NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE AGENCY AS FOLLOWS:

Section 1. The Company has presented an application in a form acceptable to the Agency. Based upon the representations made by the Company to the Agency in the Company's application, the Agency hereby finds and determines that:

(D) The Project will not result in the removal of a civic, commercial, industrial, or manufacturing plant of the Company or any other proposed occupant of the Project from one area of the State of New York (the "State") to another area of the State or result in the abandonment of one or more plants or facilities of the Company or any other proposed occupant of the Project located within the State; and the Agency hereby finds that, based on the Company's application, to the extent occupants are relocating from one plant or facility to another, the Project is reasonably necessary to discourage the Project occupants from removing such other plant or facility to a location outside the State and/or is reasonably necessary to preserve the competitive position of the Project occupants in their respective industries.

Section 2. For purposes of investigating the advisability of undertaking a coordinated review under SEQR with respect to the Project and determining whether the Project may have a "significant effect on the environment" (as such term is defined under SEQR), the Executive Director of the Agency is hereby authorized and directed to take the following actions:

Section 4. The Agency is hereby authorized to conduct public hearings in compliance with the Act.

Section 5. The officers, employees and agents of the Agency are hereby authorized and directed for and in the name and on behalf of the Agency to do all acts and things required and to execute and deliver all such certificates, instruments and documents, to pay all such fees, charges and expenses and to do all such further acts and things as may be necessary or, in the opinion of the officer, employee or agent acting, desirable and proper to effect the purposes of the foregoing resolutions and to cause compliance by the Agency with all of the terms, covenants and provisions of the documents executed for and on behalf of the Agency.

WHEREAS, by Title 1 of Article 18-A of the General Municipal Law of the State of New York, as amended, and Chapter 569 of the Laws of 1972 of the State of New York (the "Act"), **NIAGARA COUNTY INDUSTRIAL DEVELOPMENT AGENCY** (the "Agency") was created with the authority and power to own, lease and sell property and to issue its bonds as authorized by the Act; and

WHEREAS, **MACERICH NIAGARA LLC** and/or an individual(s) or affiliate, subsidiary, or entity or entities formed or to be formed on its behalf (the "Company"), has submitted an application to the Agency, a copy of which is on file at the office of the Agency, requesting that the Agency consider undertaking a project (the "Project") consisting of: (A) the retention by the Agency of a leasehold interest in land located at 1900 Military Road in the Town of Niagara, Niagara County, New York (the "Land"); and (B) the retention by the Agency of an approximately 605,000 square foot shopping center (the "Improvements") (collectively the Land and Improvements, the "Facility"); and

WHEREAS, with respect to the Facility, the Company and the Agency are parties to that certain Amendment to Lease Agreement dated as of April 1, 2020, as amended from time to time (the "Amended Lease Agreement"), that certain Amendment to Leaseback Agreement dated as of April 1, 2020, as amended from time to time (the "Amended Leaseback Agreement") and that certain Amended and Restated Payment-In-Lieu-of-Tax Agreement dated as of April 1, 2020, as amended from time to time (the "2020 PILOT Agreement") all of which expire on December 31, 2026; and

WHEREAS, the Company is experiencing the effects of evolving consumer habits, declining foot traffic, rising operating costs, and the continued shift in consumer spending toward e-commerce, which collectively have created a challenging environment for shopping centers throughout the Northeast, and, in response to these conditions, has requested a ten (10) year extension/restructuring of the 2020 PILOT Agreement, as described below, to stabilize operating costs, maintain occupancy levels, support tenant retention and recruitment, and facilitate the long-term financial sustainability of the Facility; and

WHEREAS, the Project constitutes a significant economic asset within Niagara County generating substantial sales tax revenues, supporting over 600 hundred jobs, and serving as a regional retail and tourism destination with broader economic impacts on surrounding businesses and the local economy; and

WHEREAS, the Company has represented to the Agency that the Project is likely to continue to attract a significant number of visitors from outside the economic development region (as established by Section 230 of the New York State Economic Development Law), and therefore the Project constitutes a "tourism destination" as defined in Section 862(2) of the Act; and

