, (ii) negotiate a lease agreement (the "Lease Agreement"), leaseback agreement (the "Leaseback Agreement"), payment-in-lieu-of-tax agreement (the "PILOT Agreement") and payment-in-lieu of tax mortgage (the "PILOT Mortgage") with the Company, (iii) take a leasehold interest or other interest in the Land, Improvements, Equipment and personal property constituting the Facility (once the Lease Agreement, Leaseback Agreement, PILOT Agreement and PILOT Mortgage have been negotiated), and (iv) provide financial assistance to the Company in the form of sales and use tax exemptions and a mortgage recording tax exemption for financing related to the Project, consistent with the policies of the Agency, a partial real property tax abatement and a mortgage recording tax exemption with respect to a certain payment-in-lieu-of-tax mortgage; and

WHEREAS, on the 3<sup>rd</sup> day of June, 2025, at 2:00 p.m., the Agency held a public hearing with respect to the Project and the proposed financial assistance being contemplated by the Agency (the "Public Hearing") whereat interested parties were provided a reasonable opportunity, both orally and in writing, to present their views. A copy of the Minutes of the Public Hearing along with the Notice of Public Hearing published and forwarded to the affected taxing jurisdictions prior to said Public Hearing are attached hereto as **Exhibit A**;

WHEREAS, the Company has submitted to the Agency a Short Environmental Assessment Form (the "EAF") in compliance with Article 8 of the Environmental Conservation Law and Regulations adopted pursuant thereto by the Department of Environmental Conservation of the State (collectively, "SEQR") with respect to the Project, a copy of which is attached hereto as **Exhibit B**.

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE AGENCY AS FOLLOWS:

Section 1. The Company has presented an application in a form acceptable to the Agency. Based upon the representations made by the Company to the Agency in the Company's application, the Agency hereby finds and determines that:

(A) By virtue of the Act, the Agency has been vested with all powers necessary and convenient to carry out and effectuate the purposes and provisions of the Act and to exercise all powers granted to it under the Act; and

(B) The Agency has the authority to take the actions contemplated herein under the Act; and

(C) The action to be taken by the Agency will induce the Company to develop the Project, thereby increasing employment opportunities and retaining existing jobs in Niagara

County and otherwise furthering the purposes of the Agency as set forth in the Act. In addition, the action taken by the Agency will among other benefits, advance a larger community need for market rate housing; and

(D) The Project will not result in the removal of a civic, commercial, industrial, or manufacturing plant of the Company or any other proposed occupant of the Project from one area of the State of New York (the "State") to another area of the State or result in the abandonment of one or more plants or facilities of the Company or any other proposed occupant of the Project located within the State; and the Agency hereby finds that, based on the Company's application, to the extent occupants are relocating from one plant or facility to another, the Project is reasonably necessary to discourage the Project occupants from removing such other plant or facility to a location outside the State and/or is reasonably necessary to preserve the competitive position of the Project occupants in their respective industries.

(E) The Project involves an "unlisted action" (as said quoted term is defined under SEQR). The review is "uncoordinated" (as said quoted term is defined under SEQR). Based upon the review by the Agency of the Short Environmental Assessment Form (the "EAF") and related documents delivered by the Company to the Agency and other representations made by the Company to the Agency in connection with the Project, the Agency hereby finds that (i) the Project will result in no major impacts and, therefore, is one which may not cause significant damage to the environment; (ii) the Project will not have a "significant effect on the environment" (as said quoted term is defined under SEQR); and (iii) no "environmental impact statement" (as said quoted term is defined under SEQR) need be prepared for this action. This determination constitutes a "negative declaration" (as said quoted term is defined under SEQR) for purposed of SEQR. The Agency's findings are incorporated in Part II of the EAF.