WHEREAS, local municipal representatives expressed general support for the Project, noting the importance of the Facility to the Town of Niagara and Niagara County, including its contributions to employment, the tax base, and the regional economy, and indicated that the proposed financial assistance, as described below, is viewed as a means of stabilizing and preserving a critical commercial asset; and

WHEREAS, on the 2nd day of June, 2026, at 2:00 p.m., the Agency held a public hearing with respect to the Project and the proposed financial assistance being contemplated by the Agency (the "Public Hearing") whereat interested parties were provided a reasonable opportunity, both orally and in writing, to present their views. A copy of the Minutes of the Public Hearing along with the Notice of Public Hearing published and forwarded to the affected taxing jurisdictions prior to said Public Hearing are attached hereto as **Exhibit A**; and

WHEREAS, pursuant to Article 8 of the New York Environmental Conservation Law and the regulations adopted thereto at 6 N.Y.C.R.R. Part 617 (collectively referred to as "SEQRA"), the contemplated Financial Assistance and related renewals of the Amended Lease Agreement, the Amended Leaseback Agreement, and the 2020 PILOT Agreement involve no material changes to lease conditions or the scope of permitted activities and thus the Project is a Type II action pursuant to 6 N.Y.C.R.R. Part 617.5(c)(32) and therefore no findings or determination of significance are required under SEQRA; and

WHEREAS, pursuant to Article 18-A of the General Municipal Law the Agency desires to adopt a resolution describing the Project and the Financial Assistance that the Agency is contemplating with respect to the Project.

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE AGENCY AS FOLLOWS:

Section 1. The Company has presented an application in a form acceptable to the Agency. Based upon the representations made by the Company to the Agency in the Company's application and any other correspondence submitted by the Company to the Agency, public hearing comments, if any, Agency board member review of the Project's cost benefit ratio, the costs of incentives so applied for, the anticipated revenues to be generated by the Project, as well as the Project's contemplated community benefits, and Agency board member review, discussion, and consideration of same, the Agency hereby finds and determines that:

(A) By virtue of the Act, the Agency has been vested with all powers necessary and convenient to carry out and effectuate the purposes and provisions of the Act and to exercise all powers granted to it under the Act; and

(B) The Agency has the authority to take the actions contemplated herein under the Act; and

(C) The action to be taken by the Agency will induce the Company to continue to operate the Project, thereby retaining and creating employment in Niagara County and otherwise furthering the purposes of the Agency as set forth in the Act; and

(D) The Project will not result in the removal of a civic, commercial, industrial, or manufacturing plant of the Company or any other proposed occupant of the Project from one area of the State of New York (the "State") to another area of the State or result in the abandonment of one or more plants or facilities of the Company or any other proposed occupant of the Project located within the State; and the Agency hereby finds that, based on the Company's application, to the extent occupants are relocating from one plant or facility to another, the Project is reasonably necessary to discourage the Project occupants from removing such other plant or facility to a location outside the State and/or is reasonably necessary to preserve the competitive position of the Project occupants in their respective industries; and

(E) The Agency has assessed all material information included in connection with the Application necessary to afford a reasonable basis for the decision by the Agency to provide Financial Assistance for the Project as described herein; and

(F) The Agency has prepared a written cost-benefit analysis satisfactorily identifying the extent to which the Project will retain or create permanent, private sector jobs, the estimated value of any tax exemption to be provided, the amount of private sector investment generated or likely to be generated by the Project, the likelihood of accomplishing the Project in a timely fashion, and the extent to which the Project will provide additional sources of revenue for

municipalities and school districts, and any other public benefits that might occur as a result of the Project; and

(G) The Company has provided a written statement confirming that the Project as of the date of the Application is in substantial compliance with all provisions of the Act; and

(H) The Project attracts a significant number of visitors from outside the Western New York economic development region, including approximately 10 – 20% of its visitors coming from Canada (noting Niagara Falls bridge crossings have dropped from 12 million to 7.2 million over the last ten years) contributing upwards to 28% of sales, and is the third largest tourist destination in the Buffalo-Niagara Region after Niagara Falls and the Seneca Niagara Resort & Casino and therefore, the Project meets the definition of a "tourism destination" project within the meaning of Section 862(2)(a) of the Act. Accordingly, the Agency is authorized to provide financial assistance in respect of the Project pursuant to Section 862(a) of the Act.

Section 2. The Agency hereby authorizes the undertaking of the Project as described herein and the amendment to and restatement of the Amended Lease Agreement, the Amended Leaseback Agreement, and the 2020 PILOT Agreement (the "Amended PILOT Agreement), said terms being consistent with the Agency's Uniform Tax Exemption Policy.

A. Financial Assistance. With respect to the foregoing, and based upon the representations and warranties made by the Company in its application for Financial Assistance, the Agency hereby authorizes and approves that the real property tax abatement benefits to be provided over the term of the PILOT Agreement are estimated to be approximately $9,314,771.00 resulting in estimated total PILOT payments of $5,474,750 over the term of the PILOT Agreement.

B. Terms and Conditions of Financial Assistance. As a condition precedent of receiving Financial Assistance, and as a material term or condition as approved by the Agency in connection with the Project, the Company covenants and agrees and understands that it must, subject to potential modification, termination and/or recapture of Financial Assistance for failure to meet and maintain the commitments and thresholds as described below, submit, on an annual basis or as otherwise indicated below through the termination of the Amended PILOT Agreement, a certification, as so required by the Agency, confirming that there are:

- at least 326 full time equivalent ("FTE") employees located at the Facility (being the product of (i) 50% and (ii) 635 FTE employee positions (being the 653 FTE employee positions proposed to be retained by the Company)). To confirm and verify the Company's employment numbers, the Agency requires that, at a minimum, the Company provide employment data to the Agency on an annual basis, said information to be provided on the Agency's "Annual Employment Survey" form to be made available to the Company by the Agency.

Section 3. The officers, employees and agents of the Agency are hereby authorized and directed for and in the name and on behalf of the Agency to do all acts and things required and to execute and deliver all such certificates, instruments and documents, to pay all such fees,

charges and expenses and to do all such further acts and things as may be necessary or, in the opinion of the officer, employee or agent acting, desirable and proper to effect the purposes of the foregoing resolutions and to cause compliance by the Agency with all of the terms, covenants and provisions of the documents executed for and on behalf of the Agency.

Section 4. This resolution shall take effect immediately upon adoption, and shall expire one (1) year from the date hereof unless extended for good cause by the Chairman, Vice-Chairman or Executive Director.

The question of the adoption of the foregoing resolution was duly put to a vote on roll call, which resulted as follows:

My name is Jeremy Geartz, and I am the Director of Business Development for the Niagara County Industrial Development Agency. I have been designated by the Agency to be the hearing officer to conduct this public hearing.

This Public Hearing is being live-streamed and made accessible on the Agency's website at www.niagaracountybusiness.com.

Notice of this public hearing is hereby given that a public hearing pursuant to Article 18-A, Subdivision 2, Section 859-a of the New York State General Municipal Law will be held by the Niagara County Industrial Development Agency, or

the Agency, in connection with Macerich Niagara, LLC.

Nothing of this hearing appeared in The Niagara Gazette on May 16, 2026.

We are here to hold the public hearing on Macerich Niagara, LLC and/or individuals or affiliates, subsidiaries or entities formed, or to be formed, on its behalf. The transcript of this hearing will be reviewed and considered by the Agency in determination of this project.

The purpose of this hearing is to solicit comments, both written and oral, for the Macerich Niagara, LLC. The project application and project summary are posted in the Agency's website at niagaracountybusiness.com, and I have copies here with me today.

Fashion Outlets of Niagara Falls, located on Military Road in the Town of Niagara, has requested a tax agreement in response to evolving consumer habits, declining foot traffic, rising operating costs and the continued shift in consumer spending towards e-commerce. Collectively, these factors have created a challenging environment for shopping centers throughout the northeast.

Representatives of Macerich Niagara, LLC have worked collaboratively with the Town of Niagara to negotiate a tax stabilization agreement. The proposed annual host community agreement and annual tax payment are intended to provide greater financial predictability and long-term stability for both parties.

Mall occupancy has steadily declined since 2019 with more than one-third of existing leases scheduled to expire within the current year. In addition, the property's assessed value has decreased by approximately 82 million dollars since 2010.