Section 2. Subject to the Company executing an Agent Agreement by and between the Agency and the Company and the delivery to the Agency of a binder, certificate or other evidence of liability insurance policy for the Project satisfactory to the Agency, the Agency hereby authorizes the Company to proceed with the acquisition, construction and equipping of the Project and hereby appoints the Company as the true and lawful agent of the Agency; (i) to acquire, construct and equip the Project; (ii) to make, execute, acknowledge and deliver any contracts, orders, receipts, writings and instructions, as the stated agent for the Agency with the authority to delegate such agency, in whole or in part, to agents, subagents, contractors, and subcontractors of such agents and subagents and to such other parties as the company chooses; and (iii) in general, to do all things which may be requisite or proper for completing the Project, all with the same powers and the same validity that the Agency could do if acting in its own behalf; provided, however, the Agent Agreement shall expire on the date as indicated in the Agent Agreement (*unless extended for good cause by the Executive Director of the Agency*).

Section 3. Pursuant to Section 875(3) of the New York General Municipal Law, the Agency may recover or recapture from the company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, any sales and use tax exemption benefits taken or purported to be taken by the company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, if it is determined that: (i) the Company, its agents, constants, subcontractors, or any other party

authorized to make purchases for the benefit of the Project, is not entitled to the sales and use tax exemption benefits; (ii) the sales and use tax exemption benefits are in excess of the amounts authorized to be taken by the purchases for the benefit of the Project; (iii) the sales and use tax exemption benefits are for property or services not authorized by the Agency as part of the Project; or (iv) the consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, fails to comply with a material term or condition to use property or services in the manner approved by the Agency in connection with the Project. As a condition precedent of receiving sales and use tax exemption benefits, the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, must (i) cooperate with the Agency in its efforts to recover or recapture any sales and use tax exemption benefits, and (ii) promptly pay over any such amounts to the Agency that the Agency demands.

Section 4. The Agency hereby confers on the Company in connection with the Project certain benefits, exemptions and other financial assistance consisting of: (a) an exemption benefit from all New York State and local sales and use tax exemption benefits for purchases and rentals related to the Project with respect to the qualifying personal property included in or incorporated into the Facility or used in the acquisition, construction or equipping of the Facility, (b) an exemption benefit from mortgage recording tax, and (c) a partial abatement from real property taxes benefit conferred through a certain Payment in Lieu of Tax Agreement. The Agency will provide the Company with Project incentives totaling \$274,846.00, comprised of real property tax exemption benefits, in the estimated amount of \$215,471.00, sales and use tax exemption benefits of approximately \$50,000.00, and mortgage recording exemption benefits of \$9,375.00. To effectuate this Resolution, the Chairman, Vice Chairman and/or the Executive Director of the Agency are hereby authorized, on behalf of the Agency, to negotiate and execute (A) the Lease Agreement whereby the Company leases the Project to the Agency, (B) the related Leaseback Agreement conveying the Project back to the Company, and (C) the PILOT Agreement with real property tax exemption benefits; provided (i) the rental payments under the Leaseback Agreement include payments of all costs incurred by the Agency arising out of or related to the Project and indemnification of the Agency by the Company for actions taken by the Company and/or claims arising out of or related to the Project; and (ii) the terms of the PILOT Agreement are consistent with the Agency's Uniform Tax Exemption Policy or the procedures for deviation have been complied with.

Section 5. The officers, employees and agents of the Agency are hereby authorized and directed for and in the name and on behalf of the Agency to do all acts and things required and to execute and deliver all such certificates, instruments and documents, to pay all such fees, charges and expenses and to do all such further acts and things as may be necessary or, in the opinion of the officer, employee or agent acting, desirable and proper to effect the purposes of the foregoing resolutions and to cause compliance by the Agency with all of the terms, covenants and provisions of the documents executed for and on behalf of the Agency.

Section 6. This resolution shall take effect immediately upon adoption, and shall expire one (1) year from the date hereof unless extended for good cause by the Chairman, Vice-Chairman or Executive Director.

The question of the adoption of the foregoing resolution was duly put to a vote on roll call, which resulted as follows:

During operation, this facility has proved flexible warehouse solutions and has become a resource for local users in need of warehousing, and workshop space. To meet growing demand, and support to other local businesses, Bogart-Sinatra seeks to expand the facilities by adding two new buildings totaling 1200 square feet. The new facilities will be dedicated to commercial warehousing and workshop space. This project will create 13 jobs in three years.

**Format of Hearing:**      **Review rules and manner in which the hearing will proceed.**

*Hearing Officer:*      All those in attendance are required to register by signing the sign-in sheet at the front of the room; you will not be permitted to speak unless you have registered. Everyone who has registered will be given an opportunity to make statements and/or comments on the Project.

If you have a written statement or comment to submit for the record, you may leave it at this public hearing, submit it on the Agency's website, or deliver it to the agency at 6311 Inducon Corporate Dr., Sanborn, NY 14132. The comment period closes on June 5, 2025. There are no limitations on written statements or comments.

**Public Comment:**      **Hearing officer gives the public opportunity to speak.**

*Hearing Officer:*      If anyone is interested in making a statement or comment, please raise your hand, state your name and address; if you are representing a company, please identify the company. I request that speakers keep statements and/or comments to three minutes.

*Scott Franasiak*      Not only am I a taxpayer of Niagara County, I am also a small business owner. These comments are in light of someone who is pro-business and wanting to reduce taxes in general. However, I strongly oppose any abatement of the taxes associated with this project. It would squarely put this landlord in a competitive advantage over other landlords who have storage facilities. We're not talking about abatements to someone who wants to start a factory and create jobs. We're talking about giving tax benefits to someone who wants to build a storage facility and the jobs are going to be created by those businesses that are renting or leasing the space and as such, it should be those businesses who actually get the tax benefits. The ones who are directly creating the jobs, not a landlord who is creating a storage facility. Thank you very much.

Project Applicant

Due to the busiest time of year in the landscaping industry, we are not able to attend the public hearing. We respectfully ask that you read our statement into the record. We want to reiterate how important these types of projects are to small businesses and how crucial the tax breaks are to keeping these types of projects that we do viable. Thank you.

Adjournment:

Closing the hearing.

Hearing no other comments, I will now adjourn the meeting. It is now 2:06 p.m.  
Thank you.

WHEREAS, pursuant to Section 874(1) of the Act, the Agency is exempt from the payment of taxes imposed upon real property and improvements owned by it or under its jurisdiction, control or supervision, other than special ad valorem levies, special assessments and service charges against real property which are or may be imposed for special improvements or special district improvements; and

WHEREAS, the Agency and the Company deem it necessary and proper to enter into an agreement making provisions for payments-in-lieu-of-taxes by the Company to the Agency for the benefit of Niagara County (the "County"), the City of North Tonawanda (the "City"), and

North Tonawanda City School District (hereinafter the “School District” or “School”, and together with the County and City, the “Affected Tax Jurisdictions”).

NOW, THEREFORE, in consideration of the covenants herein contained, and other good and valuable consideration the receipt and sufficiency of which are hereby acknowledged, it is mutually agreed as follows:

Section I - Payment in lieu of Ad Valorem Taxes:

Section 1.1 A. Subject to the completion and filing by the taxable status date (**March 1, 2026**) (the “Taxable Status Date”) of New York State Form RP-412-a Application For Real Property Tax Exemption (the “Exemption Application”) under Section 412-a of the New York State Real Property Tax Law and Section 874 of the Act and the approval of the Exemption Application by the appropriate assessors or Board of Assessment Review, the Facility shall be exempt from Real Estate Taxes commencing with the 2026-2027 tax fiscal year of the School District and the 2027 tax fiscal year of the Town and County and continuing for the periods set forth in Section 1.5 hereof. For purposes of the foregoing “Real Estate Taxes” means all general levy real estate taxes levied against the Facility by the Town, County and School. The Company shall provide to the Agency with the information necessary for the completion and filing of the Exemption Application and shall provide such additional information and take such actions as are required by the appropriate assessors or Board of Assessment Review to process and approve the Exemption Application. Notwithstanding anything contained herein or in the Leaseback Agreement to the contrary, in the event the exemption from Real Estate Taxes is denied for any reason, the Company shall pay (and hereby agrees to pay) all Real Estate Taxes levied upon the Facility as they become due. After giving written notice to the Agency, the Company may in good faith contest the denial of the Exemption Application, provided that (i) the overall operating efficiency of the Facility is not impaired and the Facility continues to qualify as a “project” under the Act; (ii) neither the Facility nor any part of or interest in it would be in any danger of being sold, forfeited or lost; or (iii) neither the Company nor the Agency, as a result of such contest, shall be in any danger of any civil or criminal liability. The Company hereby waives any claim or cause of action against the Agency, and releases the Agency from any liability to the Company, arising from the denial of an exemption from Real Estate Taxes except to the extent that such denial results solely from the failure of the Agency to file the Exemption Application with the appropriate assessors or Board of Assessment Review by the Taxable Status Date.

B. Payee. As long as the Agency has a leasehold interest in the Facility, the Company agrees to pay annually to the Affected Tax Jurisdictions as a payment-in-lieu-of-taxes, on or before October 1 of each calendar year for School taxes and on or before January 1 of each calendar year for County and Town taxes (collectively, the “Payment Date”), commencing on October 1, 2026 and January 1, 2027, respectively, an amount equal to the PILOT Payment, as described on Schedule A attached hereto.

The parties agree and acknowledge that payments made hereunder are to obtain revenues for public purposes, and to provide a revenue source that the Affected Tax Jurisdictions would otherwise lose because the subject parcels are not on the tax rolls.

1.2 Allocation. To the extent the Agency receives any PILOT Payment, the Agency shall remit to the Affected Tax Jurisdictions amounts received hereunder within thirty (30) days of receipt of said payment and shall allocate said payments among the Affected Tax Jurisdictions in the same proportion as ad valorem taxes would have been allocated but for the Agency's involvement, unless the Affected Tax Jurisdictions have consented in writing to a specific allocation.

1.3 Tax Rates. For purposes of determining the allocation of the Total PILOT Payment among the Affected Tax Jurisdictions, the Agency shall use the last tax rate utilized for levy of taxes by each such jurisdiction. For County, Town and special district purposes, the tax rates used to determine the allocation of the Total PILOT Payment shall be the tax rates relating to the calendar year which includes the PILOT payment due date. For school district purposes, the tax rates used to determine the PILOT payment shall be the rate relating to the school year which includes the PILOT payment due date.

1.4 Valuation of Future Additions to the Facility: If there shall be a future addition to the Facility constructed or added in any manner after the date of this PILOT Agreement, other than the Project, the Company shall notify the Agency of such future addition ("Future Addition"). The notice to the Agency shall contain a copy of the application for a building permit, plans and specifications, and any other relevant information that the Agency may thereafter request. Upon the earlier of substantial completion, or the issuance of a certificate of occupancy for any such Future Addition to the Facility, the Company shall become liable for payment of an increase in the Total PILOT Payment. The Agency shall notify the Company of any proposed increase in the Total PILOT Payment related to such Future Addition. If the Company shall disagree with the determination of assessed value for any Future Additions made by the Agency, then and in that event that valuation shall be fixed by a court of competent jurisdiction. Notwithstanding any disagreement between the Company and the Agency, the Company shall pay the increased PILOT payment until a different Total PILOT Payment shall be established. If a lesser Total Annual Payment is determined in any proceeding or by subsequent agreement of the parties, the Total PILOT Payment shall be re-computed and any excess payment shall be refunded to the Company or, in the Agency's sole discretion, such excess payment shall be applied as a credit against the next succeeding PILOT payment(s).