All those in attendance are required to register by signing the sign-in sheet in the front of the room. You will not be permitted to speak unless you have registered. Everyone who has registered will be given an opportunity to make statements and/or comments on the project.

If you have a written statement or comment to submit for the record, you may leave it at this public hearing, submit it on the Agency's website, or deliver it to the Agency at 6311 Inducon

Corporate Drive, Sanborn, New York 14132. The comment period closes on June 11, 2026. There are no limitations on written statements or comments.

If anyone is interested in making a statement or comment, please raise your hand, state your name and address, and if you're representing a company, please identify that company. I request that speakers keep statements and/or comments to no more than three minutes.

Are there any comments?

Hearing none, I will now adjourn the meeting. It is now 2:03 p.m. Thank you.

(The Public Hearing was adjourned at 2:03 p.m.)

WHEREAS, the Project is a significant economic asset within Niagara County, generating substantial sales tax revenues, supporting over 600 jobs, qualifying as a "tourism

destination" under Section 862(2) of the Act, and receiving local municipal support, and the Company has worked with the Town of Niagara to propose a tax stabilization arrangement providing for ten (10) years of payments beginning at approximately $500,000 annually (increasing 2% per year) plus a $250,000 annual host community payment, for total projected payments of approximately $7,975,275, to promote long-term stability for the Company and the community; and

WHEREAS, simultaneously herewith, the Agency and Company have amended and restated the terms of the Amended Lease Agreement and the Amended Leaseback Agreement dated as of July 1, 2026 (as so amended, the "Lease Agreement" and the "Leaseback Agreement"); and

WHEREAS, pursuant to Section 874(1) of the Act, the Agency is exempt from the payment of taxes imposed upon real property and improvements owned by it or under its jurisdiction, control or supervision, other than special ad valorem levies, special assessments and service charges against real property which are or may be imposed for special improvements or special district improvements; and

WHEREAS, the Agency and the Company deem it necessary and proper to (i) amend and restate the terms of the 2020 PILOT Agreement pursuant to this PILOT Agreement and (ii) to enter into an agreement adjusting and making provisions for payments in lieu of taxes by the Company for the benefit of Niagara County (the "County"), the Town of Niagara (the "Town"), and Niagara Wheatfield Central School District (hereinafter the "School District" or "School", and together with the County and Town, the "Affected Tax Jurisdictions").

NOW, THEREFORE, in consideration of the covenants herein contained, and other good and valuable consideration the receipt and sufficiency of which are hereby acknowledged, it is mutually agreed as follows:

Section I - Payment in lieu of Ad Valorem Taxes:

Section 1.1 A.Subject to the completion and filing of an amended New York State Form RP-412-a Application For Real Property Tax Exemption (the "Exemption Application") under Section 412-a of the New York State Real Property Tax Law and Section 874 of the Act and the approval of the Exemption Application by the appropriate assessors or Board of Assessment Review, the Facility shall continue to be exempt from Real Estate Taxes including the 2026-2027 tax fiscal year of the School District and the 2027 tax fiscal year of the Town and County and continuing for the periods set forth in Section 1.5 hereof. For purposes of the foregoing "Real Estate Taxes" means all general levy real estate taxes levied against the Facility by the Town, County and School. The Company shall provide to the Agency with the information necessary for the completion and filing of the Exemption Application and shall provide such additional information and take such actions as are required by the appropriate assessors or Board of Assessment Review to process and approve the Exemption Application. Notwithstanding anything contained herein or in the Leaseback Agreement to the contrary, in the event the exemption from Real Estate Taxes is denied for any reason, the Company shall pay (and hereby agrees to pay) all Real Estate Taxes levied upon the Facility as they become due.

After giving written notice to the Agency, the Company may in good faith contest the denial of the Exemption Application, provided that (i) the overall operating efficiency of the Facility is not impaired and the Facility continues to qualify as a "project" under the Act; (ii) neither the Facility nor any part of or interest in it would be in any danger of being sold, forfeited or lost; or (iii) neither the Company nor the Agency, as a result of such contest, shall be in any danger of any civil or criminal liability. The Company hereby waives any claim or cause of action against the Agency, and releases the Agency from any liability to the Company, arising from the denial of an exemption from Real Estate Taxes except to the extent that such denial results solely from the failure of the Agency to file the Exemption Application with the appropriate assessors or Board of Assessment Review by the Taxable Status Date.