1.5 Period of Benefits. The tax benefits provided for herein should be deemed to include (i) the **2026/2027** School tax year through the **2035/2036** School tax year, and (ii) the **2027** County and Town tax year through the **2036** County and Town tax year. This PILOT Agreement shall expire on **December 31, 2036**; provided, however, the Company shall pay the **2036/2037** School tax bills and the **2037** County and Town tax bills on the dates and in the amounts as if the Agency were not in title on the tax status date with respect to said tax years. In no event shall the Company be entitled to receive tax benefits relative to the Facility for more than the periods provided for herein, unless the period is extended by amendment to this PILOT Agreement executed by both parties after any applicable public hearings. The Company agrees that it will not seek any tax exemption for the Facility which could provide benefits for more than the periods provided for herein and specifically agrees that the exemptions provided for herein, to the extent actually received (based on the number of lease years elapsed), supersede and are in substitution of the exemptions provided by Section 485-b of the New York Real Property Tax Law ("RPTL"). It is hereby agreed and understood that the Affected Tax

Jurisdictions can rely upon and enforce the above waiver to the same extent as if they were signatories hereto.

## Section II - Special Assessments and Service Charges.

2.1 Special district charges, special assessments, and special ad valorem levies (specifically including but not limited to fire district charges), and pure water charges and sewer charges are to be paid in full in accordance with normal billing practices.

## Section III - Transfer of Facility.

3.1 In the event that the Facility is transferred from the Agency to the Company (the lease/leaseback agreements are terminated), and the Company is ineligible for a continued tax exemption under some other tax incentive program, or the exemption results in a payment to the Affected Tax Jurisdictions in excess of the payment described in Section I herein, or this PILOT Agreement terminates and the property is not timely transferred back to the Company, the Company agrees to pay no later than the next tax lien date (plus any applicable grace period), to each of the Affected Tax Jurisdictions, an amount equal to the taxes and assessments which would have been levied on the Facility if the Facility had been classified as fully taxable as of the date of transfer or loss of eligibility of all or a portion of the exemption described herein or date of termination.

## Section IV - Assessment Challenges.

4.1 The Company shall have all of the rights and remedies of a taxpayer as if and to the same extent as if the Company were the owner of the Facility, with respect to any proposed assessment or change in assessment with respect to the Facility by any of the Affected Tax Jurisdictions and likewise shall be entitled to protest before and be heard by the appropriate assessors or Board of Assessment Review, and shall be entitled to take any and all appropriate appeals or initiate any proceedings to review the validity or amount of any assessment or the validity or amount of any tax equivalent provided for herein.

4.2 The Company shall have all of the rights and remedies of a taxpayer with respect to any tax, service charge, special benefit, ad valorem levy, assessment, or special assessment or service charge in lieu of which the Company is obligated to make a payment pursuant to this PILOT Agreement, as if and to the same extent as if the Company were the owner of the Facility.

4.3 The Company shall (i) cause the appropriate real estate tax assessment office and tax levy officers to assess the Facility and apply tax rates to the respective assessments as if the Facility were owned by the Company, (ii) file any accounts or tax returns required by the appropriate real estate tax assessment office and tax levy officers.

## Section V - Changes in Law.

5.1 To the extent the Facility is declared to be subject to taxation or assessment by an amendment to the Act, other legislative change, or by final judgment of a Court of competent jurisdiction, the obligations of the Company hereunder shall, to such extent, be null and void.