B. Payee. As long as the Agency has a leasehold interest in the Facility, the Company agrees to pay annually to the Affected Tax Jurisdictions as a payment-in-lieu-of-taxes, on or before October 1 of each calendar year for School taxes and on or before January 1 of each calendar year for County and Town taxes (collectively, the "Payment Date"), continuing on October 1, 2026 and January 1, 2027, respectively, an amount equal to the PILOT Payment, as described on **Schedule A** attached hereto.

The parties agree and acknowledge that payments made hereunder are to obtain revenues for public purposes, and to provide a revenue source that the Affected Tax Jurisdictions would otherwise lose because the subject parcels are not on the tax rolls.

1.2 Allocation. To the extent the Agency receives any PILOT Payment, the Agency shall remit to the Affected Tax Jurisdictions amounts received hereunder within thirty (30) days of receipt of said payment and shall allocate said payments among the Affected Tax Jurisdictions in the same proportion as ad valorem taxes would have been allocated but for the Agency's involvement, unless the Affected Tax Jurisdictions have consented in writing to a specific allocation.

1.3 Tax Rates. For purposes of determining the allocation of the Total PILOT Payment among the Affected Tax Jurisdictions, the Agency shall use the last tax rate utilized for levy of taxes by each such jurisdiction. For County, Town and special district purposes, the tax rates used to determine the allocation of the Total PILOT Payment shall be the tax rates relating to the calendar year which includes the PILOT payment due date. For school district purposes, the tax rates used to determine the PILOT payment shall be the rate relating to the school year which includes the PILOT payment due date.

1.4 Valuation of Future Additions to the Facility: If there shall be a future addition to the Facility constructed or added in any manner after the date of this PILOT Agreement, other than the Project, the Company shall notify the Agency of such future addition ("Future Addition"). The notice to the Agency shall contain a copy of the application for a building permit, plans and specifications, and any other relevant information that the Agency may thereafter request. Upon the earlier of substantial completion, or the issuance of a certificate of occupancy for any such Future Addition to the Facility, the Company shall become liable for payment of an increase in the Total PILOT Payment. The Agency shall notify the Company of any proposed increase in the Total PILOT Payment related to such Future Addition. If the

Company shall disagree with the determination of assessed value for any Future Additions made by the Agency, then and in that event that valuation shall be fixed by a court of competent jurisdiction. Notwithstanding any disagreement between the Company and the Agency, the Company shall pay the increased PILOT payment until a different Total PILOT Payment shall be established. If a lesser Total Annual Payment is determined in any proceeding or by subsequent agreement of the parties, the Total PILOT Payment shall be re-computed and any excess payment shall be refunded to the Company or, in the Agency's sole discretion, such excess payment shall be applied as a credit against the next succeeding PILOT payment(s).

1.5 Period of Benefits. The tax benefits provided for herein should be deemed to include (i) the **2026/2027** School tax year through the **2035/2036** School tax year, and (ii) the **2027** County and Town tax year through the **2036** County and Town tax year. This PILOT Agreement shall expire on **December 31, 2036**; provided, however, the Company shall pay the **2036/2037** School tax bills and the **2037** County and Town tax bills on the dates and in the amounts as if the Agency were not in title on the tax status date with respect to said tax years. In no event shall the Company be entitled to receive tax benefits relative to the Facility for more than the periods provided for herein, unless the period is extended by amendment to this PILOT Agreement executed by both parties after any applicable public hearings. The Company agrees that it will not seek any tax exemption for the Facility which could provide benefits for more than the periods provided for herein and specifically agrees that the exemptions provided for herein, to the extent actually received (based on the number of lease years elapsed), supersede and are in substitution of the exemptions provided by Section 485-b of the New York Real Property Tax Law ("RPTL"). It is hereby agreed and understood that the Affected Tax Jurisdictions can rely upon and enforce the above waiver to the same extent as if they were signatories hereto.

Section II - Special Assessments and Service Charges.

2.1 Special district charges, special assessments, and special ad valorem levies (specifically including but not limited to fire district charges), and pure water charges and sewer charges are to be paid in full in accordance with normal billing practices.

Section III - Transfer of Facility.

3.1 In the event that the Facility is transferred from the Agency to the Company (the lease agreement and leaseback agreement are terminated), and the Company is ineligible for a continued tax exemption under some other tax incentive program, or the exemption results in a payment to the Affected Tax Jurisdictions in excess of the payment described in Section I herein, or this PILOT Agreement terminates and the property is not timely transferred back to the Company, the Company agrees to pay no later than the next tax lien date (plus any applicable grace period), to each of the Affected Tax Jurisdictions, an amount equal to the taxes and assessments which would have been levied on the Facility if the Facility had been classified as fully taxable as of the date of transfer or loss of eligibility of all or a portion of the exemption described herein or date of termination.

Section IV - Assessment Challenges.

4.1 The Company shall have all of the rights and remedies of a taxpayer as if and to the same extent as if the Company were the owner of the Facility, with respect to any proposed assessment or change in assessment with respect to the Facility by any of the Affected Tax Jurisdictions and likewise shall be entitled to protest before and be heard by the appropriate assessors or Board of Assessment Review, and shall be entitled to take any and all appropriate appeals or initiate any proceedings to review the validity or amount of any assessment or the validity or amount of any tax equivalent provided for herein.

4.2 The Company shall have all of the rights and remedies of a taxpayer with respect to any tax, service charge, special benefit, ad valorem levy, assessment, or special assessment or service charge in lieu of which the Company is obligated to make a payment pursuant to this PILOT Agreement, as if and to the same extent as if the Company were the owner of the Facility.

4.3 The Company shall (i) cause the appropriate real estate tax assessment office and tax levy officers to assess the Facility and apply tax rates to the respective assessments as if the Facility were owned by the Company, (ii) file any accounts or tax returns required by the appropriate real estate tax assessment office and tax levy officers.

Section V - Changes in Law.

5.1 To the extent the Facility is declared to be subject to taxation or assessment by an amendment to the Act, other legislative change, or by final judgment of a Court of competent jurisdiction, the obligations of the Company hereunder shall, to such extent, be null and void.

Section VI - Events of Default and Remedies.

6.1 The following shall constitute "Events of Default" hereunder. The failure by the Company to: (i) make the payments described in Section I within thirty (30) days of the Payment Date (the "Delinquency Date"); provided the Company has received notice of the amounts due and the due date for the same; (ii) make any other payments described herein on or before the last day of any applicable cure period within which said payment can be made without penalty; or (iii) the occurrence and continuance of any events of default under the Leaseback Agreement and/or that certain Financial Assistance Project Agreement by and between the Agency and the Company and dated as of July 1, 2026, and/or that certain Host Community Agreement by and between the Company and the Town of Niagara in an annual amount of $250,000 to be dated on or about July, 2026, expiration of any applicable cure periods. Upon the occurrence, and during the continuation of any Event of Default hereunder, and after expiration of any applicable cure periods, the Agency (x) may terminate this PILOT Agreement and (y) in addition to any other right or remedy the Agency and/or the Affected Tax Jurisdictions may have at law or in equity, the Agency and/or Affected Tax Jurisdictions may, immediately and without further notice to the Company (but with notice to the Agency with respect to actions maintained by the Affected Tax Jurisdictions) pursue any action in the courts to enforce payment or to otherwise recover directly from the Company any amounts so in default. The Agency and the Company hereby acknowledge the right of the Affected Tax Jurisdictions to recover directly from the Company

any amounts so in default pursuant to Section 874(6) of the General Municipal Law and the Company shall immediately notify the Agency of any action brought, or other measure taken, by any Affected Tax Jurisdiction to recover any such amount.