## Section VI - Events of Default and Remedies.

6.1 The following shall constitute “Events of Default” hereunder. The failure by the Company to: (i) make the payments described in Section I within thirty (30) days of the Payment Date (the “Delinquency Date”); provided the Company has received notice of the amounts due and the due date for the same; (ii) make any other payments described herein on or before the last day of any applicable cure period within which said payment can be made without penalty; or (iii) the occurrence and continuance of any events of default under the Leaseback Agreement after any applicable cure periods. Upon the occurrence of any Event of Default hereunder, in addition to any other right or remedy the Agency and/or the Affected Tax Jurisdictions may have at law or in equity, the Agency and/or Affected Tax Jurisdictions may, immediately and without further notice to the Company (but with notice to the Agency with respect to actions maintained by the Affected Tax Jurisdictions) pursue any action in the courts to enforce payment or to otherwise recover directly from the Company any amounts so in default. The Agency and the Company hereby acknowledge the right of the Affected Tax Jurisdictions to recover directly from the Company any amounts so in default pursuant to Section 874(6) of the General Municipal Law and the Company shall immediately notify the Agency of any action brought, or other measure taken, by any Affected Tax Jurisdiction to recover any such amount.

6.2 If payments pursuant to Section I herein are not made by the Delinquency Dates, or if any other payment required to be made hereunder is not made by the last day of any applicable cure period within which said payment can be made without penalty, the Company shall pay penalties and interest as follows. With respect to payments to be made pursuant to Section I herein, if said payment is not received by the Delinquency Date defined in Section 6.1 herein, Company shall pay, in addition to said payment, (i) a late payment penalty equal to five percent (5%) of the amount due and (ii) for each month, or any part thereof, that any such payment is delinquent beyond the first month, interest on the total amount due plus the late payment penalty, in an amount equal to one percent (1%) per month. With respect to all other payments due hereunder, if said payment is not paid within any applicable cure period, Company shall pay, in addition to said payment, the greater of the applicable penalties and interest or penalties and interest which would have been incurred had payments made hereunder been tax payments to the Affected Tax Jurisdictions.

6.3 Upon the occurrence of an Event of Default hereunder, the liability of the Company hereunder shall be all amounts due pursuant to Section I hereof through, but not including, the date on which the Facility is no longer exempt from Real Estate Taxes together with all other amounts due pursuant to Section 6.2 hereof and clause (a) of Section 7 of the PILOT Mortgage (as hereinafter defined).

6.4 Subject to the rights of the mortgagees set forth in Section VIII below, whenever any Event of Default under Section 6.1 hereof shall have occurred and be continuing with respect to this PILOT Agreement, the remedies of the Agency shall be limited to the rights hereunder, under the Leaseback Agreement and under the PILOT Mortgage, subject to the rights of any lenders to cure any such Event of Default as set forth in Section VIII hereof.

## Section VII - Assignment.

7. No portion of any interest in this PILOT Agreement may be assigned by the Company, nor shall any person other than the Company be entitled to succeed to or otherwise obtain any benefits of the Company hereunder without the prior written consent of the Agency, which shall not be unreasonably withheld or delayed.

## Section VIII – Rights of Mortgagees.

8.1 For the purposes of this PILOT Agreement, the term “mortgages” shall include any mortgage, leasehold mortgage, purchase money mortgage or other security instrument or instruments encumbering the Facility, such as, without limitation, mortgages, deeds of trust, financing statements, assignments of leases, rents and/or profits, security agreements and other documentation which a mortgage may require, and the terms “holder of a mortgage” and “mortgage” shall mean the secured party under any of the foregoing instruments. ANY MORTGAGE SHALL BE A LIMITED, NON-RECOURSE OBLIGATION OF THE AGENCY AND SHALL IN NO EVENT REQUIRE THE PAYMENT BY THE AGENCY TO ANY PARTY OF ANY AMOUNT INCLUDING, BUT NOT LIMITED TO, PRINCIPAL, INTEREST OR ANY OTHER AMOUNT SECURED BY ANY SUCH MORTGAGE.

8.2 So long as the mortgage shall remain unsatisfied of record or until written notice of satisfaction is given by the Mortgagee to the Agency, the following provisions shall, subject to and unless otherwise prohibited by all applicable law including, but not limited to, the Act, apply (in respect of such mortgage and of any other mortgages which also comply with the above):