6.2 If payments pursuant to Section I herein are not made by the Delinquency Dates, or if any other payment required to be made hereunder is not made by the last day of any applicable cure period within which said payment can be made without penalty, the Company shall pay penalties and interest as follows. With respect to payments to be made pursuant to Section I herein, if said payment is not received by the Delinquency Date defined in Section 6.1 herein, Company shall pay, in addition to said payment, (i) a late payment penalty equal to five percent (5%) of the amount due and (ii) for each month, or any part thereof, that any such payment is delinquent beyond the first month, interest on the total amount due plus the late payment penalty, in an amount equal to one percent (1%) per month. With respect to all other payments due hereunder, if said payment is not paid within any applicable cure period, Company shall pay, in addition to said payment, the greater of the applicable penalties and interest or penalties and interest which would have been incurred had payments made hereunder been tax payments to the Affected Tax Jurisdictions.

6.3 Upon the occurrence of an Event of Default hereunder, the liability of the Company hereunder shall be all amounts due pursuant to Section I hereof through, but not including, the date on which the Facility is no longer exempt from Real Estate Taxes.

6.4 Subject to the rights of the mortgagees set forth in Section VIII below, whenever any Event of Default under Section 6.1 hereof shall have occurred and be continuing with respect to this PILOT Agreement, the remedies of the Agency shall be limited to the rights hereunder, under the Leaseback Agreement, subject to the rights of any lenders to cure any such Event of Default as set forth in Section VIII hereof.

Section VII - Assignment.

7. No portion of any interest in this PILOT Agreement may be assigned by the Company, nor shall any person other than the Company be entitled to succeed to or otherwise obtain any benefits of the Company hereunder without the prior written consent of the Agency, which shall not be unreasonably withheld or delayed.

Section VIII – Rights of Mortgagees.

8.1 For the purposes of this PILOT Agreement, the term "mortgages" shall include any mortgage, leasehold mortgage, purchase money mortgage or other security instrument or instruments encumbering the Facility, such as, without limitation, mortgages, deeds of trust, financing statements, assignments of leases, rents and/or profits, security agreements and other documentation which a mortgage may require, and the terms "holder of a mortgage" and "mortgage" shall mean the secured party under any of the foregoing instruments. ANY MORTGAGE SHALL BE A LIMITED, NON-RECOURSE OBLIGATION OF THE AGENCY AND SHALL IN NO EVENT REQUIRE THE PAYMENT BY THE AGENCY TO ANY

PARTY OF ANY AMOUNT INCLUDING, BUT NOT LIMITED TO, PRINCIPAL, INTEREST OR ANY OTHER AMOUNT SECURED BY ANY SUCH MORTGAGE.

8.2 So long as the mortgage shall remain unsatisfied of record or until written notice of satisfaction is given by the Mortgagee to the Agency, the following provisions shall, subject to and unless otherwise prohibited by all applicable law including, but not limited to, the Act, apply (in respect of such mortgage and of any other mortgages which also comply with the above):

(a) There shall be no renewal, cancellation, surrender, acceptance of surrender, amendment or modification of this PILOT Agreement, by joint action of the Agency and the Company along, without, in each case, the prior consent in writing of the Mortgagee, nor shall any merger result from the acquisition by, or devolution upon, any one entity of any fee and/or leasehold estates in the Facility.

(b) The Agency shall, at no cost to the Agency and at the sole cost of the Company, upon receipt of any notice or other communication, whether of default or any other matter, simultaneously serve a copy of such notice upon the Mortgagee, and no such notice of other communication to the Company shall be deemed received unless a copy is so served upon the Mortgagee in the manner provided in this PILOT Agreement for the giving of notice.

(c) Notwithstanding anything to the contrary herein, if the Agency serves a notice of default upon the Company, it shall, at no cost to the Agency and at the sole cost of the Company, also serve a copy of such notice upon the Mortgagee at the address set forth in Section 9.2 hereof.

(d) In the event of any default by the Company under this PILOT Agreement, the Mortgagee shall have fifteen (15) days for a monetary default and thirty (30) days in the case of any other default, after notice to the Mortgagee of such default (which notice shall be given in the manner set forth in Section 9.2 below), to cure or to cause to be cured the default complained of and the Agency shall accept such performance by or at the instigation of the Mortgagee as if same had been done by the Company. Each notice of default given by the Agency will state the amounts of any payments herein provided that are then claimed to be in default.
